Good Morning Mam

Greetings for the Day

With reference to the subject mentioned above it is respectfully stated that the Faculty of Physiotherapy is planning for a **1 Day hands on workshop on Injection Techniques for Physiotherapists in collaboration with NRSC** for final year students of Bachelor of Physiotherapy on **10th June 2023, 9.30 am** onwards. There will be around 87 students . This will help students in gaining the critical skills and confidence in their abilities needed to handle today's challenges in health care experiences.

It is therefore requested to kindly confirm the date and time as per your convenience.

**Brief Profile of Expert:** *Dr. Anu Grover, Director NRSC*

**Organizers:** Faculty of Physiotherapy in association with NRSC and Faculty of Nursing

## **Report of the EVENT:**

The Faculty of Physiotherapy in collaboration with Faculty of Nursing organized a hands-on workshop on "Basics of Injection administration" on 10th June 2023 in Simulation Lab, SGT University. Students of BPT 8th semester actively participated in the workshop. They were taught about basics of cannulization and various types of injection administration i.e. Intramuscular, Subcutaneous, and Intravenous. All the demonstrations were done on life-like dummies of the simulation lab. Students were also taught about the importance of hygiene in hospital settings and proper disposal of hospital waste as well and how it is critical for patient care. Overall, it was a knowledgeable experience for all the students.
