A crisp write up about you (150-200 words)

Dr. Pulin Saluja is at the post of Reader (Associate Professor) in the Department of Oral Pathology, Faculty of Dental Sciences SGT University. She has been part of the SGT Family since 2012 with a teaching experience of more than 6 years. She has presented various papers in National and International Conferences and many times chaired Scientific sessions. She has many national and international publications to her credit. Also, she has authored and reviewed books of her own specialty. Besides being involved in teaching and the academic activities of the Department, she is also actively involved in the various University activities. She is a member of the Mentor-Mentee system, Alumni committee and is the overall in-charge for Facebook of the University. She is also the member of Editorial Board of SGT Journal (Indian Journal of Health Sciences and Care).

Dr. Pulin has a keen interest in academics and she tries to inculcate all the newer teaching methodologies in her lectures. She is very happy to be the part of SGT as this is the place where her academic career started and this place has given her several platforms to perform and excel in personal and professional life.
