Audience :

The target audience was UG Students, interns, PG Students and faculty members from the Faculty of Dental sciences, Medical sciences, Allied health sciences, Pharmacy, Ayurveda and Behavioural Sciences.

Brief Report of the programme:

SGT going global!!

SGT University in its mission of achieving academic excellence, is constantly collaborating with National and International bodies and Institutions to be at par with global standards. One such collaboration was establishment of UNESCO-Bioethics Unit affiliated to UNESCO chair in Bioethics, Haifa on 30th June 2017. The UNESCO Bioethics unit of SGT University was formed to carry forward the mission of UNESCO in creating awareness and promoting the ethical principles in medical and related sciences. The Unit has been actively working to promote the same through organizing of multiple symposiums and guest lectures by eminent figures in the field. On 13th September 2017, UNESCO Bioethics Unit achieved yet another milestone by inviting an international speaker, Dr Mark A.James, Ph.D, Professor and Chair, Department of Biostatistics, Environmental Health Sciences & Epidemiology, Kent State University, Ohio, USA to enlighten on the topic "Bioethics and Biomedical research in Today's World" at 2:00 pm. The target audience was UG Students, interns, PG Students and faculty members from the Faculty of Dental sciences,

Medical sciences, Allied health sciences, Pharmacy, Ayurveda and Behavioural Sciences. The program included the introduction about SGT University and UNESCO Bioethics unit followed by the welcome of guest speaker and liaison officer with traditional Garlands. The inauguration was started by the lamp lighting ceremony followed by the Garlanding of Lordess Saraswati idol by the Guest Speaker Dr Mark James. The Welcome Address was given by Dr T.D Dogra, Head, UNESCO-Bioethics Unit and Director IQAC, SGT University. Dr Dogra in his address stressed upon the importance of studying Bioethics principles for the medical and related fraternity. The Guest Speaker announced his deepest interests in fostering a formal collaboration of SGT University with the Kent State University, Ohio, USA to facilitate the exchange of knowledge and resource persons for the benefit of both the Universities. The Guest speaker in his talk enlightened about the research ethics and protocols followed globally. He introduced about the "Belmont Report" which summarizes ethical principles and guidelines for research involving human subjects. The three core principles included the respect for persons, beneficence, and justice. The lecture was very interesting and the program concluded with the felicitation of chief guest with Shawl by Dr T.D Dogra, Head, UNESCO-Bioethics Unit. University memento and token were presented to Guest speaker by Dr S.C Mohapatra, Nodal officer, UNESCO-Bioethics Unit. and certificate of appreciation by Dr M. S. Sidhu, Head, Student Wing, UNESCO-Bioethics unit. The University memento to liaison officer Mr. Nitin Wadhwa was presented by Dr H.S Grover, Secretary, UNESCO-Bioethics Unit. The Vote of Thanks was delivered by Dr H.S Grover. He program concluded with national anthem.
