## *Report of the Workshop:*

### **a) Introduction:**

The internship Fair was conducted on 30<sup>th</sup> June 2023 where different companies visited the Department of CSE, FEAT to counsel the students regarding the process and future prospects of an internship.

The students need to undergo an internship during the month of July and August 2023 for a period of 6 weeks. In this regard, this internship fair was conducted where different companies and training institutes including Allsoft Solutions (IBM), TCA, APPWARS Technologies, ShapeMySkills, and DUCAT visited the department. Students who are not able to get any internship arrangements are benefitted from this internship fair. Each company has been given a different stall where students interacted one-to-one. Students have taken inputs from all the companies visited and gained a lot of information. The event was successful and the faculty members and non-technical staff of the CSE department were actively involved in the organizing of this internship fair.

### **b) Objective of the Event :**

- To help students in getting good internship options.
- To aware students of the importance and future prospective of internship and how it is useful in getting placements.
