(UGC Approved University) GURGAON, Delhi-NCR

**Faculty of Engineering & Technology**

**Department of Civil Engineering**

**in association with**

**Department of Mechanical Engineering**

**Organized**

**Excursion Trip**

**“Heritage Transport Museum”**

**under the aegis of the Torque Club**

**Date: 05/04/2023**

**Time: 10:00 AM to 03:00 PM**

**Venue: Bilaspur, Haryana**

**Organizer:**

Dr. Neeraj Saini, HOD and Assistant Professor, Department of Civil Engineering, FEAT.

Mr. Dinesh Deshwal, HOD and Assistant Professor, Department of Mechanical Engineering, FEAT.

Dr. Sandeep Bansal, Assistant Professor, Department of Mechanical Engineering, FEAT.

Ms. Monika Deshwal, Assistant Professor, Department of Mechanical Engineering, FEAT.

Faculty of Engineering & Technology  
SGT University  
Gurgaon (Haryana)

### **About the Place and Objectives:**

Heritage Transport Museum is a fascinating destination for anyone interested in the history of transportation. The museum houses an impressive collection of vintage cars, motorcycles, bicycles, and even early modes of transportation, such as bullock carts and horse-drawn carriages. From the early 1900s to the present day, the exhibits offer a glimpse into the past, showcasing innovations and technological advancements. A visit to the museum will aware students of the evolutionary history of transportation in India. This will also develop a thought process in the students on how to make advancements in the transportation system in the current scenario, keeping a vision of history.

### **Resource Person:**

Ms. Ragini Bhat, Museum Researcher & Archivist at Heritage Transport Museum.

### **Accompanying Faculties:**

Dr. Neeraj Saini, HOD and Assistant Professor, Department of Civil Engineering, FEAT.

Dr. Sandeep Bansal, Assistant Professor, Department of Mechanical Engineering, FEAT.

### **Visitors:**

20 students from the Department of Civil and Mechanical Engineering, FEAT

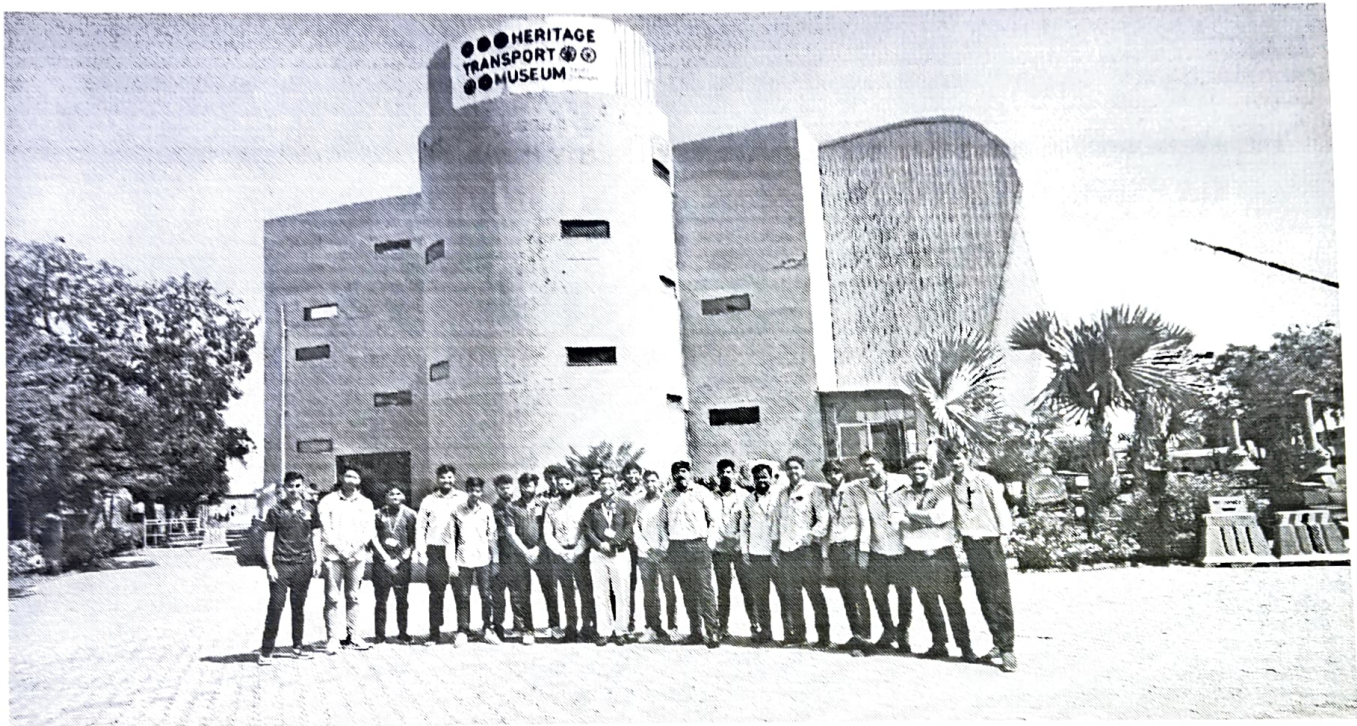

### **Brief Report:**

Heritage Transport Museum is a fascinating destination for anyone interested in the history of transportation. The museum houses an impressive collection of vintage cars, motorcycles, bicycles, and even early modes of transportation, such as bullock carts and horse-drawn carriages. From the early 1900s to the present day, the exhibits offer a glimpse into the past, showcasing innovations and technological advancements. Keeping this thought, the Department of Civil and Mechanical Engineering, FEAT, SGTU, collaboratively organized an **Excursion Trip** at **“Heritage Transport Museum”**, Bilaspur, under the aegis of **Torque Club** on **05 April 2023** for the students of the Department of Civil and Mechanical Engineering, of FEAT. Students learned about a variety of interactive exhibits, such as simulators. Also, hands-on displays allow students to experience what it was like to travel in different eras. Additionally, many informational panels and multimedia display show context and background information, making the museum an excellent educational resource for the students. Overall, a visit to the Heritage Transport Museum is an experience that is both entertaining and enlightening.

### **Learning Outcomes:**

Students learned about a variety of interactive exhibits, such as simulators. Also, hands-on displays allowed students to experience what it was like to travel in different eras. Additionally, many informational panels and multimedia display show context and background information, making the museum an excellent educational resource for the students. Overall, a visit to the Heritage Transport Museum is an experience that is both entertaining and enlightening.
