

### Message from The Chairman

The BDS Course run by the SGT Dental College has since been recognised by the Govt. of India. No doubt this is a matter of great satisfaction and the right reward

of the hard work done by the Management, teaching staff and students of the college during the past years. I congratulate each and every member of the larger family attached with the institute. It is the collective result of the sweat, toil and best of the efforts made by all the functionaries right from the attendents up to the managing trustees and I sincerely thank them all.

I am of the strong view that the outcome of all our achievements in the field of medicine and medicals must be put to use in the service of the suffering humanity. All the knowledge and the invention of magic drugs is of no use unless they reach to the poorest of the poor. It has been quite satisfying for me, to hear from the local people in general that the doctors of the dental college and of the hospital are going out to the villages all around, holding camps and providing medical services to the poor and needy at their door steps. We are trying to increase the infrastructural support to the best of our ability and capacity so that the benefits of the latest advancement of medical science can reach the remote villages of Haryana through our FREE HEALTH CAMPS organised at regular intervals.

Besides the villages, the Dental College and Hospital has done a remarkable work by adopting various institutions like blind schools, orphanages and old age homes for providing free medical check up and treatment. The adoption of the residents of these homes is another appreciable step in this direction.

I wish to congratulate you for the recognition accorded by the Govt. of India to your institution and wish you the best for the coming years.

**Ram Bahadur Rai**

### From the Principal's Desk

After years of sweat, toil and hard work our institution was accorded recognition for the BDS course by the Ministry of Health and Family

Welfare. The occasion was joyous and the news was received with great happiness.

It is quite satisfying to note that the building as well as the infrastructural support is also not lagging behind. The new hospital and new hostel facilities are coming up quite well. The construction activities in the campus are going as per schedule. The preparations of starting postgraduate courses is in progress. In near future we are going to have many more facilities for the students and staff in the college campus.

The Chairman of our trust Shri Ram Bahadur Rai has always shown his great concern for the social aspect of the health services and his ideas have been a big motivating force in our activities. There has been a significant increase in visits of the doctors of the Dental and General Hospital to neighboring villages to carry out community service. This has been further facilitated by the additions of new community vans/vehicles in our existing fleet. The CDE programmes were very well received by Faculty, students and many dental surgeon from Gurgaon.

I congratulate the students for brilliant performance and for obtaining good overall ranking in the university exams. My congratulations to the faculty members for helping to carry on the tradition.

It is indeed satisfying to see that we are taking strides in the right direction to fulfill our goal of achieving excellence in academics and research as well as serving mankind.

I wish everyone Merry Christmas and a very HAPPY NEW YEAR!

**Dr. M.S. Sidhu**

## From the Editor

2007 has gone by. A period which was highly significant in the history of our college as we finally got the Central Govt's recognition for our B.D.S. Course. The efforts of the entire team of SGT Dental College as well as the management bore fruit as we touched this significant milestone.

This year has seen quite a few CDE programmes by eminent academicians and clinicians from India and abroad like Dr. Jeffery Chang, Dr. B.S. Sandhu, Col. Dr. R.K. Dhiman, Dr. Manish Bhola and Dr. Shilpa visited our college and enlightened the students about clinical techniques.

We also had our Annual Sports meet in March. The prize distribution function was well covered by the media and the students enjoyed the company of prominent sports dignitaries like Mr. Ashok DhayanChand. Outside of our college too, the students bagged rankings in various activities in All India students Conference in Amritsar and AIIMS festival of Pulse.

The fresh batch was given a warm welcome on Nov 6<sup>th</sup> and the outgoing batch was bid an emotional adieu on Nov 30<sup>th</sup>.

I wish them all the best and hope that our first batch will enhance the image of our college and uphold the highest values of this noble profession. They will serve the humanity with dedication and compassion and will always place "service before self".

**Dr. Sharn Sandhu**

## मत-सम्मत

दिनांक : 27.11.2007

मैं काफी समय से गुरु गोविन्द सिंह डेंटल कॉलेज एवं हस्पताल के सम्पर्क में हूँ। इस हस्पताल के द्वारा हमारे इलाके में गरीब जनता की जो स्वास्थ्य की सेवाएँ प्रदान की जा रही हैं, वह अपने आपमें एक बहुत ही सराहनीय कार्य है। हमारे गाँव का सबसे नजदीकी स्वास्थ्य केन्द्र यह हस्पताल है। इमर्जेंसी में किसी भी वक्त इस हस्पताल की सुविधाओं से हमें बड़ा सन्तोष मिलता है। हम भाग्यशाली हैं कि हमारे क्षेत्र में इतना अत्याधुनिक स्वास्थ्य केन्द्र मौजूद है। हमारे तमाम ग्रामवासी यहाँ की सेवाओं का वर्षों से भरपूर लाभ उठा रहे हैं। मेरी कामना है कि यह संस्था लगातार प्रगति करती रहे। हमारी दुआएँ इस संस्था के साथ सदैव रहेंगी।

राजकरण (सरपंच ग्राम पंचायत सुल्तानपुर, गुड़गाँव)

दिनांक 29.11.2007

चेयरमैन महोदय, एस.जी.टी. डेंटल कॉलेज के द्वारा जो स्वास्थ्य सेवाएँ हम लोगों को मुहैया कराई जा रही हैं, उसके लिए हम आपके आभारी हैं। मेरा गाँव (पटौधा) 2000 घरों का पुराना गाँव है, हमारे यहाँ कोई बेहतर हस्पताल न होने से हमें या तो रोहतक जाना पड़ता है, या गुड़गाँव। जहाँ पर महँगे इलाज होते हैं, बात सिर्फ महँगे इलाज की ही नहीं बहुत डॉक्टर वीमारी नहीं होने पर भी गाँव के अनपढ़ लोगों को वीमार वताकर ऑपरेशन कर पैसे ँठ लेते हैं किन्तु वही मरीज जब आपके यहाँ जाता है तो वीमारी की डायग्नोसिस होने पर ही ऑपरेशन करते हैं नहीं तो सामान्य दवाओं से ही छोटी-मोटी वीमारियाँ ठीक कर देते हैं। हम प्रवन्ध कमेटी को धन्यवाद देना चाहते हैं कि हम भोली-भाली जनता को बड़े निजी हस्पतालों के चंगुल में फँसने से एवं गुमराह करने वाले स्थानीय झोला-छाप डॉक्टरों से निजात दिलाई है। हम इसके लिए आपका हृदय से धन्यवाद करना चाहते हैं तथा हमसे जो भी हो सकेगा, हम सहयोग के लिए सदैव तत्पर रहेंगे। ईश्वर आपको शक्ति दे कि आप इस काम का और विस्तार करें।

हेमन्त (सरपंच ग्राम पंचायत, पटौधा)

दिनांक : 15.10.2007

मान्यवर प्रधानाचार्य आपके कॉलेज के डॉक्टर झञ्जर और गुड़गाँव के गाँव-गाँव में अपनी सेवाएँ दे रहे हैं। मैं समझता था कि इनका उद्देश्य व्यावसायिक है किन्तु जब खुद त्रिपड़ी गाँव में ग्रामीणों की गलतफहमियों को दूर कर उनमें आत्मविश्वास जगाया तो मेरी धारणा बदल गई। मुझे लगा कि यदि यह कार्य हम अपनी संस्था के द्वारा करते तो शायद हमें सफलता नहीं मिलती किन्तु आपके कुशल डॉक्टरों ने बड़ी समझदारी से हालात में परिवर्तन ला दिया। हमारा धन्यवाद स्वीकार करें।

संधीर सिंह (आनन्द मार्गी, झञ्जर)

## News From General Hospital

The new building of the general Hospital has come up well and the hospital has been shifted to this new accomodation which is not only spacious but has also got a systematic layout, providing more convinience and comfort to the patients and attendents.

The Central Waiting Hall with poly-clinics all around, not only looks aesthetic but immensely patient friendly.

The latest and sophisticated infrastructure and equipment as well as quality investigation facilities are available in the laboratory and Radiology deptt. of the Hospital, bringing it at par

with other Medical Colleges, Hospitals of Delhi, N.C.R. and near-by areas.

Dr. M.S. Khatri (M.S.), Former.HOD-PGIMS is the Medical suprintendent of the Hospital and controlling all the activities of the Hospital. His team comprises of Eye-Specialist - Dr. Neeraj Sharma, Medical specialist - Dr. Anoop Chhabra, ENT Specialist Dr. Sumit Kamra, Anaesthetist Dr. Seema Kamal, Gynae Specialist

Principal with his medical team in the new building

Dr. Nishtha Gupta, Paediatrics Specialist Dr. Indra Mathur, Pathologist Dr. Deepali Verma, Radiologist Dr. Vivek Sharma and Dr. R.C. Panda, Hospital administrator etc.

## Interesting Cases by General/Oral Surgery Department

### 1. Ovarian Cyst

A 55-year-old female was complaining of pain in R lower abdomen with swelling in the area. Patient was investigated and was found to be having R ovarian tumor. She was admitted and surgery done and 10 cm tumor from ovary was removed. After a comfortable and uneventful stay in the hospital, she is now comfortable recovering at her home.

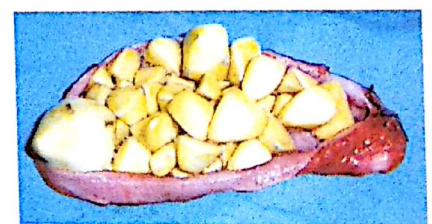

ovarian cyst during removal

Operation under progress

### 2. Gall Blader Stone

A 30-year-old female reported with history of abdominal pain lasting for one week. Her investigations showed stones in gall bladder. She was operated and her gall bladder was removed which had around 40 stones.

Stones collected from gall bladder

The patient was discharged from hospital after one week and now she is living a healthy and comfortable life.

### 3. Multiple Keratocyst

An interesting case of multiple keratocyst in the mandible was treated in the deptt. of Oral and Maxillofacial Surgery under L.A.

A 28-year-old female reported with pain in mandible. On radiological examination, she was found to have multiple keratocyst.

After removal of the lesions, marsuplization was done. The healing was uneventful.

After removal of multiple keratocyst

## Community Health Services

Team of our Dental Doctors in a camp

For any rural health delivery system to function efficiently, the Department of Community Medicine and Dentistry needs to play a pivotal role. Community Medicine and Dentistry of our college has a perfect blend of medical and dental team. The PCO department aims to spread awareness and educate about oral and dental health and help the general public to understand and diagnose their ailments and treat them.

Department of Community Health of our institute has been routinely organizing community camps in coordination with our medical team in the neighboring villages within the radius of 35 km. of

Patients attending for their number in the camp

our college, to cater to primary health care needs of rural and sub-urban people. It also works in collaboration with other govt. and non-government organizations in providing health care services by sending our dental and medical teams.

In last six months, 36 camps in different villages have been organized till date and a huge number of patients (medical and dental) were examined (about more than 5000.) Major camps were held in

Arjun Nagar, Bhavani Enclave, Dadri Tox, Gadhni Harsru, Manesar, Tikri, Palra, Hassanpur, Badshahpur, Noorpur, Patrodha and many other villages. In these camps many dignitaries from different social sectors have graced the occasions and appreciated our effort.

These community camps provide free dental and medical check up and emergency treatment to the general public. Another important aspect of such community camps includes educating and creating greater awareness amongst the villagers about their dental and medical health. Besides this, the focus is on women and child related problems.

Registration of patients in a camp

As we all know, "Prevention is better than cure" which is the golden rule for maintaining good oral health. Undoubtedly, one can say that the college strives to improve the oral health of all age groups in the surrounding villages and schools and is continuing in this endeavor.

A Physician advising patient in a camp

## School Health Programme

Our PCD department in coordination with other dental departments also runs various school-health programmes. Dental health care needs of school children are fulfilled through such programmes. The college has taken the responsibility of the oral health of children as well as the staff members of the schools. In last six months, camps were conducted in the following Schools :

Mata Sarashwati Public School Gurgaon, Govt. Sr.Sec. School Dhankot, Mata Saraswati Public School Badsa, Govt High School Musedpur, Govt School Dhanwapur, Tagore Niketan School Dhankot, Saini Public School Farukh Nagar, Basant Public School Sondhi, Basant Valley Public School Garhihasru, Tagore Niketan

School Badsa, Govt School Garhi Hasru, I.P.S School Ravi Nagar Gurgaon. A total of 920 children were examined.

Dental checkup in a School

**Major Camps** were held in last six months in the following areas:

Manesar, Bhavani Enclave (Gurgaon), Kherka, Garhi, Mazri, Munda Khera, Ravi Nagar (Gurgaon), Krishna Nagar (Gurgaon), Devi Lal Colony (Gurgaon), Basai, Kadipur, Ravi Nagar (Gurgaon) Rajeev Nagar (Gurgaon), Jacobpura,

Basunda, Lokri, Birhera, Mumtajpur, Jarau mazri, Joddi, Dadri Toe, Sultanpur, Bahadurpur, Chutanni, Musedpur, Buddhera, Arjun Nagar, Kharman, Evergreen Garden, (Fajeelpur). More than 3000 patients were seen in these camps.

## Social Meet With Sarpanches

With the initiative of Dr. Vasudha of PCD Department and Mr. Ashok Kumar from the administration, a visit of the sarpanches of surrounding villages visited SGT Dental College and Hospital on 28.04.2007. The idea behind the event was to enlighten the villagers about the excellent medical and dental treatment facilities available at SGT Dental College and Hospital and the importance of availing the same.

A total of 57 sarpanches of surrounding villages were invited, out of which 32 sarpanches attended along with other representative members of the villages.

The Visitors were shown different wings of the College and its Hospital by interns of PCD department Manisha Wats, Sumita, Sachin and Deepika. The visitors evinced keen interest in the services available there and raised some queries, which were replied by Dr. Khatri, Dr. Sanjay Nijhawan.

Dr. Khatri with sarpanches in a discussion

Dr. Vasuda educating media about oral health

## Media Visited College

Local media form Gurgaon visited our college and Hospital on 10th August 07. They saw all the infrastructure and facilities of our hospital. They were made aware about general health by our doctors. They were addressed by our Chairman Shri Rambahadur Rai and Vice Principal Brig. Sapru. They appreciated the efforts of the college management.

## Sports Meet

Annual Sports Meet was opened by the Principal by releasing a pigeon on March 22nd. The teams took the oath and competed in both outdoor and indoor games. Competitions were held in Volleyball, Football, Cricket, Table Tennis, Carrom and Chess for boys and Throw ball, Khokho, TT, Carrom and Chess for girls and Rangoli, face painting and collage for both. Overall winners in this meet were BDS final year.

Prize distribution function was held in the campus on 24th of March. Mr. Vijay Dahiya, coach of DCT, zonal cricket, Mr. Suresh Chopra VP of Delhi Cricket

## Fresher's Welcome

Rohit bags Mr. Fresher title

The new batch of B.D.S First year was welcomed with a Fresher's Function on 6th November. The Freshers presented folk and western group dances and also individually introduced themselves to the gathering. The second year also gave a couple of enticing performances on

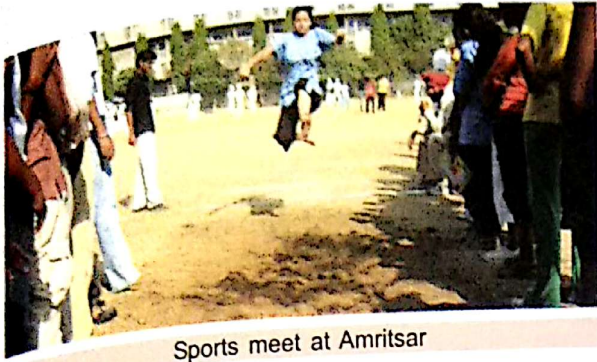

some foot tapping numbers. Harleen and Rohit were adjudged as Ms. and Mr. Fresher respectively and

were awarded by our trustees Mrs. and Mr. Chawla. The party preparations were ably supervised by Dr. Bharti, Dr. Renu, Dr. Firdous and Dr. Puneet.

## Students bring laurels to College

Sports meet at Amritsar

An All India Dental Students Conference was organized in the first week of November by Government Dental College, Amritsar under the aegis of IDA (Punjab) in which more than 50 colleges participated and above 2500 students attended.

The college won various prizes.

Bhanushree (3rd year) was second in 100 mts.

Vishesh (3rd year) was second in 200 mts.

Aman Raha (3rd year) was second in Javelin and third in shortput. Sarvpriya Sangwan won 2nd position in solo dance competition.

Mahima (Intern) presented a paper on "Innovation and advancement in Maxillo Facial prosthesis"

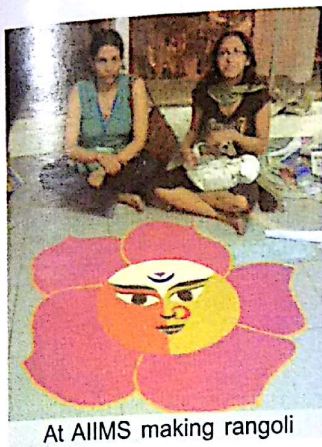

Radhika Rai (Intern) got a special cash prize from the chief Guest, the state Transport Minister, Mr. Madan Mohan Lal for giving an impressive impromptu speech on 'Patriotism'.

Our Principal also announced cash prizes of Rs. 2500/- to all the prize winners in the above competition. The group was accompanied and guided by Dr. Manish Bhargava.

Our team playing a match

## Participation in 'Pulse' 07 at AIIMS

At AIIMS making rangoli

The college participated for the first time in XXXV South Asian Cultural, Literary and Sports Festival, Pulse 2007 at AIIMS, New Delhi.

The festival was attended by more than 7000 Students of Medical and Dental Colleges of All over India and other neighbouring South Asian Countries.

Our interns participated with full enthusiasm and bagged prizes in fine arts and Sports.

In Fine Arts, Sumita Bhattacharya and Manisha Watts won 2nd Prize in Clay Modelling and 4th Position in Rangoli making. Mamta Solanki bagged 4th position in Mehendi competition.

In Sports, Mahima Dua won third prize in both Table Tennis and Chess, Prabhat Saxena won Second Prize in Billiards, Tanuj won third prize in Badminton.

## Interns Trip

A 3 days trip to Nanital for the batch of interns was organized by the students with the kind consent of the Principal.

The interns along with Dr. Ravi Batra and his family went to Nanital on the night of 23rd August.

Interns also had lots of fun boating in Nanital and sightseeing at Naukuchiatal and Bhimtal.

## Our Journey through SGT Dental College

Manisha Watts

I joined the BDS course in SGT Dental College in the year 2003 which also happens to be the year when this college was born. Established at an ideal location near the village of Chandu and Budhera, it reminds one of the period when Gurukul System of Education was in vogue. When established, it had skeletal facilities for the inmates, but now it bristles with activity. It has modern class rooms, qualified faculty, state-of-the-art labs and library, besides General hospital, to serve the surrounding

population. The students study at their own pace and experience studying in a natural and rural environment, where India actually lives. During my stay in the college, I have seen the vision of our revered chairman taking a concrete shape, brick by brick, with the efforts of our worthy Principal, an able administrator as well, developing skilled manpower for the country's health-care needs, set to become one of the leading institutions of its kind in the country.

I feel more responsible, mature, and eager to do my best as a doctor, who will influence the lives of the patients.

**MANISHA WATTS**

Batch (2002-03) SGT Dental College

## When We Look Back

It has been a matter of great pleasure and pride to be the founding batch of this premier institute SGT DC. When we look back to the day when we first arrived in 2003 and compare it with the present it has seen a complete turn over. Watching it emerge from its roots to its mighty height, witnessing its ups and downs as well. The saying goes "that only those who are strong, stand up against all odds to fight back and SUCCEED in the end."

Under the honourable guidance of our Principal Dr. M.S. Sidhu and continuous support from the Managing Trustee Mr. M.S. Chawla, I feel blessed to have been a part of the institute, having seen a regular in-flow of visiting qualified and dignified faculty members, has proven to be a boon to this college. Every student cherishes the facilities provided to them. A clean environment coupled with lush green surroundings has added to our mental growth and helped us regain a solid footing to step out into the world of reality. Wishing SGT college the very best from our hearts and a big thank you for tolerating our misconduct. We still realize our weak points and will strive harder to become winners all the way.

**SUMITA BHATTACHARYA** Intern Batch (2002-03) SGT Dental College

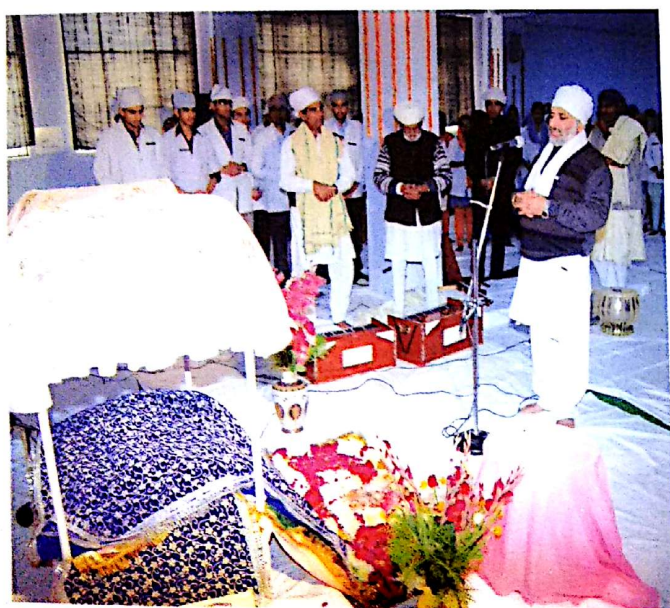

Sumita Bhattacharya

## Wish You All Well !!

It was a great occasion to bid farewell and see the first batch of the students, who had joined SGTDC college only a few years back, leaving the institution as Dentists. The whole campus atmosphere was visited with enthusiasm and emotions, both on the part of the management as well as the faculty members. It was because of these reasons that the auspicious Birthday of Guru Nanak was chosen to celebrate this occasion.

A Soul-Stirring recitation of bani was performed by Bhai Gulam Mohammad Chand from Lahore

Bhai Gulam Mohammad Chand (Lahore Wale) with his team during Ardas

An outgoing student being blessed by the principal

along with his team. He prayed for the better future of the outgoing batch and enlightened the students about the power of prayer.

Finally they were bid an emotional adieu on 30th Nov. The Principal traced the history of the college, also sharing the tough and stressful periods which were finally overcome with dedicated efforts of the whole team.

On behalf of the outgoing batch, Ms. Radhika Rai, thanked the faculty for all their help and also shared their experiences during their stay in the college. They shared their feeling of despair when the college was passing through a tough period but they

## Wish You All Well !!

.....continued to have faith in the college management and faculty who were finally able to tackle all odds and ensured that they finally graduated as per schedule.

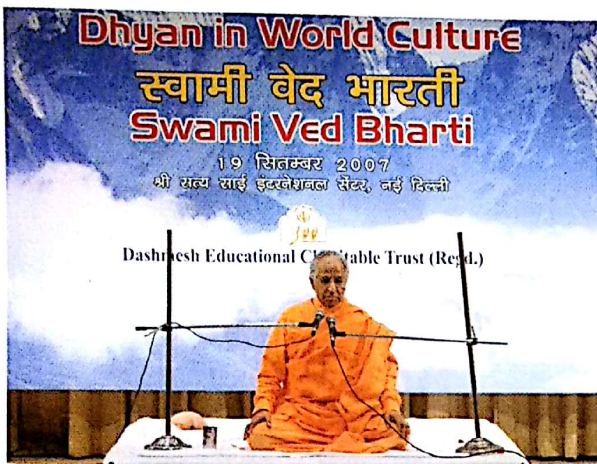

The Principal shared his feeling of pride being at the helm of affairs when the first batch of the college is passing out. The Principal, in his address

Seeing off the first batch interns

emphasised to the passing Interns to be responsible practitioners of Dentistry to serve the humanity, to practice good conduct in their professional life and act as ambassadors of this esteemed institution. He also declared the proposal of an Alumni association to strengthen the bond between the college and the ex-students. He also informed that college will be willing to provide help and guidance for future building of their career i.e. higher education and clinical practice information etc. This announcement was received with a loud applause.

## Lecture on Universal Effect of Meditation

Swami Ved Bharti addressing the gathering

Dasmesh Educational Charitable trust organised a lecture by Honourable Swami Ved Bharati on "Dhyan in World Culture", at Sri Satya Sai International Centre, Lodhi Road, New Delhi on 19 September 07.

Honoured with D.Lit and Member of United Nation religious leaders council - Swami Ved Bharati hypnotised the audience present - with day-to-day technique of meditation. During his lecture, Swami Ved Bharati threw light on his efforts towards, world peace and Cultural unity through techniques of meditation in different religious cultures.

Due to his eminent contribution towards this noble cause, when UNO felt the need of a person for International peace and unity, they considered Swami Ved Bharati as one of its ambassador. This lecture was attended and well appreciated by many prominent personalities of the society.

On behalf of DECT, Chairman Sh. Ram Bahadur Rai and Managing Trustee Sh. Manmohan Singh Chawla welcomed Swami Ved Bharati and Principal Dr. M.S, Sidhu offered thanks to great preacher of peace.

Audience in Meditation

# Continuing Dental Education Programmes

Dentistry is an ever advancing and progressing field and in order to keep its students, staff and interns upgraded with the latest trends and techniques in the profession, the institution has always stepped forward to arrange various Dental Education Programmes encompassing lectures, conferences and Hands On Workshops by renowned specialists from various parts of the world.

## Various Programmes At a Glance

1. Keeping pace with the advanced

Hands on demonstration by Dr. Jeffrey Chang

Lecture by Dr. B.S. Sandhu

2. A very 'New and Advanced Technique' in composites was also taught by none other than the man himself, who pioneered the same. Dr. B.S. Sandhu spoke on his technique 'Enamel Repositioning', a landmark in aesthetic dentistry.

techniques in Endodontics, the Deptt. Of Conservative Dentistry and Endodontics invited Dr. Jeffrey Chang from the University of Hongkong to give a lecture and Hands - On on 'The Pro-Taper (Endodontics Simplified)' and also give a 'Hands-On' demonstration to the learners on 16th April 2007. He enlightened us on the various advantages of using Hands Pro-Taper over the conventional method of Root Canal Preparation.

A presentation by Col. (Dr.) R.K. Dhiman

3. An inspiring guest lecture on 'Maxillofacial Prosthesis' was conducted by Col. R.K Dhiman on 29th May 2007 who told us about the various ways in which maxillofacial prosthesis can be useful to restore function and aesthetics in the maxillofacial region in cases of trauma like accidents or 'gun shot' cases. The special emphasis was on use of magnets for holding these prosthesis.

Dr. Shilpa Kolhatkar during her presentation

4. On 4th Dec. 07 Dr. Shilpa Kolhatkar from the University of Mercy, Michigan, USA gave a brilliant lecture on the "Sinus Lift Procedure". Her simplified technique was played in a video clip which was very well received.

## Continuing Dental Education...

Dr. Manish Bhola During his lecture

Dr. Manish Bhola's lecture on "Site development for future implants" from University of Michigan, USA : The Ridge preservation technique" was an eye opener for the students and interns alike. There were several interesting queries, all of which were explained in detail by Dr. Bhola. We hope to have many more enlightening sessions with him in future.

## Message from Civil Surgeon

**CIVIL SURGEON**  
GURGAON : 122001  
OFF. : 2322412  
RES. : 2321702

Dated : 21-11-2007

I am delighted to learn that SGT Dental College has been recognized by the Ministry of Health and Family Welfare, Govt. of India. I congratulate the Principal, faculty members and students for this achievement.

It is also a matter of great satisfaction that the hospital of the college has shifted from old block to new block. I understand that the new block is equipped with the latest and sophisticated infrastructure. This is a boon for this remote area where only rudimentary medical facilities are available.

I wish this institution great success in their endeavour to bring health care to the common man particularly to those residing in the rural areas of the district.
