6th semester final exam conduct online as objective type...
All good
All is good
Cafeteria where gluten free food is available
Everything is good.
Everything is perfect and fine
Exam should be held in subjective type pattern
Excellent
Facing various technical issues. Having some personal issues also during online classes. Online classes loose my interest, felt boring, and didn't understand concepts.
I think University should wait till the situation get normal. It's better to take a break rather than broke with time.
Final exams should be in online mode with objective questions
First sem exams must be taken first.

Good initiative taken

I know this form won't be considered as true judgement and i am sure that the management authorities won't even consider this. Still for my satisfaction, i need to tell you that all information provided by me is true to all my senses. It would be grateful if you consider this and I hope that the management authorities will take a look upon the point of interest.
