

FACULTY OF EDUCATION

FEEDBACK ANALYSIS 2020-21

Action Taken Report

After due discussion on students' structured feedback analysis, the finalized actionable points are summarized below:

S. No.	Actionable Point	Remarks
1.	Practicals/ Labs are given equal importance	University will take appropriate measures to give equal weightage for practical/ labs to facilitate learning effectively.
2.	The practicals/lab experiments enhanced understanding of concepts of theory	The concerned faculty will be encouraged to conduct practical/ lab experiments in a manner to promote and enhance learning of concepts of theory.
3.	Course content enhances technical skills to face the industry	Course content will be knitted with focus on the needs of the industry through framing appropriate sub-committees within the Academic section
4.	The course content stimulated your interest in the subject area	Appropriate measures such as group discussions, flip model, implementing technology, experimenting, enlightening about relevance of course content in practice, etc. will be implemented to increase interest in the subject area through the course content delivered.
5.	Adequate reference books are available in Library	Corresponding committee will be informed to collect suggestions and list of books and journals other than the existing process and framework. The suggestions will be gathered from faculty and students of various programs.
6.	Tests and examinations are conducted well within time	Tests and examinations are conducted as per the norms and regulations at appropriate intervals to perform evaluation and assess attainment of outcomes. More number of assessments at various levels integrating technology will be encouraged to be implemented in future.
7.	Completion of syllabus	Considering the content and preparing teaching plan in advance and executing the same with timely evaluation will be undertaken to assist in completion of syllabus.
