Dear Sir,

The Faculty of Physiotherapy took permission to organize a workshop in association with IAP Haryana on 20th august 22 . Now 65 students have enrolled themselves for the workshop from various physiotherapy college just to represent the university it has been thought to give registration kits to the students(folder, Pen, Writing Pad) . Most of the students are BPT final year students and they can be prospective candidates for the MPT program in future.

Some of the students have also requested for the bus facility from huda city center, but our coordinators are just confirming the number of the students and feasibility to provide the Bus. if required the issue would be discussed with yourself and would be submitted for permission.

Permission may please be granted for the issue of registration kit .

Brief Profile of Expert: *Dr. Sanjiv K. Jha* (PT), president of Indian Association of Physiotherapy

Organizers: Association of Ortho Care and Rehab under the banner of Faculty of Physiotherapy in association with Indian Association of Physiotherapy.

Report of the EVENT: Association of Ortho Care and Rehab under the banner of Faculty of Physiotherapy conducted 1-day hands on workshop on Muscle Energy Technique on 20th August 2022 in association with Indian Association of Physiotherapy, Haryana as a part of pre-conference workshop of IAP Haryana Con 2022. The resource person of the day was Dr Sanjiv Jha (PT), president of Indian Association of Physiotherapy. The workshop was organized by Dr Priyanka Rishi (Associate Professor, FPHY) as she is Co-ordinator of IAPWC Gurugram and Pre- Conference coordinator. The workshop was inaugurated by Dr Sumer Singh, Advisor SGT University in the presence of Dean FPHY, Prof Ejaz Hussain, Dean - Allied Health Sciences and all the faculty members of FPHY were present there. The workshop initiated with the welcome note delivered by Dean, Fphy. The purpose of the workshop was to impart clinical skills to the students so that more of the skills can be acquired and applied clinically. Students learned new techniques of treatment and improved their existing way of approach towards musculoskeletal rehabilitation. A brief theoretical session was done at the beginning followed by thorough demonstration on students. They were also given ample amount of time practice and learn the implication of the technique. Huge registration from different colleges of Delhi and Haryana were observed for the workshop wherein 75 students from Jamia Millia, Manav Rachna, G.D Goenka, Gurugram University, Sharda University, MVN University, Banarsi Das Chandiwala College of Physiotherapy and many more participated and showed keen interest in learning of the skills taught in the workshop and requested for some more clinical workshops like this.
