

**FACULTY OF PHYSIOTHERAPY**

**FEEDBACK ANALYSIS 2021-22**

**Action Taken Report**

After due discussion on students' structured feedback analysis, the finalized actionable points are summarized below:

S. No.	Actionable Point	Remarks
1.	Practicals/ Labs are given equal importance	Practical/ labs will be further strengthened through activity based training and or involving students or experiential learning through innovating and implementing effective pedagogy based on student needs.
2.	The practicals/lab experiments enhanced understanding of concepts of theory	Practical/ labs will be further strengthened through activity based training and or involving students or experiential learning through innovating and implementing effective pedagogy based on student needs.
3.	Teaching ability/ Overall environment/ Teaching methods/ Teacher responsiveness	Proper training will be facilitated and encouraged for overall growth of the faculties.
4.	MCQ pattern should be brought back	Needed measures will be taken to implement the MCQ pattern of question in assessments.
5.	Examination	Examination system will be improved and prior notification of dates will be announced though the system exists.
6.	Covering syllabus	Appropriate steps will be taken to ensure covering the allotted syllabus.
