**Audience:**

The audience was post graduate students, graduates, interns, and faculty members from the Faculty of Dental Sciences, SGT University.

**Brief Report of the programme:**

Department of Prosthodontics, Faculty of Dental Sciences, SGT University organized a guest lecture in association with 32 pearls, an academic association constituted under the Department of Prosthodontics on 'Impression Materials and Innovative Impression Techniques in Maxillofacial Prosthetics'. Dr. Nafis Ahmed, Professor in the Department of Prosthodontics, Faculty of Dentistry, Jamia Millia Islamia was the guest speaker for the event. He gave a lecture on impression materials that are recently used in maxillofacial prosthesis fabrication, explained at length the steps followed for each material that is used and techniques to reduce the chair side time and get accurate results to ensure the fit and esthetics of the prosthesis for serve function and boost confidence of the patient.

Demonstration given for Impression Technique  
by Dr. Nafis Ahmed
