# Detailed Program Schedule:

Kadam Association, Department of Environmental Science, Faculty of Science, SGT University conducted a one online workshop on Environmental Impact Assessment (EIA). Dr. Vikram Mor, Head, Department of Environmental Science welcomed the expert for the session, Dr. Mahadev Semwal, Quality Manager, Econ Laboratory and Consultancy, Dehradun. The main objective of the workshop was to make the students familiar with the concept, government bodies associated, the process, challenges of EIA. Students were given examples of various case studies also. After the session Dr. Semwal shared career building opportunities through the consultancy. He also suggested the students to have knowledge on various laws, policies, norms, standards etc. at the starting of career. The session was completed with the vote of thanks by Dr. Simranjeet Singh, Advisor, Kadam Association. It was very fruitful session as the students have been imparted case study based knowledge.
