All is good in life

Everything is perfect but i would like to conduct classes on offline method because online method is not giving us proper knowledge. If possible so please conduct offline classes and the all the sllaybus should be revised after this online method

Ok ok ..average..need to focus on management.

Some of the teachers don't provide notes on time we just have to run after them to give the notes earlier when we had 3rd semester exam we did faced difficulties during our Housekeeping exam as we were not given notes for the same and were told to issue book from the library and prepare the topics . Well other things are quite good practical and theory classes goes well and we get to learn many things in practical classes.

you also should make different section for those students who really want to study
