Some changes can be done for us
Teachers are excellent and clear all types of doubts of students
The books of different author should be provided in the library, teachers should make the class interesting, more teachers should be available for the full coverage of syllabus. Test should be taken time to time.. kindly see to these problems.. but overall the faculty is cooperative and doing their best. 😊
The points which i have gave 1 point has never done in the class because classes are running online and my suggestions are to please reopen the college as soon as possible because i dont know about others but for me it is difficult to study in online classes because i cant give so much attention during online class so please start the physical classes as soon as possible
Till now! I am satisfied with the course and teachers.
