Suggestions Received from the Students

Suggestion
I want attendance of students to be taken strictly and newspaper in law department library as well as co-curricular activities more and more ,jail visits and practical exposer of law field ,academics should be taken seriously to encourage meritorious students and scholarship scheme should be rightly applied on time . Sports teams should be made and well student body in taking decisions should be there to enhance leadership skills and library should be improved with proper effective wifi and computers of latest technology. Gud
I think itâ€™s good for studs
I would like to give the following suggestions that should be looked and worked upon in my opinion, which will be beneficial for the students: 1. Remote Access to more reference material supporting platforms like SCC Online or Manupatra; 2. One weekly webinar or seminar must be added with both legal academicians & legal professionals related to our legal fraternity like Judges, Lawyers and others. These two will be helpful for the students to meet the competition and equip students better on practical or technical aspects of the legal field.
I'm first year student and I'm not satisfied with the university after semester exam i will leave sgt
It would provide a scope for improvement in future if students get to know their external marks.
Kindly add on few more books, magazines, newspaper in library. With same some more interactive session between faculty and students. Frequent visit to nearby district courts for more exposure.
Kindly make arrangement of newspaper and books other than our pocket books in the library.
More practical exposure Internship opportunities at nice firms More reading material
Need more improvement in studies like smart classes and self confidential activities
Newspapers needed to be provided in the library along with other available resources

Over all everything is good here.

Over all its good we learn so many things through moot court or workshops,etc.

Overall everything is excellent.

Overall good!!

Overall it is good.

Overall learning experience is okay but somewhere lacking in practical and industrial oriented also if extra magazine or newspaper related to our field recent judgement ,cases, current affairs which can help us to prepare for different exams and also more presentation , interactive sessions would definitely boost our knowledge and confidence ,and also one more important thing is scholarship scheme in our faculty which is ironed over the time .. students were told that they will get scholarship further on their academic performance on semester basic but no one got that till now . I highly recommend to the faculty members please do not make fake promises we also work hard to fullfill that need but if we do not get any appraiser it leads us to lessen our excitement .

poor grade overall

Quite well

Some practical knowledge should be there

Students should have weekly communication classes with the vc or the other higher authorities to discuss their problems

Suggestion is that more and more study material should be given by college .

Syllabus of some subjects wasn't completed before examination which created problems to the whole class.

Teachers should provides the study martial also on time.

The examination and evolution pattern of the university should provide optional choice questions also.

The Faculty of Law needs improvement

The pressure of attendence should be negative because there are students who believe in self first and fot that time is needed

The previous pattern of exam was much better in which there were 30 MCQ

There is a need for improvement

University can prepare you for a specific career path, so, this is the best University for achieving our goal.

University environment is very bad ...Lots of atrocities act happens in class on daily basis & some teachers take it so easy...Apart from that lots of teachers are good & they help us to groom.Still, some criteria of admission into law courses must be change so that the children got admission atleast have the manners & represent themselves as a good educated person.

We requested you to arrange more books of our course in context to our syllabus.

Thank you!

We want MCQ types questions in our exams
