

FACULTY OF NURSING

FEEDBACK ANALYSIS 2021-22

Action Taken Report

After due discussion on students' structured feedback analysis, the finalized actionable points are summarized below:

S. No.	Actionable Point	Remarks
1.	Practicals/ Labs are given equal importance	Proper measures will be taken to increase importance of practical/ labs along with theory classes.
2.	The practicals/lab experiments enhanced understanding of concepts of theory	Blended learning, appropriate placing of practical/ labs along with theory classes and other measures will be taken to enhance the understanding of concepts of theory.
3.	Adequate reference books are available in Library/ Online material	Appropriate measures will be taken to update the library resources for smooth teaching and learning.
4.	Syllabus completion/ Contents	Amount of content delivered will be fixed for the courses conducted to avoid any delay in completion.
5.	MCQ pattern should be brought back	A portion of the assessment shall include MCQs as per guidelines
6.	Teacher support for learning	Appropriate steps will be taken to yield confidence in students.
