

SGTU/FEAT/CE-179
Dated: 16 February 2023

To

The Registrar
SGT University, Gurugram

Subject: Permission to organize a "Site Visit at KPD Developers, Sector 38, Gurugram, on 16 February 2023."

Respected Sir,

On behalf of the Department of Civil Engineering, SGT University, we would like to request you to permit us to organize a " Site Visit at KPD Developers, Sector 38, Gurugram, on 22 February 2023", for the students of the Department of Civil Engineering, of FEAT. This visit involves teaching at the site, about the civil engineering concept of foundation. Now, we are aligned more toward practical teaching methodology. No financial commitments are involved in this site visit.

Date: 22 February 2023

Student Count: 10

Faculty Count: 01

Lab Technician: 01

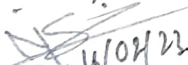

Travel: 01 (Bus-Capacity-25)

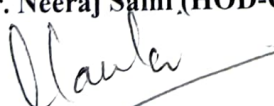

12 - People

Kindly consider the request and give valuable permission for the same.

With Best Regards

Dr. Kiran Devi (AP)

Dr. Neeraj Saini (HOD-CE)

DEAN (FEAT)

Request may be considered for approval please

Dear Sir,

On behalf of the Department of Civil Engineering, SGT University, we would like to request you to permit us to organize a "**Site Visit, KPD Developers, Sector 38, Gurugram**", for the Students of Department of Civil Engineering, FEAT. We are planning the visit on **22th February 2023**.

Students will learn a lot about various construction concepts of foundation and steel sections. This will help the students in their future endeavors as well.

Date: 22th February 2023
Student Count: 09
Faculty Count: 01
Lab Technician: 01

Kindly allow us for the same and do the needful.

Thanks and Regards.

Dr. Kiran Devi
Assistant Professor
Civil Engineering Department

Organized

“Site Visit at KPD Developers”

Sector 38, Gurugram, Haryana

Type of Event: Site Visit

Date: 22/02/2023

Time: 10:00 AM to 02:00 PM

Venue: Sector 38, Gurugram, Haryana

Organizer:

Dr. Neeraj Saini, HOD & Assistant Professor, Department of Civil Engineering, FEAT

Dr. Kiran Devi, Assistant Professor, Department of Civil Engineering, FEAT.

Objectives:

Site visits are a crucial component for the education of students. They can better learn how the theoretical concepts is applied to the practice by visit the construction site. Site visits allow the students to gain more technical and practical knowledge about the current specific construction materials and methods adopted on site. The visits also give the chance to learn about logistical

management, environmental concerns, health and safety project management practices. The current site visit was planned to make the students aware of the essential fundamentals of engineering drawing, ground level, excavation, construction of foundation and others structural components.

About the Speaker/Guest:

Er. Brijesh Kumar, Site Engineer at KPD Developer, Gurugram.

Learners:

B.Tech. CE Students (09)-UG

Brief Report:

Site visits at construction site assist students in better understanding of engineering drawing, practical or field concept of construction of various structural components. The prime purpose of site visits is to learn about the understanding of different construction practices adopted by the industries and minimize the gap between the academics and field/industry. Keeping this viewpoint, a visit to the **KPD DEVELOPER, Sector 38, Gurugram, Haryana**, was organized by the **Department of Civil Engineering, Faculty of Engineering & Technology, SGT University, on 22 February 2023**. Students were highly interested in understanding the basics of foundation construction practices (Rectangular, stepped footing etc.). The site engineer initiated with the importance of understanding of engineering drawing, ground level, water, marking before the commencement of construction. The engineer also explained the drawing of the specific project and how to construct any structure from the drawing. He discussed the codal provision (reinforcement detailing, PCC etc.) for the design and construction of foundation. He discussed the excavation for foundation and the equipment used for it.
