FACULTY OF NURSING

Ref. No.: SGTU/FON/03/2023/62 Dated: 31.01.2023

Subject: Seeking approval for Faculty Development Programme on Innovative Nursing Research Designs: Enabling Quality Care and Education

Faculty Development Program (FDP) on **Innovative Nursing Research Designs** is designed to acquaint participants with innovative research and research-based teaching methods. The expert speakers will discuss the intricacies of research while identifying the gaps and suggesting reforms. The FDP is also an effort toward exploring different dimensions and paradigms of research. The modules intend to enhance the ability of the participants to undertake independent research in a planned manner, identify appropriate and significant literature review, design questionnaires, collect and analyze data, perform simulations, and assist them in writing research papers for good-quality journals and process of Patent Publication.

Objectives:

- To explore knowledge on advanced research methodology
- To inculcate Research Ethics
- To explore the concepts of innovative Research Designs
- To provide hands-on training on advanced search and referencing tools
- To enhance scientific writing skills including writing a proposal for funding agencies
- To explore the Concept of Intellectual Property

Dear Prof. (Dr). Latha Venkatesan,

Greetings from the Faculty of Nursing, SGT University

We are pleased to inform you that the Department of Continuing Education, Faculty of Nursing, Shree Guru Gobind Singh Tricentenary University (SGTU), Gurugram, is organizing **Faculty Development Programme (FDP)** on **"Innovative Nursing Research Designs: Enabling Quality Care and Education"** from **11th - 15th April 2023** at 09:00 am onwards in TV Studio, 3rd floor, Block B, SGT University.

Shree Guru Gobind Singh Tricentenary University, Gurugram, is one of the best private universities in the country. It serves the mission of providing opportunities for higher education and fostering a Research Culture in all sections of society. SGT University offers around more than 160 professional and general Education Programmes at undergraduate, postgraduate and Ph.D. level through its 18 faculties. The SGTU has received several awards including the Diamond rating from the QS-IGAUGE ranking. The University has Asia's one and only National Reference Simulation Centre for Nursing & Medical Sciences, established in association with INC, Jhpiego and Laerdal Medical India. Faculty of Nursing, a constituent of Shree Guru Gobind Singh Tricentenary University offers certificate, diploma, undergraduate, postgraduate and Ph.D. programmes. It aims to be a Centre for Innovation and Excellence in Nursing that helps dispense advanced and quality care all around the world. The faculty's efforts focus on promoting research to improve human health and develop nursing and midwifery professionals at the local, regional and international levels.

It gives us immense pleasure to invite you as a Guest Speaker for this FDP to speak about the topic **"Innovative Research Designs: Quantitative and Translational research"** on **12-4-2023** from **12-1:30 pm**. Your Expertise in this area will be of great value to our Participants.

The Programme schedule and the Brochure will be forwarded in due course.

Looking forward to meet you.

Regards

Your sincerely
