Evaluation is yet to be judged as semester exams are not yet conducted !

Everything is fine... But little improvement will make it perfect.

1: give a schedule that this Unit/ chapter should be completed at this part of week, month, year etc

2: syllabus should not be covered in way that you have to study it but in the way that "" These type of question will be asked in your career and this is helpful to you, means career oriented , that a future Manager should know these things""

3 : Give date sheets of exam at time means """" 2 week before exam"""". I study regularly but some time you dont study and you suddenly say day after tomorrow is your exam . I am capable of scoring full marks... Help me to do that.

4 : Trip is very much needed... Kindly help us ðŸ˜¸, ðŸ˜¸, ðŸ˜¸, ðŸ˜¸,

Everything is fine

Everything is good

Everything is ok but University should more focus on give practical knowledge to students toward their profession.

Examination department is unresponsive of the student & faculties queries & concern.

Exams must be conducted in the month of March for a better learning and also for a good and slow completion of syllabus

Fantastic â ĳi,

FCAM needs to work on some faculties who have a small ego and does not have a teaching attitude. I felt a lack of connection with so many faculties here on the flip side some were diamonds.

MBA program must contain more industrial visits and Hand on training, also the admission criteria should not be piece of cake for assholes, the don't study and spoils placement record also make other people not study

Good

Great university

Management is poor

Management slow.

MCQ should be included in examination and practical should be given more enhancement rather than assignments

Need improvement in ERP system and fee submission, fee submission is extremely difficult to understand and not able to see the exact due at ERP system also every time of fee payment every student have to verify the payment by getting print of fee slip from account department

SGT UNIVERSITY IS GOOD FOR EDUCATION

SGT's faculty is always best we dont want to give our suggestions

Our teachers is best and college is also best.

Some faculty don't provide adequate notes in the required time and abuse us if we ask them continuously.

The management in our campus I found was lagging. Management is poor.

The management is very poor

Ik kam ko krne ke lie itna time lagate h

Kabhi bhi exams lene lg jate h covid me bhi hmee clg bulaya or exams conduct kie baki university me online exam hue the
