Organized by: Faculty of Agricultural Sciences

Date: 19 Nov., 2022

Time: 11:00 AM to 01:00 PM

Venue: Room No. 316, SGT University

Resource Person: Dr. Jeetendra Kumar Vaishya, Research Officer, National Medicinal Plants Board, Ministry of AYUSH, Govt. of India.

Introduction:

Faculty of agricultural sciences, SGT university has organized a guest lecture on Exotic and Indigenous Medicinal and Aromatic Plants and their Importance on 19-11-2022. The resource person for the event was Dr. Jeetendra Kumar Vaishya, Research Officer, National Medicinal Plants Board, Ministry of AYUSH, Govt. of India. At the beginning, Dr. Ashok Kumar, Dean, FASC welcomed the guest speaker by presenting memento of Guru Gobind Singh and a sapling.

During this lecture, Dr. Jeetendra Kumar explained the importance of exotic and indigenous medicinal and aromatic plants and their role in our daily life. Beside this, he discussed various central government schemes of National Medicinal Plant Board for development of herbal garden and about submission of various research and development project. He also shared his views on career option and opportunities after completion of bachelor degree program in agriculture. The lecture was attended by students of B.Sc. (Hons.) Agriculture and M.Sc. Agriculture and faculty members of FASC.

From the lecture, the students had the opportunity to know about the importance and benefits of medicinal and aromatic plants as well as various schemes and job opportunities provided by NMPB. The program was ended by vote of thanks.
