

SGTU FEAT CE-
Dated: 10 December 2022

To

The DEAN
Faculty of Engineering and Technology
SGT University, Gurugram

Subject: Permission to organize an **Expert Talk on "Venturing into Entrepreneurship"** on **17 December 2022**.

Respected Sir,

On behalf of the Department of Civil Engineering, SGT University, we would like to request you permit us for organizing an **Expert Talk on "Venturing into Entrepreneurship"** on **17 December 2022**, via Online Mode, under the aegis of Torque Club, for the students of the Department of Civil Engineering, Faculty of Engineering & Technology, SGTU. This expert talk will familiarize the students with the concept, process, and perspective involved in setting up a start-up. Kindly consider the request and give valuable permission for the same. No financial commitments are involved in this session.

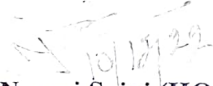

Date: 17 December 2022

Timing: 10.00-11.00 AM

Speaker: Mr. Parveen Kumar

With Best Regards

Dr. Aditya Kapoor (AP-CE)

Dr. Neeraj Saini (HOD CE)

DEAN (FEAT)

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC Approved University) GURGAON, Delhi-NCR

Department of Civil Engineering, FEAT

‘Venturing into Entrepreneurship’

Type of event: Alumni cum Expert Talk

Date: 20/12/2022

Time: 11:00 AM to 12:00 Noon

Venue: Online

(Google Meet: <https://meet.google.com/afz-kudi-ebr>)

Organizer:

Dr. Neeraj Saini, HOD & Assistant Professor, Department of Civil Engineering, FEAT.

Dr. Aditya Kapoor, Assistant Professor, Department of Civil Engineering, FEAT.

Objectives:

In the distant past, being employed in a state-run organization or an already set-up business were some of the only occupations that a fresh-graduate may join. However, in the modern era, entrepreneurship is a vital skill that a graduate must have in order to set up his own business. Incubators and venture-capitalists have fuelled the spirit of starting and running own business. Such practice inculcates the beneficial trait of autonomy and confidence and embarks them on the path of becoming CEOs of future business empires.

To familiarize the students with the much-needed background of entrepreneurship, the Department of Civil Engineering (FEAT) organized an alumni talk titled 'Venturing into Entrepreneurship' on 20th December 2022 at 11 AM in online mode (Google Meet). Mr. Praveen, an alumnus of the Department of civil engineering was the speaker of the event. He completed his M.Tech in transportation engineering in 2022. Few years back, he set up his own business that focusses on dissemination of LPG gas to community. Currently, his firm caters to around 1200 members.

In the session, he familiarized the student and faculty attendees with different dimensions and aspects of entrepreneurship such as motivation, problem faced during setting-up a business and solutions to these problems.

About the Speaker/Guest:

Mr. Praveen Kumar, an alumnus of the Department of civil engineering was the speaker at the event. He completed his M.Tech in transportation engineering in 2022. A few years back, he set up his own business that focusses on the dissemination of LPG gas to the community. Currently, his firm caters to around 1200 members.

Audience:

11 students and faculty members (enumerated at the end of this document) from the department of civil engineering participated in this hands-on workshop

Brief Report:

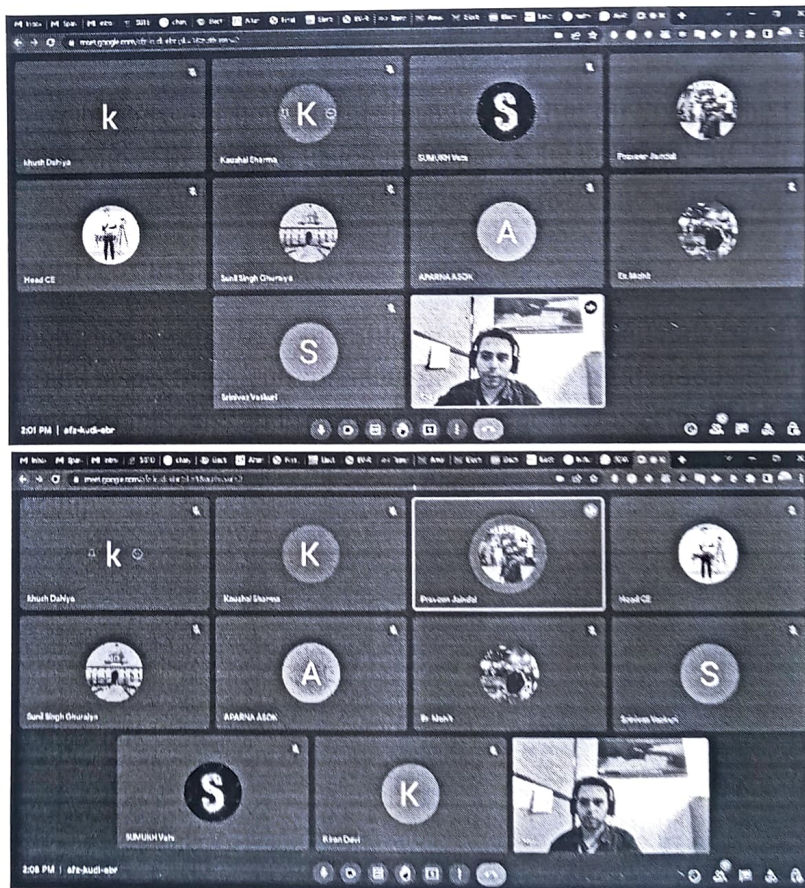

Entrepreneurship is a vital skill for 21st century graduates that facilitate them to set-up and run their own business, and these endeavors inculcates the spirit of autonomy and confidence in the future CEOs. With this viewpoint, **Department of Civil Engineering (FEAT) organized an alumni talk titled 'Venturing into Entrepreneurship' on 20th December 2022 at 11 AM in online mode (Google Meet).**

Firstly, he told the attendees how he embarked upon the journey of setting up the business he named RCPC Pvt. Ltd., named after his grandfather whom he considered as his ideal and motivating factor towards the aforementioned endeavor. Then, he explained how he started popularizing his business at events such as local community gatherings, and resultingly his business eventually grew to 1200 customers and around 10-15 customers join every month. He stated that the factor behind the success were elaborate planning, dedicated efforts and honesty. He

devoted approximately 3-4 hours to his business and in dire needs, he has devoted 21 hours to the cause. In the conclusionary remarks, he urged the attendees to not to judge the workers and colleagues, and treat them as per their caliber.

Learning Outcomes:

In the session, he familiarized the student and faculty attendees with different dimensions and aspects of entrepreneurship such as motivation, problem faced during setting-up a business and solutions to these problems. This session motivated the students to start their own business and embark upon the journey of entrepreneurship.
