

Message of the Vice-Chancellor

It gives me a great pleasure to announce the publication of this Issue of the Newsletter. The newsletter, as we all know, manifests the activities of its parent organization during the period of its coverage. With the same object, this Issue which contains pieces of information about the academic and other activities that have taken place in the University during the period from April-September 2014, is being brought out. From the contents of this Newsletter, the readers, I am sure, will find that our University keeps booming with academic, research, faculty & staff development, and cultural programmes, lending credence to its rich tradition.

SGT University, established just a year back, has taken long strides in terms of highly qualified and competent teaching and non teaching staff, modern classrooms, well equipped labs, resource rich library, internet services, play grounds, extra & co-curricular facilities, hostels, residential accommodation, lush green campus, transport, and above all, 500-bed hospital along with dental hospital. The university management has developed a visionary plan to take the University forward to provide best of the education, produce quality human resource, and conduct innovative research. This University will be one of the best destinations for those who aspire to pursue higher education in health sciences, law, hotel management, commerce, engineering & technology and other branches of knowledge.

Come and join us for your brighter future.

(Dr. T.D. Dogra)

FACULTY OF MEDICINE & HEALTH SCIENCES

SGT UNIVERSITY ESPOUSES THE CAUSE OF HEALTH

World Health Day is celebrated on 7th April each year at the instance of World Health Organization to draw worldwide attention to a major health problem. The Dept. of Community Medicine of SGT University observed the World Health Day 2014 with the theme: **Small Bite, Big Threat: Prevention & Control of Vector-Borne Diseases**. The medical faculty and the students participated in the programme comprising a Seminar and a Poster Competition. Best posters were selected by a jury consisting of Dr. T.D. Dogra, Vice-Chancellor, Prof. Daleep Singh, Pro-Vice-Chancellor and Dr. Kamlesh Kohli, Dean, Faculty of Medicine & Health Sciences. First Prize was bagged by Anil Kaushik, Nishant & Nisha, 2nd by Bharti, Arundha, Anju & Mohit, and 3rd by Asha Chaudhary. Ten consolation prizes were also given.

MESSAGE OF THE Pro-Vice Chancellor

It gives me immense pleasure to present this issue of SGT University Newsletter. As we prepare for the academic session 2014-15, it brings new challenges and hopes for the Faculty as well as the students. The University, keeping the need & demand of the job market & students at the forefront, from this session has added 6 new Faculties and 35 new courses. The new Faculties i.e Law, Mass Communication, Hotel Management, Physical Sciences, Life Sciences, and Social Sciences have added new dimension and diversity to the University thereby giving it a more balanced and multifaceted outlook. We are now reaching out to more students with varied interests and passions in different academic domains.

The University has a constant focus on the students' exposure. We have new strategic tie-ups with Fortis Hospitals, Artemis Hospitals and National Stock Exchange, besides University of Detroit-Mercy. These reputed institutions of professional excellence will provide an opportunity for our students to interact and training with finest technologies.

We welcome all the students at SGT University and assure them that no stone will be left unturned to fulfill their aspirations.

(Prof. Daleep Singh)

Collaborations

Collaboration with FORTIS HOSPITAL, GURGAON

SGT University has started B.Sc. (Neuro-Physiology Technology) programme from the academic session 2014-15. The University has signed an MoU with Fortis Hospital, Gurgaon for the involvement of the eminent Doctors of the Hospital having specialization in Neuro-Physiology Technology in curriculum development and teaching. At the end of the academic programme, the students will be placed at Fortis Hospitals for practical exposure under the guidance of dedicated team of practicing Doctors. This arrangement with Fortis Hospital will open up new avenues of learning, knowledge sharing, and practical exposure of the students of this University along with job opportunities for them in the health care sector.

Collaboration with ARTEMIS HEALTH SCIENCES, GURGAON

Sleep disorder has become a common disease due to stress of fast life and worries of daily chores. The SGT University has, therefore, decided to run a graduate programme in "Sleep Disorder Technology" from the academic session 2014-15 in collaboration with the Artemis Health Sciences — an organization providing cutting edge healthcare in India. The eminent doctors from the Artemis Hospital will render advice in designing the course curriculum, besides their involvement in classroom teaching. At the end of the academic programme, the students will be placed at Artemis Hospital for practical training under the supervision of the eminent practicing Doctors. This tie-up will provide opportunity to our students for cutting end education and experiential learning in the real working environment for transforming them into market-ready assets.

MCI Permits SGT University to Run MD Programmes from 2014-15 Session

Consequent upon the assessment of the infrastructural facilities in terms of teaching and non-teaching staff, buildings, equipment and hospital, the Ministry of Health and Family Welfare, Govt. of India, on the recommendation of the Medical Council of India, has granted permission to the SGT University vide letter No. U12012/255/2014-ME(P-11) dated 6th May 2014 to start Doctor of Medicine programmes in seven disciplines, namely, Anatomy, Physiology, Biochemistry, Pathology, Community Medicine, Microbiology and Forensic Science w.e.f the academic session 2014-15. Having achieved heights in Dental education—both BDS and MDS— and completed first four years of MBBS successfully, the permission for starting M.D. courses is another milestone in the short history of SGT University.

Orientation Programme for the MBBS First Year Batch – 2014

The Faculty of Medicine & Health Sciences organized an orientation programme for the 1st Year MBBS students on 13th August 2014. It was an opportunity for the freshers for introduction amongst themselves. The students were given a brief introduction about the university in general and infrastructural facilities in particular. The programme was graced by the guests, university officers, teachers and parents of the students.

Dr. T.D. Dogra V.C. addressing the students. PVC, Dean, FMHS and HoD (Anatomy) on dias

Workshop on Medical Education Technologies, 22-25 Sept. 2014

The Faculty of Medicine & Health Sciences organized a 3-day 'Workshop on Medical Education Technologies' from 22nd to 25th Sept. 2014 with the objective to equip the teachers of the Faculty with latest teaching skills for effective delivery of information and knowledge in the classroom. Dr. T.D. Dogra, Vice-Chancellor inaugurated the workshop and wished the activity a grand success. Sponsored by Medical Council of India, the programme was coordinated by Dr. Arun Saxena, with Dr. Kamlesh Kohli, Dean of the Faculty in Chair and Dr. Daga, Director, Maulana Azad Medical College, New Delhi as Observer deputed by Medical Council of India. This

was the first Workshop of its kind held in the University. The workshop was conducted in 20 sessions, where 20 faculty members made presentations on various topics. Twenty two teachers of different levels from various departments were deputed to participate in the Workshop. The participants were given learning material in the form of handouts, practical exercises, games, etc. to increase their creativity, improve communication skills, understand the power of group dynamics, better planning of curriculum and modern methods of giving examinations. The workshop concluded with the award of certificates to the participants at the hands of the Observer.

FACULTY OF DENTAL SCIENCES

Inauguration of 2014-2017 Postgraduate Academic Session

It was a matter of great pride for SGT University to have Lt. Gen. (Dr.) Vimal Arora, AVSM, VSM, PHDS, Director General of Dental Services & Colonel Commandant at the Campus on June 26, 2014 as Chief Guest for the inauguration of 2014-17 Batch of M.D.S. programmes in the Faculty of Dental Sciences. The event was also

graced by Brig. (Dr.) Anil Kohli (Retd.), Padamshri, Padmabhushan and holder of Dr. B.C. Roy National Award as Chair of the session and Brig. (Dr.) S. H. Gupta, Commandant, Army Dental Centre, R & R Hospital as Guest of Honor. The Chief Guest and other dignitaries, escorted by the Vice-Chancellor and other University officers, visited the labs, library, lecture theatres and other facilities and were all praise for the infrastructure.

CDE on "Recent Advances in Clinical Dentistry"

Faculty of Dental Sciences hosted a multi-speciality continuing Dental Educational Program titled "**Recent Advances in Clinical Dentistry**" at the Jawahar Lal Nehru Auditorium, AIIMS on the 4th May 2014. This academic event was the 7th edition held in collaboration with the Centre for Dental Education and Research, AIIMS and School of Dentistry, University of Detroit Mercy, Michigan, USA.

The day long CDE Program saw speakers with highest caliber and experience, presenting & sharing their scientific achievements with the august gathering. The galaxy of speakers included five world renowned speakers, namely, **Dr. (Prof.) Naseem Shah**, Chief, CDER, AIIMS, New Delhi; **Dr. (Prof.) James R. Winkler**, Chair, Department of Periodontology & Dental Hygiene, School of Dentistry, University of Detroit-Mercy, Michigan, USA; **Dr. Monish Bhola**, Director, Post Graduate Periodontics & Implantology, Department of

Dr. Ashima Goyal, Professor, Periodontics, PGIMER, Chandigarh

Dr. James R. Winkler

Periodontology & Dental Hygiene, School of Dentistry, University of Detroit Mercy, Michigan, USA; Dr. Balwinder Singh Sandhu, Cosmetic Dentist & Smile Design Specialist, and Dr. Ashima Goyal Professor, Pedodontics & Preventive Dentistry, Oral Health Sciences Centre, PGIMER, Chandigarh.

There were over 800 registrations for the program from the dental colleges in the National Capital Region. Notable representations were from government colleges like CDER, AIIMS; Maulana Azad Institute of Dental Sciences, New Delhi; Govt. Dental College, Rohtak; Jamia Millia Islamia; ESI Dental College, Rohini, and many private dental colleges like ITS, Greater Noida &

Muradnagar, Indraprastha Dental College, Sharda Dental College, Manav Rachna Dental College, Sudha Rastogi Dental College, DJ Dental College ; and other colleges located around NCR.

FACE 2014 - A Symposium on Orthognathic and Facial Esthetic Surgery

The Faculty of Dental Sciences, Shree Guru Gobind Singh Tricentenary University had the proud privilege of hosting FACE 2014 conference for the first time in North India from 27th to 29th March 2014. The Dept. of Oral Surgery organized a "Symposium on Orthognathic and Facial Esthetic Surgery" on this occasion.

The first 2 days of the conference comprised of lectures by eminent speakers: Dr. Varghese Mani, Dr. Manikandhan R., Dr. David P. Tauro, Dr. Rajshekhar K., Dr. Kishore Nayak, Dr. P.P. Biwas, Dr. Akshai Shetty, and Dr.

Anjan K. Shah. They spoke on a variety of subjects relating to dental surgery such as correction facial asymmetry, mandibular distraction, decompensation of malocclusions prior to surgery, role of BOTOX in camouflaging a gummy smile, preoperative planning for orthognathic surgery, and problems of orthognathic surgeries. The live surgical demonstrations conducted by Dr. David P. Tauro and Dr. Varghese Mani were the highlights and memorable moments of this conference. The concluding day witnessed the live surgery workshop which was a truly rewarding lifetime experience and opportunity for the delegates.

Public Health Dentistry Dental Education Program

The Public Health Dentistry department headed by Dr. Sumanth Prasad, organized a day long workshop on "Insight into Questionnaire Designing, Validation and Problem Solving" on the 10th March 2014 at the SGT University campus. There were over 175 registrations for the program from over 20 Dental colleges located at Bhopal, Udaipur, Ahmedabad, Chandigarh, Barielly, Jaipur, Lucknow and National Capital Region. The

presentations made by renowned academicians Dr. Nagesh L and Dr. Ravi V. Shirahatti left the audiences overawed. Dr. T.D. Dogra, the Vice-Chancellor of SGT University graced the programme as Chief Guest. The delegates were extremely happy with the content of the programme and mesmerized by the comforts & hospitality extended by the SGT University

A Day with UDM School of Dentistry, Michigan

Dr. Manish Bhola

The experience was so special one for our delegates at the CDE organized on 4th May 2014 that we didn't miss a chance given by Dr. James R. Winkler & Dr. Monish Bhola, when they visited our dental facility at SGT Univeristy Campus on 5th May 2014. Dr. Monish Bhola, an enthusiastic orator, was again eager to share his knowledge and experience on yet another topic – "Sinus Surgery Complications in Implantology". He explained the complex sounding phenomena with utmost simplicity and finesse that surely, the audience comprising of students who are near the completion of their graduate

University of Detroit Mercy, Michigan

program, would have been really propelled to learn more in the field of advanced dental care in their professional careers. Dr. Monish Bhola highly appreciated the efforts of the Faculty & Management for the never-ending success of SGT University and UDM School of Dentistry association. He was highly awed by the strides which SGT University is making in the fields of Education, Clinical Care and Social Welfare.

The faculty also shared their clinical expertise with postgraduates from the department of Periodontology & Prosthodontics. Specific Implant related cases were discussed and advanced treatment modalities were shared by our guests. The newer techniques and clinical experiences shared by the faculty was a wonderful source of knowledge for our faculty & postgraduates.

Oral Hygiene Day Celebrations

Smiles for Perfect Oral Health

It is the endeavor of the Faculty of Dental Sciences to instill positive attitude in its patients towards a healthy

mouth. Besides regular programs, the Department of Periodontology organized a free dental check-up camp and distributed free toothpaste & toothbrushes in collaboration with Colgate India Ltd. on 1st August to commemorate the birthday of Dr. Shanwalkar, a Pioneer in the field of Periodontology. On this occasion, the dental staff pledged to alleviate the basic discomforts of bleeding gums, pain in gums and foul smell from mouth to bring smiles to their patients. Dr. T.D. Dogra, Vice Chancellor inaugurated the function and Mr. Manmohan Singh Chawla, Managing Trustee graced the event by his presence. Over 400 patients were examined during the day.

Social Welfare Programmes

The SGT University is involved not only in education sector, welfare of the needy people is also close to its heart. In furtherance of this objective, the University, through its various departments, keeps on organizing complimentary health check-up programmes in nearby villages and underprivileged urban areas. In sequel to this policy of the University, the Department of Public Health Dentistry, Pedodontics and with Multi-disciplinary collaboration of all departments, Faculty of Dental Sciences organized various healthcare initiatives

In the past six months at various locations in Gurgaon & NCR. Our efforts have led us to organize camps with various Private organizations like Reliance SEZ Foundation, MIW Foundation & Global Development & DLF Foundation. These camps have been organized at various village locations as well as Urban Gurgaon locations. Some of the prominent group of people for whom we arranged out-reach welfare programs in the last six months are prisoners from Jhajjar Jail, children at the Asha Kiran Orphanage, Dharuhera, children at Spastic Society, Sector 4, Gurgaon & Blind Relief Association, New Delhi.

In collaboration with oral health care product companies, we make special efforts to distribute toothbrushes, toothpastes and other oral health care products to all our patients at out-reach programs. We make special arrangements to distribute required medicines also to our patients. Our department also distributes specialized oral health education material in the form of disease specific pamphlets & leaflets so that the correct messages can be carried by them. These efforts can help us achieve our prime objective of alleviating the oral diseases from all sections of the society.

Academic Laurels Earned By Students

- Dr. Nidhi Marya, Postgraduate from Conservative Dentistry & Endodontics, Faculty of Dental Sciences, SGT University Gurgaon bagged first position at the annual examinations held under Pt. B.D Sharma University of Health Sciences, Rohtak.

- Dr. Neha Saksena's research paper on "Periodontal Proteomics: Wonders Never Cease!" was published in International Journal of Proteomics & she is invited by BIT's 1st Annual

International Congress on Oral & Dental Medicine, 2014 to be held at Xiamen, China on December 1-3, 2014. She will deliver a speech at a Session & Chair a Technical Session on Hard & Soft Tissue Surgery.

- Dr. Neha Khanna, Postgraduate student of Department of Oral Medicine, bagged first prize for her paper "Awareness Pertaining to Utility of CBCT" at National PG Convention held at Bangalore on 26th July 2014.

- Dr. Palkin Mehta, Postgraduate from Oral Medicine, won first prize in poster presentation at "International Conference of Dental Specialists", held at Muradnagar, Ghaziabad on 9th-10th May 2014.

- Dr. Akshika Bakshi, Postgraduate from Oral Medicine, won first prize in paper presentation on "Efficacy of Aloe Vera in Erosive Lichen Planus in Diabetic Patients – A Pilot Study" at National OOO Conference held on 9th March 2014 at Udaipur.

- Dr. Rajesh Sardana & Dr. Vimanyu Kataria, Postgraduates from Oral Surgery, were awarded 1st prize in poster presentation on "Lateral Gap Arthroplasty Current Surgical Conservative Approach to Type III TMJ Ankylosis: A Case Report" at International Conference of Dental Specialists, held at ITS, Muradnagar, Ghaziabad on 9th-10th May 2014.

- Dr. Vidhi Gupta, Postgraduate student of the Department of Conservative Dentistry & Endodontics, won second prize for her presentation on "Comparative Evaluation of Root End

Filling Materials : An Electrochemical Study" at ENDOCON PANCHKULA 2014

- Dr. Rohit Singh & Dr. Anuja Swami, Postgraduate students of the Department of Conservative Dentistry & Endodontics, won second prize for presentation on "Salivary Nanobiosensors" at ENDOCON PANCHKULA 2014.

They also won a third prize for presentation on "Ultrasound: New Face of Old Diagnostic Tool" at "International Conference of Dental Specialists", held ITS, Muradnagar, Ghaziabad on 9th-10th May 2014.

- Dr. Sanchit Pradhan, post graduate from department of Public Health Dentistry, won First Prize in Poster Presentation on "Tooth Bank – Preservation of Stem Cells" at multi-specialty continuing dental education Program titled "Emerging Trends in Dentistry" held at Teerthankar Mahaveer Dental College & Research Centre, Moradabad on 30th & 31st August 2014

ZEST 2014 at Jamia Millia Islamia, New Delhi

Three cheers to SGT UNIVERSITY. Our Intern Batch participated in the fest, ZEST-2014, organized by Jamia Millia Islamia, New Delhi. Nishant Malik won 1st prize in Badminton Singles and Mukesh Soni won 1st prize in Solo Singing.

Friendship Day Celebrations

Friendship day was celebrated by the intern batch of the Faculty of Dental Sciences on 2nd august 2014. The party was organized to bid adieu to each other before leaving the college.

Academic Excellence shared through Print Media

Our faculty, postgraduate and undergraduate students take keen interest in the field of research. In pursuit of one of the goals of our university to be upfront in sharing our research with the world, the faculty and the students have published around **58 scientific publications** in the past six months in various national and international journals with High Impact factors. Some of these are...

FACULTY OF PHYSIOTHERAPY

Faculty of Physiotherapy celebrated "World Physiotherapy Day" on Sept. 8, 2014 in the University Campus. The program started with the lamp lighting by Dr. Rajiv Aggarwal, Chief Physiotherapist at Neurosciences Department, AIIMS, New Delhi, Dr. Divya Khanna, Chief Physiotherapist, Manual Cura Chain of Physiotherapy Clinics at Dwarka, Dr. T.D. Dogra, Vice Chancellor, Dr. Daleep Singh, Pro Vice Chancellor and Dr. Joginder Yadav, Dean, Faculty of Physiotherapy. Dr. Divya Khanna spoke on "Sensory Integration" highlighting the importance of senses. The key speaker of the day, Dr. Rajiv Aggarwal dwelt upon "ICU Management". The lectures of the speakers were full of information on the basics and technicalities of the management of Intensive Care Unit of a hospital. Dr. Joginder Yadav, Dean, Faculty of Physiotherapy thanked the speakers for their scintillating and inspirational talks.

SGT INSTITUTE OF ENGINEERING AND TECHNOLOGY

Trip to the 'City of Lakes'

In order to maintain a balance between learning of theory along with practical exposure and provide an opportunity to relax after a rigorous terminal examination schedule and hectic day-today activities during teaching sessions, SGT Institute of Engineering and Technology organized an educational-cum-excursion tour for its students from 11-13 April 2014 to Nainital (Uttarakhand). The objective of the trip was to unwind and relax the minds for preparation of packed academic schedule ahead.

Educational Visit to Tanakpur Power Station

SGT Institute of Engineering and Technology sponsored the visit of the students to Tanakpur Hydro-electric Power Station, Banbasa, Uttarakhand from 10th-13th April 2014. This plant has the electricity generation capacity of 105 MW. The students visited the barrage area where they experienced the practical demonstration of the operation of gates for controlling the flow of water. This provided the students a first hand experience of harvesting electric power from naturally flowing water, which is completely pollution free. Students also visited the power houses where they were shown the working of turbines and alternator systems. The visit was highly informative as it provided the students the exposure of power generation in a real life situation of the high capacity hydraulic power station.

Industrial Visits

SGTIET arranged visits of students of all streams to 10 industries/undertakings: Ballarpur Industries Ltd.; Parle Biscuits Pvt. Ltd., Bahadurgarh; Mother Dairy, New Delhi; Roop Polymers Pvt. Ltd., Sohna (Gurgaon); Delta Power Solutions, Gurgaon; Dixen Technologies Ltd.; Supertech Ltd.; HCL Gurgaon; Maruti Suzuki India Ltd., Gurgaon; Tulip Infratech, Gurgaon; Paltech, Gurgaon and ANG Industries.

Placements

Lelobooks.com Pvt. Ltd.

SGT IET is fully committed for placement of its students. With a commitment towards this objective, the Institute arranged the visit of 9 employers and secured placement of more than 50 final year students in its first attempt.

FACULTIES OF LAW, MANAGEMENT, HOTEL MANAGEMENT AND MASS COMMUNICATION

SGT University Honours Justice Rohinton F. Nariman

Consequent upon the appointment of Mr. Rohinton Nariman as a judge of the Supreme Court of India, the SGT University organized a programme on July 26, 2014 at 10.45 a.m. to honour him. Accepting the felicitation offered to him, Justice Nariman addressed the students and teachers and counseled them to follow highest ethical standards in life to achieve success. Shri. Ram Bahadur Rai, Chancellor of the University expressed his confidence that Mr. Justice Nariman will uphold the Constitution in letter and spirit and interpret it in the way the framers of the constitution had envisioned.

In his welcome address, Prof. S. Shanthakumar, Dean of the Faculty of Law, gave an account of Justice Nariman's achievements as a legal luminary, including his appointment as Judge of the highest Court of the land directly from Bar, his appointment as Senior Counsel by the Supreme Court at the young age of 37, practice in Supreme Court for over 30 years, Member of Bar Council of India, service to the Govt. of India

Justice Nariman, Sh. Ram Bahadur Rai, Chancellor & Dr. T. D. Dogra, Vice-Chancellor lighting the lamp

as Solicitor General, expertise in Comparative Constitutional Law and Civil Law, and Maritime Law practice at Haight, Gardner, Poor & Havens in New York.

The program was attended by the Managing Trustee Shri Man Mohan Singh Chawla, Chairperson Smt. Madhupreet Kaur Chawla, Vice Chancellor Dr. T.D. Dogra, Pro Vice-Chancellor Prof Daleep Singh and many other dignitaries. The Program concluded with a vote of thanks by Prof. Rajiv Khanna, a teacher of Mr. Justice Nariman and Director at the Faculty of Law of the University.

Orientation Programme for 1st Year Batch of Hotel Mgt., Mass Comm., Law & Allied Health Sc.

The SGT University has launched new undergraduate and postgraduate programmes in the disciplines of **Hotel Management, Mass Communication and Law**. These faculties organized a joint orientation programme on 19.8.2014 for their first batch

students. The students were addressed by reputed experts in Management, Hotel management and Mass Communication, namely, Prof. N.K.Gupta, Ex-Professor, IIM, Lucknow and now Professor Emeritus, IIM Noida Campus; Prof. Umakant Mishra, Ex-Director Principal, Press Information Bureau, Ministry of Information & Broadcasting, Govt. of India; Sh. Rajiv Mishra, Ex-CEO, Lok Sabha TV; and Mr. Andrew J Ryder, People Development Engineer and Trainer for the Faculty of Hotel & Tourism Management. The other speakers included Dr. T.D. Dogra, Vice Chancellor, Prof Daleep Singh, Pro Vice-Chancellor, Dr. Kamlesh Kohli, Dean, FMHS and Dr. S. Shantakumar, Dean, Faculty of Law. Mr. Manmohan Singh Chawla, Managing Trustee also blessed the students.

NEW FACULTY

Prof. S Shanthakumar

Prof. S. Shanthakumar has joined the SGT University as Dean, Faculty of Law. Before joining this University, he served as Director of ITM Law School, ITM University, Gurgaon; Director of MATS Law School, MATS University, Raipur; Controller of Examinations, Hidayatullah National Law University, Raipur; Associate Professor of Law at Hidayatullah National Law University, Raipur; Senior Lecturer at Government Law College, Madurai; Senior Lecturer at Government Law College Chennai. Before joining the legal academia, he had practiced at the Madras High Court. He has authored and edited books on Environmental Law and Human Rights Law. He has published numerous research papers in reputed national and international journals. He had his training on teaching law at the National Law School, Bangalore under a World Bank Funded Project and at the Cardiff Law School, Cardiff, Wales, U.K. under a British Council funded Project. He has been involved in training the Law Teachers on Law Teaching and Legal Research at various Universities in India as part of the British Council Funded Project. He had visited premier Universities across the globe to understand the best practices in legal education. He has been a very active member of the International Association of Law Schools, U.S.A. Dr. Shanthakumar has a unique experience of establishing three elite law schools in a self financing mode.

Prof. Kamal Piyush

Prof. Kamal Piyush joined the SGT University as Dean, Faculty Hotel & Tourism Management on 01.09.2014. Before joining this University, he has served in public and private sectors in various capacities. Some of the posts which he held are : Principal, Institute of Hospitality Management, Bathinda; General Manager, Nirula Group of Hotels and Restaurants; Director, Chandigarh College of Hospitality; Director, Chandigarh College of Hotel Management & Catering Technology; and Banquet Manager, F&B Manager, Executive Manager, & General Manager, Ashok Group of Hotels. He is a certified Trainer for Hotels and specializes in Human Resource Development, Front Operations, Client Servicing, Strategic Planning and Supply Chain Management. He organized state banquets for key clients, viz. President of USSR, Prime Minister of UK, and Queen of Switzerland.

CULTURAL PAGEANTS

Holi

Milan

Phoolon Ki Holi

The students and the faculty of SGT University celebrated the festival with great pomp & show in the university campus amongst varied colourful events as part of the 'Holi Fest' on 15.03.2014, giving the pollution and harmful colors a go-bye. Use of only flowers, flower petals and chandan to celebrate the festival made it an eco-friendly event and a memorable and blissful spectacle.

The Fest was opened by lighting of lamp by Shri Ram Bahadur Rai, Chancellor, Shri Manmohan Singh Chawla, Managing Trustee, Mrs. Madhu Preet Chawla, Chairperson, Dr. T.D. Dogra, Vice-Chancellor, Prof. Daleep Singh, Pro Vice-Chancellor and other officers of the University. Subsequently, the students of the University presented Mangalacharan.

The artists of Charkula Arts Academy, Mathura were specially invited to add colour to the festival. They performed a special Holi dance spanning over 90

minutes. The performance included Braj ki Holi, Barsane ki Holi, 4-Dham Yatra and Mayura rasa. Their performance, particularly the Mayur dance, made the spectators leaped up in jubilation. The University students also presented wonderful programmes on this occasion.

BOLLYWOOD Stars in Campus

Superstar Akshay Kumar & Tamannaah Bhatia

Superstar Akshay Kumar and Tamannaah Bhatia, co-starring in their slapstick comedy film 'Entertainment' arrived at the SGT University campus, Budhera, Gurgaon on 06.08.2014 amidst thunders of applause. The programme was full of entertainment, where SGT students showcased their talent by singing songs, reciting poems & dancing on the tunes of Bollywood hits.

SGT University invites such successful and talented achievers to motivate its students to achieve their goals. Mr. Man Mohan Singh Chawla, Managing Trustee and Mrs. Madhu Preet Chawla, Chairperson, thanked the stars for being with the SGT fraternity and presented mementos to them.

Sunil Shetty

SGT University hosted an entertaining film promotional event on the campus. Mr. Sunil Shetty & team of "KOYELAANCHAL" interact with students, signed autographs & clicked pictures. The overwhelming response encouraged the university to host such events in future.

Himesh Reshammiya & Zoya Afroz

The SGT University welcomed the multi-talented Himesh Reshammiya and the beauty sensation Zoya Afroz at its campus on 8th May 2014. The stars came, saw, and were mesmerized by the eco-friendly, serene and academic ambience of our University. They freely interacted with students and other audience, posed for pictures, and gave autographs.

Tiger Shroff & Kirti Sanon

STUDENTS' EXPOSURE

Participation in Loksabha TV Panel Discussion

Loksabha TV invited SGT University to depute a faculty member and a student to participate in a "Panel Discussion on Gender Discourse", scheduled for 19.06.2014 at 4.0 p.m. The show was hosted by Mrs. Suhela Kapoor with a focus on issues relating to women empowerment. Mr. Manoj Dhatarwal, Asstt. Professor and Rajesh Sardana, a PG student represented the University on the Panel. The show was televised again on 20.06.2014 at 11.00 a.m. & 23.06.2014 at 9.00 p.m.

Participation in NDTV Show 'WE THE PEOPLE'

'We the People' is an audience-based interactive panel discussion aired 24x7 on NDTV. The show aims at discussion on current affairs and issues of social relevance.

Students of several other universities — Jawaharlal Nehru University, BITS, SGT University, Amity University along with several politicians and social activists attended the show. Dr. Prerna Pandia, a BDS Intern of the SGT University had the privilege of attending this popular show on 10.06.2014. The show was moderated by the renowned T.V. Journalist, Ms. Barkha Dutt.

WORLD ENVIRONMENT DAY' CELEBRATION

SGT University, keeping its commitment to our planet, on 5th June 2014, celebrated 'World Environment Day'.

Dr. T D Dogra, Vice Chancellor, Dr. Daleep Singh, Pro-Vice Chancellor, Prof. Prem Singh, Director Planning) & COE, Dr. Kamlesh Kohli, Dean, Faculty of Medical Sciences and students planted trees.
