

FACULTY OF AGRICULTURAL SCIENCES

TEACHER'S FEEDBACK ANALYSIS 2021-22

ACTION TAKEN REPORT

After due discussion on Teacher's structured feedback analysis, the finalized actionable points are summarized below:

S. No.	Actionable Point	Remarks
1.	Employability is given weightage in curriculum design and development	Curriculum design will be moulded as per the needs and demand of the society focussing on employability and creating solutions for present and future.
2.	The curriculum is updated time to time	Guidelines for framing curriculum will be prepared for appropriate and timely curriculum revisions as per need once in five years or as per need.
3.	Freedom to propose, suggest, modify topics in syllabus/ course content Freedom to innovate and adopt new teaching strategies/methods Freedom to design strategies/techniques for formative assessment	Improved pedagogies will be incorporated for understanding the perceptions and proposing, suggesting and modifying the syllabus or course content, new teaching methods, assessments through a systematic process including the stake holders.
4.	Adequate number of reference books are available in Library	Periodic suggestions from every faculty will be taken to acquire the list of reference books apart from the routine system to ensure the availability of reference books.
5.	Level of satisfaction with the inclusion of Objective type questions in examinations	Appropriate steps will be adopted to ensure the rational inclusion of Objective type questions in examination along with assessment along with the existing framework.
6.	Rate your level of satisfaction with the examination and evaluation pattern of the University	The areas where improvement is required will be analysed and appropriate steps will be taken to improve the pattern of evaluation and conducting examination apart from the existing system of assessment.
