

Vision

- To impart higher education of international standard for meeting the changing needs of the society.
- To achieve the national and international acceptability for our innovative academic content.
- To provide opportunities for higher learning for better career opportunities.
- To make academic as well as professional education innovative and research oriented.
- To improve literacy in Haryana with a special focus on female education.
- To create competitive and cooperative environment for enabling the students to excel in their endeavors while respecting diversities.
- To develop Centers of Excellence for developing cutting-edge technology in all fields.
- To groom and nurture students for leadership roles in all spheres of human activities.

Mission

- To impart quality education to shape the youth into ideal citizens of India.
- To create facilities for quality research in all the disciplines.
- To ensure women empowerment through education.
- To inculcate basic awareness about health and hygiene.
- To imbue the youth with well-rounded personality having capability of analytical thinking and commitment to excel in their personal and professional endeavors so that they could operate successfully in a dynamic and technology-driven environment.

Objectives

- To establish a multi-disciplinary university to provide opportunities for higher learning and research to the students from India and abroad.
- To create state-of-art facilities for education, research and development.
- To have excellent academic standard, the best of infrastructure and ample residential facilities.
- To provide stimulating learning environment, where the teachers encourage the young minds to be the frontiers of research along with acquiring knowledge
- To equip students with excellent communication skills for effective transfer of intellectual abilities and productive enterprises.
- To create frame for sharing of knowledge and skills with industry and institutions in public and private sectors at national and international levels.

MESSAGE

DO/Dated. 5338 / 15.02.2019

It gives me massive pleasure to know that SGT University, Gurgram is going to organize its 6th Convocation to bestow degrees the graduates on February, 20 to 22, 2019. A souvenir is also being brought out to mark this occasion.

On this auspicious occasion, I extend my best wishes to the students of University to attain the success at national and international levels. It is good for the youth of Haryana that your university is promoting studies and research work in different field of learning.

Haryana Government has taken several new initiatives to improve the infrastructure of health and sports sector. AYUSH University in Kurukshetra and Pandit Deendayal Upadhyaya University of Health Sciences is being established in Karnal. A Centre of Excellence 'National Institute of Ayurveda' for promoting Naturopathy as an alternative system of medicine is also being established in Panchkula.

I convey my best wishes for the success of the event and publication of the souvenir.

(Anil Vij)

Shri Ram Bahadur Rai

Chancellor
SGT University

कुलाधिपति का संदेश

महान संत और योद्धा श्री गुरु गोविंद सिंह की स्मृति में इस विश्वविद्यालय की स्थापना की गई है। जिसे हम संक्षेप में 'एस.जी.टी. यूनिवर्सिटी' कहते हैं। गुरुग्राम के इस अंचल में कार्यरत हमारे विश्वविद्यालय के लिए उपलब्धि और गौरव की अनुभूति का यह अवसर है। इसलिए कि विश्वविद्यालय ने निरंतरता बनाए रखा है। उसी क्रम में इस बार छठे दीक्षांत समारोह का आयोजन होने जा रहा है। स्वाभाविक ही है कि इस अवसर को स्थाई और स्मरणीय बनाने के लिए एक स्मारिका भी छपेगी। जिसमें विश्वविद्यालय के पूरे व्यक्तित्व को शब्दों और चित्रों में प्रस्तुत किया जाएगा। यह एक सराहनीय प्रयास है।

दीक्षांत समारोह नए जीवन का एक अध्याय प्रारंभ करता है। जहां दीक्षांत से एक शिक्षा पूरी होती है तो वहीं दूसरी का प्रारंभ होता है। वह जीवन की वास्तविक शिक्षा का प्रारंभ है। इस विश्वास को बल देने के लिए ही दीक्षांत समारोह होता है। यह एक स्मरण वेला भी होती है। जिस अवसर पर विद्यार्थी अपने विश्वविद्यालय के जीवन मूल्यों को स्मरण करता है और संकल्प करता है कि उसे आजीवन उन मूल्यों को अपनाए रखना है। यह समय हमारे देश में एक विशेष स्थान पर है। इसका प्रतिनिधित्व प्रधानमंत्री माननीय श्री नरेंद्र मोदी कर रहे हैं। जिन्होंने शिक्षा में अनेक व्यवहारिक, छात्र उपयोगी तथा तकनीकी दृष्टि से समुन्नत शैक्षिक प्रयोग करने के लिए 'मेक इन इंडिया' जैसे कार्यक्रमों का प्रारंभ कराया है। जिसका सुपरिणाम दिखने लगा है। उस योजना के अनुरूप विश्वविद्यालय ने भी अपने पाठ्यक्रमों में व्यापक बदलाव कर इन्हें और अधिक उपयोगी बनाया है। जो शिक्षा की दृष्टि से सभी अर्थों में विद्यार्थियों के बहुविध विकास को फलीभूत करेगा।

दीक्षांत समारोह के इस अवसर पर श्री गुरु गोविंद सिंह ड्राई सेंटेनरी यूनिवर्सिटी (एस.जी.टी.यू.) परिवार के समस्त सदस्यों के साथ-साथ सभी शिक्षकों और विद्यार्थियों के उज्ज्वल भविष्य की मैं कामना करता हूँ। मुझे पूरा विश्वास है कि यह विश्वविद्यालय भविष्य में भी विद्यार्थियों के पूरा विकास के लिए संकल्पबद्ध होकर कार्य करता रहेगा।

MESSAGE

I am pleased to know that Shree Guru Gobind Singh Tricentenary University, Gurugram, is holding its 6th Annual Convocation on February 20-22, 2019. Convocation is a historic occasion and marks the realization of dreams of the founding fathers of the institution. To commemorate this occasion, the University is bringing out a Souvenir showcasing the journey and achievements.

I extend my best wishes and greetings to the Vice Chancellor, Pro-Vice Chancellor, members of the Executive Council and Academic Council, faculty, staff, parents of the graduating students, guests and most importantly the graduating students who are commencing their journey of translating their education to the benefit of the world. I hope the pass outs will take with them the lessons learned in University and make their career dreams come true in the field of sports. On this land mark occasion of their efforts, I congratulate them and wish all the success in their future endeavors.

I wish the Convocation a grand success.

Prof. (Dr.) Sham Singla

Pro Chancellor
Former Vice Chancellor
SGT University

Message

It is a matter of immense pleasure that SGT University is holding its 6th Convocation on 20th-22nd February 2019.

The greatest form of satisfaction in life lies in promoting tolerance and giving something back to the society. SGT University succeeded in this direction significantly by providing quality education in this part of the country. QS University Ranking has rated SGT University with 'GOLD'. Private University emerged out of necessity to supplement in providing quality education and technical training to a large number of aspirants.

Convocation is the fruit of all the efforts put forth by students and a symbol of achievement. On this day the University looks back to take stock of its achievements, while our graduates look forward to a new journey. Since knowledge plays a vital role in the globalised world, there is a need for national and international collaboration. SGT has a number of National and International partnerships.

A University is known by its research and publications. It is a matter of pride that faculty members of SGT are actively involved in research and consultancy projects. SGT University faculty members and researchers have published more than 3000 research papers in peer reviewed indexed national and international journals.

Conference, Seminar and Workshop are the important academic and research activities. SGT organized the National MOOT Court Competitions on regular basis in which eminent legal luminaries including Judges from Supreme Court and various High Courts participated. National and International Conferences, Seminars and Workshops are organized on regular basis by various Faculties. The participation in the Conference of Academic Leadership on Education for Resurgence partnered with UGC, AICTE, ICCR, IGNC, IGNOU, JNU as organizing body enhanced the brand SGT.

I congratulate SGT University on this auspicious occasion for the remarkable progress made in a short span of time. I pray to the Almighty for the bright future of our students.

(Dr. Sham Singla)

Shri Manmohan Singh Chawla

Managing Trustee

Message

It gives me immense pleasure that SGT University is holding its 6th Convocation on 20th-22nd February 2019.

SGT University came into existence by the Haryana Private Universities (Amendment) Act No. 8 of 2013 making educational opportunities available to all segments of the society under the parasol of Dashmesh Educational Charitable Trust, which was founded in 1999. It was established with the motto to spread education and knowledge which is being the best service to mankind as envisaged by Shree Guru Gobind Singh ji. The progress made by the University in a short span of 5 years by establishing 18 faculties and introducing more than 160 courses is highly commendable.

Education remains the driving force for growth and socio-economic development of the country. Providing quality education in this part of the country is what SGT University does best. The most valuable investment any educational institution can make is "Nurturing Future Leaders". With the continuous rise in expectation of essential leadership standards, SGT torch bearers have taken a responsibility for this investment to nurture the NextGen leaders with a vision to bridge the existing skill gap. With a firm step forward to attain an academic excellence, several Centers of Excellence, laboratories, incubation cell and industry-academia associations have been setup in association with global leaders.

To display the innovative skills of the students, SGT organizes Synergy: Tech Fest annually wherein large number of students from various faculties, technical institutes and schools from Delhi-NCR participated.

Convocation is a milestone for a university as it reflects the achievements of the students, teachers and the founders of the university. It highlights the accomplishment of the graduates, their proud parents, faculty members and the strong and supportive management team of the University.

On this auspicious occasion of 6th Convocation of the University, I congratulate the recipients of degrees and wish them success in their future endeavors.

(Manmohan Singh Chawla)

Prof. Gurpreet Singh Tuteja

Pro Vice Chancellor, SGT University

It gives me immense happiness that SGT University is holding its 6th Convocation ceremony on 20th-22nd February 2019.

It is rightly said that education is our passport to the future, for tomorrow belongs to the people who prepare for it today. Every student enrolled at SGT University waits for the day of Convocation. The sight of the jubilant faces of the graduates coming out with ceremonial gowns holding their Degrees, Diploma, Certificates and Medals give immense pride to the parents, faculty members and the University.

Education has undergone transformations over the years with the advancement of technology and globalization. I am happy to see SGT adapting to the changing scenario and make a mark of its own in this part of the country. The progress SGT University made in the last 5 years by establishing 17 faculties and introducing more than 160 courses is remarkable.

SGT is committed to establish higher standard and we have succeeded in this direction in providing quality education to our students. Overall holistic development of the students is the prime focus. Facilities for improving their skills on overall personality development, communication skills, foreign languages, aptitude building and Pre placement training have been created

Since there is a growing need of international collaboration in this globalised world, SGT University has tie-ups with Industries and Hospitals, the University has also entered foreign collaborations and signed MOUs with various organizations and Universities for academic and Faculty Exchange programs that include National Law of School of India University, Bangalore, Chartered Institute of Management Account (CIMA), Federation of India Chambers of Commerce and Industry (FICCI) National Stock Exchange, Aisiyayah Pontianak College (APS) Indonesia and Binawan Institute of Health Sciences (BIHS) Jakarata, Indonesia. SGT has established the UNESCO biothics Unit of the International Network of Biothics to train teachers, students and paramedical staff. SGT University is committed to develop naturally confident young innovative leaders. 360° development of the young to-be professionals is at the core of all the activities designed at SGT University.

I extend my heartfelt thanks and congratulate SGT University on this auspicious occasion. I wish our graduating students all the best for their future endeavors.

Vice-Chancellor's Report

By Prof. Gurpreet Singh Tuteja

SGT Group of Institutions foundation was laid in the year 2002 with the establishment of SGT Dental College. Since the year of its inception, this college has created goodwill for itself and is renowned for its excellent faculty and infrastructure. SGT University came into existence by the Haryana Private Universities (Amendment) Act No. 8 of 2013 making educational opportunities available to all segments of the society under the parasol of Dashmesh Educational Charitable Trust, which was founded in 1999. QS University Ranking has rated SGT University with 'GOLD'.

On this auspicious occasion, let me take the liberty of briefly sharing with you a brief report on the University for the last academic year.

Presently, the University is offering more than 160 courses under the aegis of Faculties of Agricultural Sciences, Allied Health Sciences, Behavioral Sciences, Commerce and Management, Dental Sciences, Education, Engineering and Technology, Fashion and Design, Hotel and Tourism Management, Indian Medical System, Law, Mass Communication & Technology, Medicine and Health Sciences, Nursing, Physical Sciences, Physiotherapy, SGT College of Pharmacy. All these 17 Faculties are centres of excellence and have state-of-the-art facilities. There are several laboratories, incubation cell and industry academia associations that have been set up in association with global leaders. The faculty members, comprising of Professors, Lecturers and Trainers have years of experience in premier National, International academic centres and Corporate houses. Their expertise and wealth of knowledge creates a think-tank that enriches students' lives on daily basis.

Internal Quality Assurance Cell (IQAC) has been created for monitoring standards for quality education and research in the University. The IQAC is an integral part of Higher Education Institutions. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions.

Apart from well qualified, experienced and dedicated faculty, modern infrastructure, well equipped Research Laboratories, Incubation Center, well stocked Libraries, auditoria, wi-fi campus, recreational clubs and residential facilities for students and employees, the University has also ample facilities for Indoor and Outdoor games and cultural activities.

SGT University has added the state-of-the-art Simulation Lab. It is first of its kind in India and fourth in the entire world. Simulation Lab will give opportunity to the students to learn in a safe and stress free environment. Simulating real life medical situations and appropriate respond building is at the core of this endeavor.

Since knowledge plays a vital role in the globalised world, there is a need for national and international collaboration. SGT has a number of national and international partnerships with University of California –Berkley, Bitlis University –Turkey, Polonia University-Poland, Kent State University- Ohio, Binawan Health University-

Indonesia, BHMS-Lucerne (Switzerland), National Law School India, German Academy for Digital Education, National Academy of Art-Sofia, Bulgaria, Union Yoga Ayurveda, Singapore and Australia, Plymouth University, UK to name a few.

SGT has signed MOUs with various organizations and Universities for academic and Faculty Exchange programs that include CDSL ventures Ltd for National Academic Depository of Degree certificates, Shodhganga for depository of Ph.D Dissertations, National Law of School of India University, Bangalore, Chartered Institute of Management Account (CIMA), Federation of India Chambers of Commerce and Industry (FICCI) National Stock Exchange, Aisiyayah Pontianak College (APS) Indonesia, Binawan Institute of Health Sciences (BIHS) Jakarata, Indonesia,

Academic associations like Apple Solution Experts, IBM, Laerdal-Jhpiego, SAP Next Gen, UNSECO Bioethics, ORACLE, Nobel Biocare, Trimble, Intel, NSE, Tally India, OISTAT, VIMHANS, SMC Pneumatics, CIMA & German Academy for Digital Education, SGT University is committed to develop naturally confident young innovative leaders. 360° development of the young to-be professionals is at the core of all the activities designed at SGT University.

Innovation, creativity and inter-departmental collaboration are the key ingredients to encourage students. SGT University provided a platform with the name of 'Synergy-2018'- a Technical Fest a multidisciplinary platform for catalyzing the growth of creativity, innovation and research from 10th to 12th October 2018.

Students showcased their projects. Inter-disciplinary collaboration simulates professional front scenario and grooms the students for work at corporate sectors. School students from Delhi-NCR and Haryana were also invited to put forth their ideas and projects as well. It created an inspirational environment for all the students involved. Students from different streams showcased their innovative projects which were witnessed by students of various schools and colleges.

Hon'ble Minister of State (Independent Charge), Ministry of Communication & Hon'ble Minister of State, Ministry of Railways, Shri Manoj Sinha as Chief Guest and Director and Chief Innovation Officer, National Innovation Foundation-India, an autonomous body of Department of Science and Technology. Govt. of India, Dr. Vipin Kumar as Guest of Honour graced the inauguration ceremony of Synergy-2018. On the concluding day, Additional Chief Secretary to Government of Haryana, Home, Jails, Criminal Investigation and Administration of Justice Department, Shri S. S. Prasad IAS (Haryana 1984) distributed prizes to the deserving participants in the presence of SGT University dignitaries, Directors, Deans, faculty members and teachers from various schools.

A University is known by its research and publications. It is a matter of pride that faculty members of SGT are actively involved in research and consultancy projects. SGT University faculty members and researchers have published more than 3000 research papers in peer reviewed indexed national and international journals.

Conference, Seminar and Workshop are the important academic and research activities. SGT organized the National MOOT Court Competitions on regular basis in which eminent legal luminaries including Judges from Supreme Court and various High Courts participated. National and International Conferences, Seminars and Workshops are organized on regular basis by various Faculties. SGT University has taken the challenge of drafting the Higher Education Roadmap, 2030 in the era of innovation, entrepreneurship and disruptive technology with focus on human values in association with Bhartiya Shikshan Mandal and Indira Gandhi National Centre for Art, New Delhi. The participation in the Conference of Academic Leadership on Education for Resurgence partnered with UGC, AICTE, ICCR, IGNC, IGNOU, JNU as organizing body enhanced the brand SGT.

On the track record of placement, our students have been selected in Indian Administrative Services, Indian Police Services, Army Dental Core, UNICEF, UAE, Haryana Health Services, Health Reporters in NDTV and other News Channels, Corporate Sectors, Universities, Colleges, Clinics, Hospitals and other Organizations of repute in India and abroad.

In the social role, the University provides health services in its Hospitals at affordable charges. The Dental Faculty treats more than 15000 patients through free dental camps at rural outreach locations. The Nav-Muskaan Cleft Lip and Palate Centre of the University provides a comprehensive cleft lip and palate treatment and in less than a year's period, the centre has treated more than 250 surgeries successfully absolutely free of cost.

Inspired by Swa-Prarit Adarsh Gram Yojna (SPAGY) launched by the Government of India, SGT University has established the Centre for Rural Upliftment for providing free of cost doorstep Medical, Civil, Legal, Social and Other similar facilities to make the adopted village Budhera an educated, healthy socially harmonious village. The Faculty of Medical Sciences and Faculty of Dental Sciences of SGT University have adopted Government schools of Garhi Harsuru, Iqbalpur, Kaliawas, Sultanpur, Ullawas, Sudhrana, Gurugram villages and JJ School of Education, Farukh Nagar to provide totally free health care services on regular basis.

SGT University strives to inculcate the values of service, diligence and hard work amongst its students. It aims to create responsible human beings who are citizens of the world. Hostel facilities are available at nominal fees for out station students. These hostels are well furnished and have facilities such as canteen, study room, TV room, common room with an option of playing a number of indoor activities. In addition to these facilities gym, laundry and a shopping complex with a number of eateries around keep the Campus alive and buzzing through the day and night. Extra-curricular activities, excursions, and cultural activities happen all year round to give students a 'have fun while you learn' environment. Life skills are developed and students get a home away from home.

SGT University takes care that students and staff members from neighbouring places have easy access to the University and for this several buses and vans have been allocated which transmit through different locations of Delhi-NCR regions.

I would like to wish all the degree recipients a successful and prosperous future. I congratulate SGT University on this auspicious occasion for the remarkable progress made in a short span of time.

THE SGT UNIVERSITY

An Education Shrine For Casting The Young Minds Into World Leaders

Shree Guru Gobind Singh Tricentenary University, Gurugram, commonly called SGT University, spreads over 70 acres of lush green campus enveloped with serene beauty and environment. The University is situated at Chandu-Bhudera on the outskirts of Gurgaon, it is less than five kilometers from Delhi border at Daurala and has an easy and convenient access from I.G. International Airport.

SGT University came into existence by the Haryana Private Universities (Amendment) Act No. 8 of 2013 making educational opportunities available to all segments of the society under the parasol of Dashmesh Educational Charitable Trust, which was founded in 1999 with the holly cause of propagating the message of Shree Guru Gobind Singh Ji, the great philosopher and social reformer which says “spread of learning is the best service to mankind”. In fact, the seeds for its magnificent growth were sown way back in 2002 with the establishment of the SGT Dental College.

The most valuable investment any educational institution can make is “Nurturing Future Leaders”. With the continuous rise in expectation of essential leadership standards, SGT University torch bearers have taken a responsibility for this investment to nurture the NextGen leaders with a vision to bridge the existing skill gap. With a firm step forward to attain an academic excellence, several Centers of Excellence, laboratories, incubation cell and Industry-Academia Associations have been setup at the SGT University in association with global leaders.

With dedicate Corporate Resource Center, Centers of Excellence and academic associations like Apple, Laerdal-Jhpiego, SAP NextGen, UNESCO Bioethics, IBM, ORACLE, University of California -Berkley, Nobel Biocare, Trimble, Intel, NSE, Tally India, OISTAT, SMC India, CIMA & German Academy for Digital Education the University is committed to develop naturally confident young innovative leaders who will weave career advancement opportunities through continuous learning & development support and experience they gain. With the continuously changing nature of work and the war for talent wages, at SGT University they Foster a Culture of Continuous Learning to develop future innovative leaders of international repute, who are quick to learn & implement, understand changing customer needs, highly comfortable & creative with change, are able to revamp operations modestly.

The modern infrastructure and learner centric andragogy at SGT University extend full support to the learners and are focused to invest more in “Nurturing Future Leaders” to produce much more resourceful and productive employee for each level in the organization be it a “Green Graduates” or a “Tenured Senior Managers”. To map the galloping pace of innovations blended with changing technology and HR systems. SGT University is determined to inculcate Domain Specific Skills and Soft Skills to our emerging innovative leaders and make them future ready. The University's primary focus is to inculcate skills and behaviors for a good cultural fit along with right academic background.

In keeping with its vision and mission, the University offers more than 160 Diploma, Undergraduate, Postgraduate and Doctoral programmes in diverse areas of human learning through its 17 Faculties—Medicine & Health Sciences,

Dental Sciences, Physiotherapy, Nursing, Allied Health Sciences, Commerce & Management, Hotel & Tourism Management, Mass Communication & Media Technology, Law, Physical Sciences, Engineering & Technology, Behavioral Health Sciences, Indian Medical System, Agricultural Sciences, Fashion Design, Education & Pharmacy.

The University with the offices of Vice Chancellor, Pro Chancellor, Pro-Vice Chancellor, Registrar & IQAC has established a great administrative environment for all the faculties and various other university offices to work in one direction of achieving utmost success in all its endeavours. These offices are supported by various administrative divisions at all levels.

QS I-GAUGE Rating for Shree Guru Gobind Singh Tricentenary University

Academic Leadership on Education for Resurgence

SGT University was partner to the landmark event on Academic Leadership on Education for Resurgence at Vigyan Bhawan on 29 September 2018. The conference was inaugurated by Honourable Prime minister Shri Narendra Modi Ji along with our chancellor, Shri Ram Bahadur Rai Ji and other Government of India Ministers. The event saw deliberations by Chancellors, Vice Chancellors and representatives of universities all across the country and administrative officials related to topic of discussion.

Foundation Day 2019

SGT University celebrated its 'Foundation Day' on 24th January, 2019 in which Dr. Jaspal Singh, erstwhile Diplomat and former Vice-Chancellor of Punjabi University, enlightened the teachings of Shree Guru Gobind Singh Ji. In his intriguing speech he recited several couplets of Shree Guru Gobind Singh Ji and elaborated that inspite of living a life filled with hardships he strived to fight for the cause of justice and equality. The speech in true sense was educative. Alongwith most modern infrastructure and other facilities, Dr. Singh has also appreciated for significant contribution of SGT in field of education particularly for the downtrodden strata of rural society.

On the same day, SGT University organised "Drone Flying Competition" titled "War of Wings" in which a cash prizes were distributed to the 1st, 2nd and 3rd rank holder. Also individual prizes were distributed to participants. It could be called a tech show with a difference which got everyone interested and was quite a crowd puller.

IQAC (Internal Quality Assurance Cell)

The Internal Quality Assurance Cell has been created for monitoring and promoting standards for quality education and research in the University. The IQAC is an integral part of Higher Education Institutions. It serves as a quality sustenance measure and constantly works towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. It serves to channelize all the efforts and measures of the institution towards promoting its holistic academic excellence.

IQAC evolves mechanisms and procedures for efficient and progressive performance of academic procedures including integration of modern methods of teaching, learning and evaluation procedures. It promotes quality research programmes as well as sharing of research findings with network of institutions nationally and internationally. It also ensures timely and efficient performance of administrative and financial tasks.

IQAC of SGT University headed by Dr M. S. Sidhu as Director, is constantly working to improve the quality culture of SGT University.

Some of the future plans of IQAC include, NAAC accreditation for University, automation of examination system, start up of consultancy from each faculty, development of e-learning modules, workshops on gender sensitization for University students, faculty and non-teaching staff and FDPs on teaching technology, OSCE/OSPE, plagiarism, ethics. The university also is developing Choice Based Credit Courses and Webinar Series on important topics.

Dean (Research & Development, Faculty Development, Institutional Planning & Development)

This university vertical was developed to encourage a congenial environment in the specific areas and is headed by Dr. M. S. Sidhu who has a vast experience of research & administration and has outlined the following responsibilities for this office:

1. Encouraging the research activities in the SGT University, observation of the research projects and promotion of projects for research grants
2. Make arrangement for the running of extramural research activities
3. Review and submission of annual report of the progress of the research activities
4. Arrange workshops, CMEs, CDEs, Lectures, Hands on courses to promote the researchers
5. Supervision of the Faculty Development programmes and institutional development proposals
6. To supervise establishing central research laboratory

SGT University dreams of giving India the professionals, who can actually think, create research and innovate and in this process the event SYNERGY was organized. Synergy literally means the cooperation of various organizations or disciplines to produce a combined greater result and that's what we aimed at that the various faculties interact with each other and produce innovative projects that are actually through an inter Disciplinary Approach.

SGT University with proud privilege organized the second year of our Annual Technical Fest - SYNERGY 2018. The event was inaugurated by Honorable Minister, respected Shri. Manoj Sinha as Chief Guest and Dr. Vipin Kumar as Guest of Honour, who spared time from their busy schedule to encourage our students. SGT University dreams of giving India the professionals who can actually think, create, research and innovate. Synergy literally means the cooperation of various organizations or disciplines to produce a combined greater result and that's what we aimed at that the various faculties interact with each other and produce innovative projects that are actually made through an inter Disciplinary Approach. There were various products and projects which had been made through cooperation of multi disciplines. Synergy is a showcase of the technical competence gelled with recent advances. Rather, this platform allows the faculties to understand the importance of each other. Around 350 projects from our University and schools and colleges from various parts of NCR and Haryana were displayed in the fest. Around 17000 students from various schools were invited to witness the exhibition. There were also special awards for the projects to encourage the students.

The SGT University has always encouraged research at the campus among faculty members. But from this year the

focus of research added the young researchers – the undergraduate students. The students of different faculties were mentored by the respective faculty members. Small research projects were undertaken over a period of 4-5 months and the results were submitted in a publishable format.

Controller of Examinations

The examination branch of SGT University is working keeping in mind the vision and mission of the University. This important office is always head bound to make sure that the examination process including secrecy, timely notifications and fair conduct of examinations are all undertaken with utmost precision.

Examination section is treated as major organ of the University and its responsibility is to conduct the examination with full transparency, confidentiality and effectivity. Question banks are being generated for appropriate use before commencement of examination. The examinations are held well in time and results are declared as per schedule of the University, which are available on university website and through ERP Software Portal also.

SGT University has started over 160 courses during short span of 5 years of its existence and examination Branch has been successful in conducting the examinations and declaring the results well in time. The degrees are provided with multiple security features so that there is no tampering of this important document.

Vice Chancellor Student Internship Program

Vice Chancellor Student Internship Program is proposed with a vision that students get associated with the administration directly and must develop a sense of belongingness towards the university.

Incubation Cell

SGT University in its endeavor to carry forward its vision, places special place for research & development in the various faculty disciplines being undertaken at the university. In the same area the university has setup an Incubation Cell where the research ideas being generated from the academia as well as industry can be shaped up to be fruitful conceptions of the society.

This objective of the Incubation Cell is to carry forward niche projects focusing on basic & advanced specialized education in all the disciplines being pursued through faculties at the university. This platform is presently under its inception phase with appropriate guidance of senior experiences mentors at the University level. Through the ideas generated at this cell, we wish to work with Industries of National & International repute, Government Bodies and Entrepreneurship or Startup Engagement programs. The cell plans to take up various sensitization activities and coordinate with industries to help generate new ideas and explain better the concept of Start-up to our students and faculty members too. The development of ideas will thus attract investors too and we too can add to the ever growing economy of our country.

Corporate Resource Centre

At the Corporate Resource Centre we have embarked upon an 'out of box' approach to establish greater, enduring and synergetic industry linkages. In addition to the traditional push strategy, a pull component has been duly incorporated wherein we ask corporate industry practitioners and corporate leaders to partner with us for the long haul. SGT students are honed to cultivate following traits that will prove to be asset to hiring organizations Adaptability, Creativity, Team Work and Holistic Growth.

Given that today's businesses work in distinct natural environments, divergent ideologies, diverse cultural backgrounds, incompatible economic atmosphere(s) and uncertain opportunity situations. It is no longer a secret why the corporate world, all over the globe, consistently chooses a new breed of managers. These new managers are expected to possess client-oriented cross functional knowledge and skills.

Alumni Cell

At SGT University we value enormously our links with our alumni community, who act as our Ambassadors to the outside world. The University Alumni Association was started with the following objectives:

- To create a sense of brotherhood, co-operation, mutual harmony, and affection amongst the members of the Association
- To facilitate and encourage alumni to contribute towards improvement of infrastructure for all round development of the current students of SGT University
- To provide avenues for drawing upon the knowledge and expertise of the alumni and to exchange views, experiences and share it with the present students of the University
- To render assistance to students of the SGT University through grants, scholarships and prizes and to provide assistance in academics, placement or in any other area that is felt as appropriate by the Association.
- To recognize academic, professional and other achievements of the alumni and the students, and to institute suitable awards for them
- To promote, organize and facilitate conferences, seminars and lectures, training and other similar activities conducive to the attainment of the above objectives

The Alumni Association is making all the efforts to bring together the Alumni of SGT University under one roof and serve as a platform to meet and interact with each other. Alumni association conducts Alumni meet every year in the month of January and provide a chance to catch up with classmates, seniors, teachers and many sweet old memories.

Keeping up the tradition, SGT University had planned an Alumni meet on Saturday the 12th January 2019 for its alumni from 14 faculties. All our alumni were invited along with their families for the program. The programme was attended by 700+ graduates and post graduates right from 2002 onwards to latest batches.

Prominent guest of the day RJ Raunac entertained our alumni and their families. The accompanying kids were entertained with magic shows and puppet shows. Post lunch our alumni danced, enjoyed and thrived to the music of Asif Khan from the Bismil Band.

Pro Chancellor SGT University Dr. Sham Singla, Pro-Vice Chancellor Dr. Gurpreet Singh Tuteja, Registrar Dr. D. K. Mishra, Director IQAC Dr. M. S. Sidhu and many other graced the occasion. The entire program was prepared under the guidance of Smt. Madhupreet Kaur Chawla and was motivated by Managing Trustee Shri Manmohan Singh Chawla. The alumni in-charge Dr. Manpreet Arora along with her dynamic team had left no stone unturned in planning this mega yearly event. The University also extended all possible co-operation for the success of this enterprise which is a bridge between the past and present and holds connectivity to the future.

Centre for Languages and Communication (CLC)

SGT University has set-up an exclusive Centre for Languages and Communication (CLC) to upscale the Communication and Soft Skills, across all programmes, for all the students, keeping in mind the trending applicability requirements in the corporate set-ups. Knowledge, communication skills and positive attitude are the three vectors of employability. For all the organisations, regardless of their size, clear and concise communication is the way to success. So our curriculum helps the students to get ready for a successful Campus-to-Corporate movement. Keeping the needs of our students CLC focuses in the following areas:

1. **Communication Skills:** Strengthening their use of language with emphasis on improving / enhancing their fluency, structured thought flow and ability to build up meaningful conversation. This learning in congenial environment boosts their level of confidence as well. We do this through presentations, role plays, mock sessions relevant to the industry, open house debates and exercises like JAM, rapid fire questions etc.
2. **Soft Skills and Personality Development:** Apart from the communication skills, employability skills like time management, team work, conflict management, negotiation skills, email etiquette, presentation skills, personal grooming, stress on paralanguage adherence etc. are also very crucial in holistic development of the student and required for smooth transition into work life. Training is facilitated through simulation of real world work situations.
3. **Foreign Language:** The knowledge of language other than English reveals new corridor for technical students in their career. German language is offered to students. The language is taught to the students with innovative methods like workshops, audio-visual classes, listening exercises and presentations of students on various topics through extempore and group discussion.

Scholars' Hub

The Scholars' Hub at SGT University is an amalgated group of teachers and students nominated to represent the interests of all University activities related to students. The Scholars' Hub supports the aims of the concept 'Scholar'

to create a network of responsible individuals in any and every section of the society. Drawing on the experiences and aspirations of the entire SGT University community, the forum strives to enrich the academic, social and professional lives of all our students. Be it academic, co-curricular, sports or social activities, the group envisions calendar of events so as the unending plethora of opportunities are explored by any of our student in order to showcase his/ her talents during the precious personality development year at the university. From time to time, this forum sponsors and organises a wide variety of social, educational and service activities for our students or otherwise for any section of our society.

All in all, it provides a network for engagement separate from those of routine academic departments or college affiliation and bring together uniquely like-minded people for the formation of life-long friendships and shared intellectual curiosity. As a collective group, we work to promote the reputation and global awareness of the SGT University and its endeavours through a strong alumni network, and internal and external collaborations. The Scholars' Hub enhances the experience of scholars during their time in SGT University and maintains this connection well beyond the degree process.

Other Key Departments – Administration, Students Out-Reach, Human Resources, Finance, Designing, Photography, Security & Maintenance

The University has established these core departments to provide the perfect manpower and technical support to each and every one associated with the university. These departments are the backbone of the university in relation to the smooth functioning of day-to-day activities of the various faculties and university offices. The collaborative efforts of these departments also are involved in organising fun games an annual event for all the different groups of students, faculty members, non-teaching members.

Sports

The sports and other extra-curricular activities play a very important role in the over all development of the students. Therefore, ample opportunities for indoor and outdoor games have been created by the University. Its sports infrastructure consist of volleyball courts, basketball court, Lawn Tennis Court, Badminton Courts, Football Ground, Gym etc. The university in order to promote a sense of coordination and teamwork amongst the students organises annual sports competition events as well where students show their skills.

A VC Cricket Cup Tournament was organised for around 32 teams comprising of teaching and non-teaching faculty members. Sports meet was also organised for the students to take a break from the academics and show their skills in various sports on the field.

Faculty Of AGRICULTURAL SCIENCES

Overview

The Faculty of Agricultural Sciences at SGT University was established in the year 2016. To meet out the increasing demands from continuously squeezing arable land, innovative technologies and technical knowhow in the field of agriculture and allied fields remain the only answer to the problem. For tackling the issues like declining crop production and productivity, generation and adoption of latest technologies should come to the rescue of the problem. To achieve the desired results, the need of hour is to train the agricultural graduates with latest knowledge along with innovative and modern research experience in agricultural fields. The innovatively generated modern technologies applied at farmers' field will ultimately help us in achieving the goals.

The course curricula of all courses at the faculty are designed in such a way that the graduates can compete with anybody and everybody in their field. The latest and updated syllabi and curricula as per the requirement of market demands and requirements were prepared. The courses taught in this degree equip the graduates to find career opportunities in educational, research and management fields in public and private sectors.

The Faculty of Agricultural Sciences has recruited meritorious and competent teachers from reputed institutes, who left no stone unturned for using teaching methodologies, attending and satisfying students' quest for knowledge. Updated knowledge is imparted to the students. The emphasis is on using hands-on training in teaching with a view to transforming the students industry oriented on completion of their degree. Therefore, they are involved in practical programs in the field right from sowing of seed till the last activity of the crop harvest.

Along with teaching, emphasis is also laid on the research activities. During this period, many research projects have been handled in the department. A crop-cafeteria and laboratories have also been established for making the students acquainted with various crops identification and practical performance.

Accolades

The Department of Science and Technology grant of 32 Lac. have been approved for the applied project “Identification of the candidate gene(s) for grain yield under drought by fine mapping of a major QTL on wheat chromosome 7B and its transfer into popular high yielding varieties of wheat” for a period of three years extendable to five years (with additional funds) under the supervision of Dr. Sonia Goel. The proposed work will be started in SGT University as host institution.

Total Eight (11) awards were won by faculty members for best poster/ presentation and young scientists during the period. The details of awards are given below-

1. 1st prize under Best Innovation Category in SYNERGY-2018 for Modified Maize Cob Sheller Machine.
2. 2nd prize under Best Innovation Category in SYNERGY-2018 for Integrated Carrot Cleaning Machine.
3. Best Poster Presentation Award at International Conference, BHU (March, 2018) to Dr. Sonia Goel.
4. Cash Award from NISCAIR, Vigyan Pragati Magazine for an article to Dr. Sonia Goel.
5. Excellence in Teaching Award by Society for Scientific Development in Agriculture and Technology, MPUAT, Udaipur (Rajasthan) to Dr. Supriya.
6. Best Poster Presentation Award at International Conference (2018), JNU, New Delhi to Dr. Vinita Rajput.
7. Best Teacher Award from SGT University to Dr. Mohinder Singh.
8. Best Oral Presentation Award in Conference (2018) at Suresh Gyan Vihar University, Jaipur to Dr. Mohinder Singh.
9. Young Scientist Award at SAID, Ranchi to Dr. Mohinder Singh.
10. Mahima Agriculture Excellent Scientist Award at International conference BHU, Varanasi to Dr. Mohinder Singh.
11. Young scientist award at International conference on global research initiatives for sustainable agriculture & allied sciences, October 28-30 2018, RARI, Jaipur for contribution in Plant Breeding and Biotechnology research work.

The Students (Naveen Sharma and Ankit Atri) won 1st prize in Media Quiz Competition at EXPRESSIONS-18 event held at SGT University.

Industry Connect

1. Celebration of University Foundation Day on January 2018 and Agricultural Quiz.
2. Guest lecture on February 2nd, 2018 on "Endophytic Bacteria in Sustainable Agriculture and its Intensification" by eminent microbiologist, Dr. S.S. Dudeja (Ex. Professor & Head), Department of Microbiology, CCS HAU, Hisar.
3. Visit to 3rd Agri Leadership Summit, Rohtak on March 25th, 2017.
4. Seed Processing Plant and Nursery Visit on 16.03.2018 at Pataudi and Ucha Majara, Gurugram.
5. Kisan Mela Visit at ICAR-IARI Pusa Campus, New Delhi (16.03.2018).
6. Education tour to US Agri Seeds farm at Agroha, Hisar on 10th August 2018.
7. Visit to the Festival of Innovation & Entrepreneurship (FINE) at Rashtrapati Bhawan, New Delhi on 20.03.2018.
8. Visit to Centre of excellence for vegetables (Indo-Israel project), Gharaunda, Karnal on 20th August 2018.
9. Visit to "Krishi India Expo-2018" organized at Pragati Maidan, New Delhi on 22.08.2018.
10. Kisan Gosthi (congregation) on Kisan Uday se Bharat Udayat, village Sarangpur, Delhi NCR on 1.10.2018.
11. Guest Lecture on "Business Opportunities in Agriculture" by Dr. Deepak Mendiratta, Nodal Officer Agri-clinic (Agribusiness Centre under Ministry of Agriculture and Farmer's Welfare, GOI) on 09.10.2018.
12. Participation of students in a three days exhibition and conference "AGRO WORLD-2018" at IARI, New Delhi from 25th -27th October, 2018.
13. A seven days certificate training program on "Remote Sensing" on 23rd to 28th October, 2018 at SGT campus.
14. Visit to National Bureau of Plant Genetic Resources (NBPGR), New Delhi on 16th November 2018 for tissue culture lab and plant genome bank.
15. Visit to Post Harvest Technology Unit at IARI, New Delhi on 16th November 2018.
16. Kisan Gosthi (Farmers' congregation) at village Jori-Sampka, Gurgaon, Haryana on 6th December.

Co Curricular Inclusivity

The fresher party was organized for newly admitted students on 29th August, 2018. The 1st year students Anshul Phogat and Carol Affaria were crowned as Mr. & Ms. Fresher. All the students participated enthusiastically in the event and enjoyed thoroughly.

For fresher students an orientation program from 1st August to 4th August was organized by the faculty to get themselves familiar with university system and facilities. Some eminent personalities were invited to boost the confidence of young students and enlighten those regarding future opportunities. The students also enjoyed a short trip to India Gate, New Delhi to witness the heroic history of our country.

Excursion tour (24th-28th March, 2018) to Mussoorie, Haridwar and Rishikesh

Social Welfare

Kisan Gosthi (congregation) on Kisan Uday se Bharat Udayat village Sarangpur, Delhi NCR on 1.10.2018.

Kisan Goshthi (Farmers' congregation) at village Jori-Sampka, Gurgaon, Haryana on 6th December 2018.

Faculty Of ALLIED HEALTH SCIENCES

Overview

Allied Health Professionals are a distinct group of professionals who are important to the medical profession as they apply their expertise to cater to the tremendous expansion of health care industry.

The Faculty of Allied Health Sciences under Shree Guru Gobind Singh Tricentenary University started degree and diploma courses in Medical Laboratory Technology, Operation Theatre Technology, Radio-Imaging Technology and Optometry in 2013. The increase in number of diseases worldwide and the need for better treatment options and research in these fields has paved the way for allied health faculty in a big way and this has led to the introduction of more job oriented specialized graduation programmes as in Neurophysiology Technology, Nutrition and Dietetics and Microbiology and post-graduate programmes in Medical Laboratory Technology, Operation Theatre Technology, Radio-Imaging Technology, Optometry and Nutrition & Dietetics along with Ph.D programme in Nutrition & Dietetics.

The Faculty intends to start new graduate programmes in cardiac care Technology, Renal Dialysis Technology, perfusion technology & medical record technology, PG diploma in CT, PG diploma in MRI and post graduate programme in Microbiology during the next session i.e. 2019-20.

The faculty has tie ups with multiple international and national organisations of great repute. The faculty has signed a MoU with Binawan Institute of Health Science (BIHS) Jakarta, Indonesia and with Fortis Healthcare Limited, Gurugram. The faculty has tied up/working collaborations for internships and trainings with, Rainbow Children's hospital, New Delhi, Rana Eye centre, New Delhi, Paras Hospital, Gurgaon, Balaji Action Medical Institute, Delhi, Columbia Asia Hospital, Gurgaon, Primus Hospital, Gurgaon, BL Kapoor Hospital, New Delhi etc. where students from our faculty are trained under the supervision of specialized team for corporate placement in addition to their in-house training in our 720 bedded hospital.

Further, to make students aware of the latest trends in their own fields of specialisation and to enhance their career opportunities, the Faculty of Allied Health Sciences, from time to time, organizes workshops, guest lectures and industry visits for the students in their respective fields of specialisations. There is increased focus on research activities and in adopting new teaching methodologies Active participation of students in all kinds of extracurricular activities is encouraged at every level of their education and events. All the programmes are job oriented with employment opportunities in the government health sectors, private hospitals, diagnostic labs, blood banks, research institutes, educational institutions and health care industries.

Accolades

A Guest Lecture was delivered by Dr. Ashwani Ghai, Astd. Prof. Deptt. of Optometry, in 3rd Qassimi Ophthalmic International Conference held on January 4-6, 2018 at the Le Meridien Dubai Hotel and Conference Centre, Dubai.

Session was moderated by Dr. Ashwani Ghai, Astd. Prof. Deptt. of Optometry, in DOS Winter Conference held at India Habitat Centre, New Delhi in Nov, 2018

Guest Lecture delivered by Dr. Ashwani Ghai, Astd. Prof., Deptt. of Optometry, on Pearls in Management of VKC in Singapore on 25th Jan, 2019.

Best paper Presentation Award by Dr. Vatsala, Astd. Faculty Of BEHAVIOURAL SCIENCES

Overview

Faculty of Behavioural Sciences (FBS) was established in 2014. The department embraces participatory, experiential, discursive and student-centric practices in its teaching-learning endeavors. A visible strength of the department is field training, project work and use of student centric teaching strategies followed by regular counselling session under mentor-mentee system. Currently, the department has three batches of B.Sc. Clinical Psychology; two batches of M.Sc. Clinical Psychology; one batch of M.Phil (RCI approved) Clinical Psychology; and ten Ph.D. scholars.

The vision statement of the faculty is to produce best Clinical Psychologists for the Nation and global communities; to make significant contributions to the science and practice of psychology in real-life situations; and to produce professionals with sound ethical, legal and moral values.

The faculty has initiated various National and International collaborations namely with University of Plymouth, United Kingdom; Laurentian University, Canada; College of Physical Education and Sport PALESTRA, Prague, Czech Republic; Krok University, Ukraine; Edith Cowan University, Australia and many more.

The Faculty offers student to gain hands on training practical exposure by placing them across various places in Delhi and NCR. Such places include institutes like Hospitals, NGO, Government/Private rehabilitation centres or professional mental health clinics. As per their curriculum, students are required to complete set number of hours training in the training Institute. Based upon their training, they are required to submit a Field Training report by the end of the semester. Leading from such trainings, some students are already placed for their future jobs.

The courses offered by the faculty have huge scope of career options. Psychology is a popular subject for competitive exams such as Civil services and are increasingly sought after in areas related to Cognitive psychology such as Artificial Intelligence and Machine learning, which will be potent areas of the future societies. The graduates may find other options with Corporate world as life coaches, stress management experts and human resources development and training. As counselors with a variety of NGOs and private agencies related to mental health and well-being, schools, guidance centers, old age homes, trauma rehabilitation centers, etc. Some other options are in psychometric testing at financial institutions for assessment of potential customers, as trainers and coaches in sports facilities, wellness centers and Yoga centers and consultation services for lifestyle diseases and health psychology related interventions.

Faculty Of EDUCATION

Overview

Realizing the need and importance of education as critical for human and national development, the SGT University has established Faculty of Education to train and prepare teachers and teacher educators who will eventually be social transformers. Promoting quality education in schools and educational institutions, raising morale and values among students are major goals which the University envisioned through Faculty of Education. In order to achieve goals on human and national development, Faculty of Education is offering Bachelor of Education at UG, and Master of Education.

The Courses offered provide opportunities to students who want to be teachers or Teacher Educators to extend and deepen their knowledge and understanding related to developments and issues in Education Course is designed to build and strengthen knowledge of methodology of educational research and getting yourself acquainted with social and psychological aspects of teaching and education. Due to unparallel development in the field of education during the last few decades, the need was felt for such programs and courses, which can fill the void of expertise in this domain.

As a scope, students can join the noble profession of teaching in Govt./Private/Aided/public Schools. They can also find placement as counsellor (with M. A. in Psychology and Diplomas related to guidance and counselling), Education consultants, Curriculum Developers, Subject and Pedagogy experts in public and private sector companies. One can start his/her own school after having B. Ed. Degree and can work in NGO. Moreover, Students may move to Higher Education that is M. Ed. or M. A. in Education to teach at college and University level.

The faculty aims to impart higher education of international standard that meets the changing needs of the society, to achieve the national and international acceptability for our innovative academic content, to provide opportunities for higher learning that will also lead to better job opportunities.

Accolades

Prof (Dr.) S.K. Das, Dean, Faculty of Education was involved as a resource panelist in the panel discussion on Skill Gap and how to address it, at ASSOCHAM (New Delhi) which organized a seminar titled “ Skill Augmentation & Industry Alignment in Higher Education” on 31st August 2018 in collaboration with Xcelerator.

Industry Connect

The faculty organized a Workshop on 'Visual Arts as A Pedagogy' specifically designed for B.Ed. Teacher Trainees on 18th January 2018 by Ms. Antara Pain, an eminent visual artist. The workshop focused on the importance of transacting identified concepts of various subjects encompassing Science, Social Science and Humanities taught at different levels in Indian schools through visual arts to reflect the integration of the subjects as well as its contribution in developing components of cognitive, affective and psychomotor domains.

Another workshop on 'Visual and Fine Arts as A Pedagogy' specifically designed for B.Ed Teacher Trainees was organised on 19th February 2018 by Dr. Nishit Jain, an eminent visual artist and Head, Springdales School, Pusa Road, New Delhi. The workshop focused on the importance of transacting identified concepts of various subjects taught at different levels in schools through visual arts to reflect the integration of the subjects as well as its contribution in the world of school.

A national conference on Innovative pedagogies for Creation of Enriched Teaching Learning Environments in Higher Education was held in GGSIP University, Dwarka on 29th – 30th of January 2018. The participants were from more than twenty universities all over India. The students of our university got the opportunity to learn about how to write and present paper and more over to understand new pedagogical concepts which can enrich teaching learning.

Faculty of Education with B.Ed trainees visited New Delhi World Book Fair 2018 at Pragati Maidan on 13th January 2018. There was reasonable discount on books and e learning

material and we purchased the reading material and e content based on Art as Learning, Gender Issues, Sociology and Psychology. Students got exposed to the World of Books and appreciated the Pavilion of Climatic Change. They purchased reading material from children section located at Bal Mandap to teach the unprivileged children through teaching campaign organised by NGO. Overall, it was a wonderful exposure to the variety of books which are a gift to us that we can open again and again.

Co-Curricular Inclusivity

Faculty of Education organised a visit to Surajkund International Craft Mela, Surajkund, and Faridabad on 12th February 2018 to orient B.Ed Trainees to the rural crafts traditions including handicrafts and handlooms displayed from all over the country for understanding of our rich cultural heritage. A wonderful opportunity and an amazing day for the Pupil Teachers to learn about their vibrant culture and feel dignity for labor followed by respect for the age-old craft, music and dance, colorful ambience, ethnic cuisines, and cultural diversity as narrated by B.Ed Trainees.

The Farewell was organized by the second semester students for outgoing students with great enthusiasm. The day was great, filled with nostalgia and fun and excitement. The seniors were given gift and memento.

The orientation program from 1st August to 4 August was designed to support new students as they begin their journey at SGT with collaboration with faculty of behavioral sciences and fashion and designing. The students were oriented about the program structure, university programmes, various programmes and clubs functioning in the university.

Fresher Party was organised on 29 August 2018 jointly with other four Departments in Mass Communication Auditorium at A Block. The fresher titled as 'Abhyarambh' was celebrated with great enthusiasm by teacher and students.

Two Street Plays Titled as 'Drug De-Addiction' and 'Hindi Beemar Hai' were performed by B.Ed students on the occasion of Synergy 2018. The Street Play performed by B.Ed Students on Drug De-addiction was to create awareness and educate school students about the ill-effects of alcoholism and substance abuse on the individual, the family, the workplace and society at large. The Second play showcased the present status of Hindi language in growing global world inspite of being the third most spoken language of the world. The play aimed to build understanding among students about Hindi language status in our society. During Synergy Fest, School Students were involved and students attention can easily be grabbed by performing arts. Street play is an effective means of communication to spread message to students in general. It was an initiative from faculty of Education to raise awareness among school students on these sensitive issues.

Social Welfare

Students visited different NGO's and worked there as a part of NGO in preparing school development plan, sharing cultural practices, holding cultural and awareness programmes. B.Ed students visited various NGOs of Delhi and NCR such as Prayas in Saket, Sewa in Najafgarh, Dream Girl foundation in Gurgaon. B.Ed. trainees taught students of those NGOs as it helped them to use their professional competencies, enhanced teaching learning strategies and it added social service to the community.

Faculty Of ENGINEERING AND TECHNOLOGY

Overview

Faculty of Engineering and Technology (FET) was established in the year 2015. It is one of the major constituent of the university. It is mandated to play key role in Engineering teaching, research and innovation. It is ranked 4th in India by Times Engineering Survey 2016 conducted by Times of India. FET comprises of five Departments: Civil Engineering (CE), Computer Science Engineering (CSE), Electronics and Communication Engineering (ECE), Mechanical Engineering (ME) and Applied Sciences and Humanities (ASH). It also offers M. Tech programs in CSE, ECE, CE & ME and FET also offers PhD programme. FET also has a Centre for Languages and Communication to take care of foreign language courses for the students.

FET has very highly qualified and competent faculty members in various departments and provides a vibrant and conducive environment for strong academic and research activities. The faculty members satisfy the curiosity of students and under the guidance of the faculty members, the motivating and curious students go to the higher level of innovation and contribute to innovative ideas, concepts, projects and products.

The FET provides a comprehensive framework and provides quality of academic work. It uses novel and innovative teaching methods at various levels in the course duration. The teaching method is extremely interactive and uses various components to enhance the learning experience and uses various components such as Assignments, Case Studies, Roll Play, Model Making, Seminar, Internships, Industrial Visits, Project Based Study, Tutorial which is reinforced in the form of Quiz, Surprise Test, Soft skills, Group Discussions, Guest Lecture and International Faculty Inputs. The main focus is on both, Fundamentals and the Practical Learning using Project as part of curriculum.

The students get the best of opportunities in the form of highly advanced courses, eminent faculty members, well-equipped laboratories, library, hostels and immense facilities to excel in research and development. It has well equipped with Project Labs, Spoken Tutorial Lab, Online Test, On-site Learning. FET has fully equipped with E-classrooms, Intranet and other advanced teaching methods. Highly scientific and innovative technology is used for teaching and carrying out research activities.

Accolades

The faculty students enthusiastically participated in Synergy 2018 event and presented various state of the art innovative projects.

Best Paper Award received by Dr. Manish Sharma in IEEE conference at Chitkara University Chandigarh on 3rd December 2018. Dr. Manish Sharma, also delivered introductory lecture on Research Methodology on 9th January 2019.

Industry Connect

A Guest lecture delivered by Mr. Amrinder Singh, (GM, ALP Nishikawa) on "Readiness of Engineering Professionals for Industry"

In continuation to our collaboration with Apron Solutions Pvt. Ltd Mechanical Engineering Department organized a guest lecture on 30th January, 2018 on the topic "Career Orientation (What during B.Tech and after B.Tech)".

The Department of Civil Engineering organised a workshop on 13th September 2018 by Mr. R.K Jha, The Executive Engineer, J.K Cement, who spoke on "Quality Assurance on cement and concrete"

Department of Electronics and Communication Engineering organised a guest talk on 3rd April 2018 by Shree Umesh Kumar Arya, Sub Divisional Engg Manager (IPSTAR), Satellite Earth Station, Sikandrabad, on Satellite Communication and Its Application. His talk focused on Radar system, IPSTAR Satellite, IPSTAR gateway, IPSTAR beam types, Routing activities, Monitoring and Control system.

Department of Electronics & Communication Engineering on 23rd March 2018 by Dr. Ayan Karmakar, Scientist Engineer 'SD', Semiconductor Laboratory (SCL), Mohali on fabrication capabilities, Packaging, Silicon Wafer orientation/identification and MEMS characterization. SCL is the only Semiconductor fabrication facility which is graded as "CLASS 1".

The faculty organized one day Workshop on Solid works, organized with Apron Solutions Pvt. Ltd. for Mechanical Engineering students on 29th January, 2018. The workshop encompassed hands on training in working with SOLID WORKS software and introducing students to the "Design World".

The faculty organized seven day Workshop on Building Information Modelling with Teckla Structure Pvt. Ltd. for Civil Engineering faculty from 17 September, 2018 to 21 September 2018. The workshop encompassed hands on training in working with Teckla Structure software and motivate faculty to influence student in design world.

Department of Computer Science (FET) & Department of Forensic Science (FAHS) in collaboration with Department of Forensic Medicine & Toxicology (SGT Medical College) of SGT University organized a National workshop on "Cyber Crime: An Emerging Challenge for the Society (CCCS-18)". by inviting a young and dynamic speaker, Mr. Neeraj Arora and Mr. Sandeep Arora on 30th March 2018. There were total 200 registered delegates including internal as well as external delegates.

Department of Computer Science organized one day Workshop on CISCONET WORKING in collaboration with Elan & Nvision IIT# Hyderabad held on 6th April 2018 at SGT University, Gurugram, a Zonal round for Braintech Championship 2018. The young and dynamic speaker Mr. Manish Bhardwaj was invited and he delivered a wonderful session with hands-on training.. The session was concluded with a test where five teams registered their place for Brain Tech Championship 2018 which was held on 21st April 2018.

CSE & ECE Department, FET in collaboration with INTEL FICE organized a 5 day IOT prototyping workshop from 4-8th June 2018. Students from FET actively participated and carried out various project work during five days' workshop with discussions on Introduction to Internet of Things (IoT), Intel Galileo Board for IOT (Designed as compatible to Arduino), Sensors: Analog Sensor, Digital Sensors, Interfacing of different sensors & actuators & Programming of Galileo board as per the project problem statement.

CSE Department, FET in collaboration with AP2V Solutions (Red Hat Authorized training partner) organised a 3-day Technical workshop entitled "Devops Automation & Cloud Computing", for the students from 29th Aug to 31st Aug 2018. At the end of this workshop our students were awarded scholarships for the courses.

CSE Department, FET in collaboration with IBM organized a 2 day Technical workshop on cloud computing", for the students from 14-15 September 2018. A Team of 4 Technical expert, Ms. Rohini, Mr Anil Meher. Mr Aman bakshi were here to expertise the students on cloud computing technology. It was a hands on learning experience for students.

CSE department organized a full day workshop on 17 September 2018 on aptitude building and importance of aptitude building by Times group The trainers helped the student to understand aptitude question solving techniques and tricks.

CSE department organized a workshop on pentesting in association with Elan & Nvision and Azure Skynet as training partner on 19 September 2018. Mr. Manish and Mr. Deepak from azure skynet trained the students about ethical hacking and pentesting tool. The workshop was a hands-on session to give students a gist of ethical hacking & cyber security.

CSE Department Organized A Workshop On “AGUMENTED REALITY & VIRTUAL REALITY” in Association With “KOMPANIONS” As Training Partner on 24th September 2018. A Training Team of 5 Members Mr. Yuvraj, Mr. Dheeraj, Mr. Navdeep, Mr. Alok and Mr. Avnish gave the Students a Hands on Learning Experiences with AR & VR Devices and Knowledge about the future of AR & VR Technology. The Workshop was a very Interactive & Interesting Session for the Students giving them a “Virtual Reality Experience”. Also Students had a coding session with the help of trainers in which they created their own virtual reality environment.

Computer Science and Engineering organised a two day workshop on 22 - 23 October 2018 for final year students of B.Tech, MCA and BCA. Aprtron training centre expert Mr. Abhishek Kumar and Saurabh Kumar as a trainee of the workshop covered Kotlin programming basics and Android Studio. It was an interactive workshop where students had a hands-on experience.

Computer Science and Engineering organized a 3 days' workshop on smart city micro acceleration program by trainers Mr. Suryender Kumar and Mr. Ravi Chugh from INTEL, FICE on 19-21 December 2018. The total of six teams more than 30 students participated and will be going through a rigorous and iterative process of creating their minimum viable product and taking their ideas to reality.

A Workshop was conducted on 7th January, 2019 on NLP and Question Answer Automation by Dr Amal Saha, Professor, Department of Computer Science & Engineering. The objective of the workshop was to introduce the subject of Computational Linguistics or Natural Language Processing (NLP) and its sub-domain Question Answering Machine comprehension.

Department of Electronics and Communication Engineering organized a Workshop on Research and Innovation on 24th December 2018 where the speaker was Dr. Y.K. Awasthi, Faculty Research Advisor at MR Research Innovation & Incubation Center, Faridabad.

Students of Mechanical Engineering visited Maruti Suzuki plant, Gurugram on 07th February 2018. The Gurugram Plant produces the Alto 800, WagonR, Ertiga, S-Cross, Vitara Brezza, Ignis and Eeco. The students learned about the assembly line and quality issues.

Mechanical Engineering students visited HEIL (Hema Engineering India Ltd.) on 10th February, 2018. The company deals in the manufacturing of 2-wheelers frames for Hero and Yamaha. The students visited the calibration Laboratory, welding shop where Robots were doing welding, paint shop and assembly shop.

Mechanical Engineering students visited Auto-Expo 2018 at Greater Noida on 13th Feb, 2018. The main focus of the expo was on E-Vehicles as Hyundai brought in the electric and hybrid versions of various cars.

Mechanical engineering students visited ALP Nishikawa, Gurugram on 9th March, 2018. ALP Nishikawa is a dedicated OEM supplier to most of the Global Automotive Manufacturers in India including MSIL (Maruti Suzuki India Ltd.), Mahindra & Mahindra, Renault Nissan, Tata Motors and others.

Mechanical Engineering students visited Munjal Kiriu Manesar, Gurugram on 8th September 2018. Munjal Kiriu is a manufacturer and distributor of four wheeler parts like brake, clutch, Steering knuckles. MUNJAL KIRIU is a dedicated supplier to Renault Nissan, Honda, Maruti Suzuki, Toyota Etc. Students gained the practical experience of Testing, Casting and Foundry of the various products manufactured by MUNJAL KIRIU.

Mechanical Engineering organized an industrial visit at CBS Technologies, Greater Noida for 2nd year students on 8th September 2018. This visit was planned in order to create a visual experience for all the

students. On the arrival, the students were briefed about the company profile in the conference room by Chief Engineer of CBS Technologies. Later the students were taken to the main assembly plant where manufacturing of centrifugal pumps and oil filters were explained in detail. The pumps and filters are made according to the customers need.

On 15th September 2018, 30 students comprising Mechanical 3rd, 5th and 7th Semester visited 'MOON BEVERAGES', Sahibabad, Ghaziabad. Moon Beverages is an authorized bottler of Coca Cola Atlanta, USA and involves manufacturing and distribution of Coca Cola, Limca, Sprite, Maaza, Thums UP, Fanta, Minute Maid, Coke Zero & Kinley. The students were introduced to high volume, continuous production type manufacturing layout. The visit included water treatment plant, bottling plant, washing plant and a brief presentation on Moon Beverages.

The Department of Civil Engineering organized an Industrial Visit at the site of, Expressway Towers, Sector-109, Village Babupur, Gurugram on 3rd April 2018. This program was organized for 6th and 4th semester B.Tech students.

Civil Engineering students participated in Road Safety Week under NATPAC (National Transportation Planning and Research Centre) from 23rd April 2018 to 28th April 2018.

Summer Training Program on STADD Pro and Auto CAD from 5th June 2018 to 25th June 2018 was organised for students.

Co-Curricular Inclusivity

Excursion Tour was organized in March (7th – 12th March, 2018) to Kasol - Kheerganga by ECE and CSE Departments. The students enjoyed the break from academic curriculum.

Mechanical Engineering department students participated in "Cricket Champions Trophy", organized in and by Delhi Technical Campus, Bahadurgarh, Haryana and won the trophy.

Faculty of Engineering and Technology welcomed their fresher students on the holy land of SGT University with great enthusiasm. The program started with lamp lightening of Goddess Saraswati by Pro Chancellor of SGTU Dr. Sham Singla. The fresher's entertained the audience with their extraordinary talents and amusing performances. The second year students also preformed and welcomed their juniors. The talented fresher students were crowned as Mr. and Ms. Fresher, Mr. and Ms. Personality and Mr. and Ms. Performance titles based on their performances. The program ended with the wishes and blessings by SGTU management and faculty members to the fresher students for their bright future ahead.

Induction program started with a creative and inspiring video on Future Technology. After that Students were involved in games and other talent show activities. Then Mr. Brijesh, an eminent speaker (from SMC) addressed the students. Later Ms. Shaifali (from IBM) also inspired the students by her motivational talk. After the break, the students had a visit to SGT University so that they can be familiar with all other departments, canteen, mess, hostel and other assets of SGTU.

The Department organized "Engineer's Day celebration" on 14th September, 2018.

Faculty Of FASHION & DESIGN

Overview

Faculty of Fashion & Design is poised to be a leading institute offering its students an ideal combination of fashion professional for corporate and academic excellence. We are constantly working towards our mission of delivering quality education and generating new budding fashion professionals.

With a faculty team renowned for its fashion academic credentials, the faculty of Fashion & Design earned recognition for its unique style of teaching and experimental learning. We are offering an academic environment with creative focus and innovation to meet the current demandable requirement of the students to become excellence performance towards fashion & future. The faculty of Fashion & Design has latest infrastructure equipped with modern class rooms, project based lecture, labs with advanced machineries. The faculty comprises of illustration labs, pattern making labs, dyeing & printing lab, CAD lab, recourse studio quality control lab & fashion art gallery. Teaching pedagogy supplemented by interactive programmes with renowned fashion professionals for the holistic development of the students.

Our vision is to create a premier fashion University, globally recognized as a leader whose educational experience, knowledge and outreach will transform the face of fashion education, primarily through career focused creative education. Incepted with the idea of providing a new dimension to the fashion and interior design graduates and up skilling the pass outs, SGT envisions being a premier centre of learning for career-oriented professional courses.

Industry Connect

The faculty organised a visit to TITS, Bhiwani Institute & Mill on 16th March 2018 to show the students, the different type of machines related to weaving, spinning and processing units. Student learnt there how a fiber converts into a yarn, how yarn is weaved into a fabric and after that how fabric is processed to get dye in different solid colors and prints.

The faculty organised a guest lecture by Dr. Mustafa Nadeem Kirmani, which was attended by students on World UN Psychology Day 12th April 2018 Celebration. This lecture was important for students to know about the psychology of customer/consumer towards the design of garments as well as lifestyle products or perception about the fashion. This was also important to get idea from the consumer about their requirements so that manufacturer can meet the requirement of consumer by developing the same product as demanded by the customer/consumer.

Students attended Fashion show- India Fashion Week, Amazon.in by FDCI on 16th March 2018. This helped them to know how a fashion show is conducted and presented. They got idea about different types of garment design, Silhouettes, fabric type, prints color and type, solid Colors, accessories etc.

Students & Faculty members attended the Brew-up trend 2019 (Spring-Summer 2019) Fashion Forecast Seminar on 7th April, 2018 in Delhi. This helped them to understand the long desired need of the Indian apparel and textile industry to have a dedicated fashion trend forecasting resource of its own market. They also learned the present-future insights for men & women western wear categories with seasonal mood, influencing factors, colors, products, silhouettes and fabrics properties.

Students attended Fashion show India Runway week IFFD on 21st April, 2018. Our two students named as Sachin Kumar and Ritu (B. Design 2nd year) worked in this fashion show as volunteer in back stage which was a great opportunity for them to learn how organize a fashion show for the masses.

Our students visited "ADAAH" - Contemporary Fashion & Lifestyle Exhibition on 23rd April 2018 to learn the different design and color of garments as well as life style products, future trend in terms of silhouette, color, print and solids.

Faculty of Fashion & Design students and Faculty members attended NEST FEST 2018, cultural program and Fashion show in association with media partner PANORAMA organized by MY HOME INDIA, an eternal band of fraternity at Talkatora Stadium, New Delhi on 8th September 2018. The Fashion crowd witnessed chief guest, Shri Rajnath Singh ji, Hon'ble Union Minister of home affairs, Govt. of India, Dr. Harsh Vardhan, Hon'ble Union Minister, Science & Technology, Govt. of India. It was the great opportunity to know and discuss about the different traditional cultural. The cultural program and fashion show improved the new designer's commercial views.

The students attended the Machine Embroidery Workshop conducted by USHA International on 26th April 2018 so that students can be aware of various utilities of a machine. How a single machine can perform different task like stitching, button holing, button attaching, interlocking, Hemming, etc.

Faculty members of Fashion & Design attended LOTUS make-up India Fashion Week Fashion Show in association with NEXA Spring Summer' 19 organized by FDCI at Jawaharlal Nehru Stadium, New Delhi on 13th October 2018. The designers collections witnessed were by Preeti Jain, Nainutia (Siddhartha Bansal, Swati Vijaivaryie and Vedangi Agarwal). The fashion crowd witnessed fashion professionals, trend setters, media people and students. It was the

great platform to know each other and discuss about the fashion culture.

Faculty of Fashion and Design participated in 'DAV United Festival-2018' which was a fashion exhibition held at 'Indira Gandhi National Centre of Arts' and participated in a fashion show 'Amalgamation of Mushrooms'. True to its title the highlight of the fashion show was fabrics inspired by the softness and texture of 'Mushroom'. There was a huge footfall and everyone enjoyed the fashion fiesta.

Co-Curricular Inclusivity

Faculty of Fashion & Design organized an Induction program for four days (1st Aug – 4th Aug 2018) for the new batch. After introduction, an interactive session on fashion industry and job opportunities was conducted by the eminent personality Prof. Kapil Kishor. This session not only cleared the students doubt but also opened numerous value added job openings. The post lunch session was on design concepts demo and visualizing techniques with different lines, strokes, shadow, rendering etc. On the fourth day, a speech was organized on 'Creative Dress Designing' conducted by the industrial expert Mr. Julferkar. The 2018 budding designer induction program ended with a feedback along with happy note.

RU-BA-ROO 2018 was held on 28th August 2018. The event witnessed an explosion of talent, showcasing the performance by first year students of Faculty of Fashion & Design. The dress code for the Fresher's day was 'Tie & Pearls'. Mr. Yash & Ms. Ashi were announced as Mr. & Ms. Fresher 2018. This event was a great stress buster and helped the first year student build their self-esteem and confidence.

Faculty Of HOTEL & TOURISM MANAGEMENT

Overview

Faculty of Hotel Management of the University has been established with an aim to develop business leaders with right attitude and problem solving ability with global outlook. The recent liberalization of trade and opening up of economy led to revolutionary growth in Indian Hospitality Industry. There are lucrative and interesting positions available to the hotel management graduates in various fields like -airlines, BPOs, catering departments of railways, banks, armed forces, shipping companies, clubs management, cruise liners, customer care, forest lodges, guest houses, hospital and hospital administration. FHTM has state of art infrastructure and well equipped labs for conducting training sessions, the faculty members leave no stone unturned in moulding and preparing the students to be the future leaders.

The placement process at Faculty of Hotel & Tourism Management is an amalgamation of a strong training culture which includes industry oriented technical training, aptitude, communication, soft skills and life skills training throughout the academic session, recognizing the core competencies of the students. Placements are an integral, underlying and continuous process for students from the first day. This is the priority of the industry and is well taken care of so that the placement of the hospitality graduates is effortless.

Accolades

Students of Faculty of Hotel & Tourism Management won Runner's Up Hospitality Champions Trophy at Ansal University's Vatel School of Hotel & Tourism Management - on April 27th 2018. The two teams comprising of two students each was chosen to represent FH&TM, SGTU included Jaspreet Singh, Akash Kanaujiya, Harshit Tandon and Atit Khadka. Both the teams bagged the Runner's Up Trophy in both competitions as they dished out tempting delicacies like Chicken Cordon Bleu, Coffee & Condense Milk Pena Cotta, Risotto Nuggets, Devil on Horse Back and Green Apple Walnut Shrikhand. The teams were well appreciated for their innovation and presentation.

Team of students comprising Akash Kanojia and Jaspreet added another feather to their achievements and brought laurels to their college by winning 3rd prize at Chef Competition organized by Banarsidas Chandiwal Institute of Hotel Management from 24th- 26th October 2018. They displayed their culinary skills by making some irresistible delicacies using mystery basket provided to them.

National Chef Competition was held at Maharishi Markandeshwar University, Mullana on 29 September 2018 and our students bagged first prize in Towel art (Sparsh Bhati) and third prize in cake decoration (Harshit Tandon and Atit Khadka).

Faculty of Hotel and Tourism management has tied up with BHMS, Switzerland and Vira International for providing international Training and placement facilities to its students. We always seek to deliver the best job opportunities to our students so that they give a flying start to their careers.

Industry Connect

Radisson Blu, Dwarka participated in Campus Placement drive on April 21st 2018 to gauge the potential of BHM Semester 6th students. Mr Prateek Prabhakar Manager Learning & Development along with Ms Poornima of HR gave students insight into the Radisson Blu Hotels, its philosophy and pathway ahead. This was followed by group discussion and personal interviews. The students selected will be reporting to the hotel for round two of the selection process. The placement cell of the Faculty consistently strives towards providing the budding Hospitality professionals opportunities for Industrial training and Placements.

Mr Harpreet Dhawan Manager Learning & Development along with Ms Sheetal Chaddha, Manager HR, Radisson Blu Faridabad visited the campus on April 17th 2018 to select students for various levels of recruitment on all major departments of the hotel namely Front Office, Housekeeping, Food Production and Food & Beverage Service. The in-depth presentation, group discussion and personal interview brought out the best in students. Their mettle was put to real test as they faced a number of behavioural, domain specific and technical questions from the interviewers.

Keeping the importance of French Cuisine in mind a workshop was organised in the Faculty of Hotel & Tourism Management by Chef Lokesh Swami, Executive Chef Caara Hospitality on the finer nuances of French Cuisine with a contemporary twist on

28th February 2018. He explained about the intricacies of French cuisine, various ingredients used, and their nutritive and therapeutic importance. The dishes demonstrated by Chef Lokesh Swami were Aubergine Mille Feuille, Quinoa Barley Broccoli Salad, Chicken Liver Ganache, Salmon en Papillote, Apple Frangipani Tart.

First year students of FHTM, under the guidance of Prof. Ashok Panchal, visited Select Group of Hotels Heritage Village, Manesar. Mr Bhavani Singh – H.R. head of Select Group of Hotels welcomed the students and took them for a show around of the Hotel. The students were shown restaurant, banquets, rooms and all the amenities in the hotel. It was a wonderful learning experience for the students.

The students along with their mentor Ms. Anshu Kapoor visited Hotel Westin as a part of their curriculum. They saw departments like laundry, kitchen, restaurant and banquet.

Mr Vijay Jassal, Founder & Partner at Service Solutions along with his counterpart Dr Aarti Soni, Certified L&D Manager & Psychometric Assessor conducted a highly Specialized and Interactive workshop on Interview Skills and Power Dressing for BHM Semester 6th students on 27th April 2018. The exciting workshop equipped the students with skills to ensure selection for their dream job and they participated whole heartedly in the workshop.

Students of hospitality studies learn about various types of flower arrangements as a part of their curriculum. A floral workshop was arranged for students of Faculty of Hotel & Tourism Management on 28th April 2018, where they learnt the basics of floral design and techniques on how to choose, condition and arrange flowers, followed by a hands-on session to creating hand-tied bouquets and other floral arrangements.

On 25th April 2018 Chef Varun Bajaj enthralled the students with his awe-inspiring journey as a Management Trainee Chef at the prestigious Leela Hotels to becoming Business Head India & South East Asia of German Kitchen Equipment Manufacturing giant MKN. On the way, he gathered experience and expertise while working for brands

like Electrolux, Rational AG, Nestle etc. With food shows like “Technology with Kitchen” on FOOD FOOD Channel, creating first Eco friendly Food Truck of India Based on Maggi Noodles and organizing the first Corporate Super Chef Event INDIA this year in his kitty Chef Varun Bajaj’s deliberations were gripping as he brought out variety of food items using the Combination Oven in the Studio Kitchen.

Sous vide workshop was conducted by Chef Michael from BHMS Switzerland during SYNERGY 2018 on 10th - 12th October 2018. The aim of conducting this workshop was to apprise the students of this new cooking method and the latest developments in the culinary sciences. Sous-vide is a method of cooking in which food is placed in a plastic pouch or a glass jar and cooked in a water bath or steam environment for longer than normal cooking times.

Mixology Master Class by Mr Prashant Rawalia from MONIN was organized by Faculty of Hotel and Tourism Management on 5th October 2018. He apprised the students of the various techniques of making cocktails, their presentation and food choices to go along with them.

Students of FHTM organized Train them Lunch at the Ambrosia Restaurant on 9th September 2018. The décor and the outfits of the students resembled that of a railway station, also the menu included some tempting items one usually comes across during train journeys. With increasing trend of theme based restaurants, students got a first-hand experience of how theme based outlets are run.

Co-Curricular Inclusivity

The Faculty students went on an Educational Field trip to The Classic Hill top Resort at Chamba, Uttarakhand with 24 students along with 2 Faculty members from 12th to 15th April 2018. It was an enlightening experience. The location is truly environment friendly and sustainable. In today's age of huge concrete jungle and massive hotels, Classic Hill top Resort Chamba is truly a testament that tourism doesn't need to drain the resources of the destination but it can be a positive force helping to sustain the local way of life.

With heavy hearts FHTM bid farewell to its first batch of students in May 2018. We wish them all the best for their future endeavours and hope they excel and make us proud in their professional journeys.

A Grand welcome party was hosted by FHTM to welcome 2018 batch students who brought new vibes and enthusiasm. The event witnessed some spectacular performances by the freshers and the finale ended with the crowning of Miss and Mr Fresher 2018.

Students of FHTM had put up bakery and mock tail stalls at the Diwali Festival, 2018 in the University campus. They prepared some tempting items like brownies, flavoured chocolates, cookies, blue lagoon, gul kand lassi; the products were highly relished and liked by all.

Social Welfare

An important initiative of any institution is give back to society. In our endeavour the faculty organised "Budding Master Chef Competition" as a part of University Foundation Day Celebrations on 24th January 2018 in which 13 different schools participated. The judges included Chef Sachin Singh Sous Chef Radisson Blue Dwarka and Chef Sireesh Saxena, Member ICF, on Board several Academic Institutions, Ex VP ITDC encouraged the students by sharing their honest insights on a variety of dishes made by the students chefs in 4 categories namely Cake, Pasta, Salad & Finger Food Using Potato. The students of various schools and Students of FH & TM, SGT University who played the hosts to them thoroughly enjoyed the experience which was a mix of management, operations and culinary skills.

Faculty Of INDIAN MEDICAL SYSTEM

Overview

Faculty of Indian Medical System was established in the year 2015 with an intake capacity of 100 seats. The College is attached to a teaching hospital with bed strength of 100. It has facilities of Panchakarma, Ksharasutra, Wellness centre, Herbal garden, and well equipped, full-fledged labs. It has facilities of panchakarma involving various procedures like, Sneha - Svedana (Therapeutic Massage & Fomentation), Shiro Dhara, Emesis, Purgation, Leech Therapy etc are done various diseases as per need and on consultation of the specialists. It is also having a kshara sutra department, where various Ayurvedic surgical procedures are being done for Ano-rectal diseases.

MoU's have been signed with various Universities and Pharma Industries in India & Abroad for placement and training. After Studying B.A.M.S Career options are available in Clinical Practice – as self employment or can be placed in Ayurvedic & Multi speciality Hospitals, SPA, Panchakarma Centres etc. Apart from this the other opportunities are Academics, Research, Drug manufacturing, in Government Sector as Medical Officer/ Research Officer and in Pharma Industry.

Accolades

Dr. Avnish Pathak –Chaired a Scientific Session on Wound management at “Woundcon 2018” organized by SDM College of Ayurveda and Hospital in March 2018.

Dr. Avnish Pathak – Invited Speaker at “Woundcon 2018” on the topic “Developing an Efficient Wound Care Management”organized by SDM College of Ayurveda and Hospital in March 2018

Synergy 2018 - projects were put up by FIMS out of which Best Educative Project was awarded to “Neutraceuticals in Ayurveda”

Industry Connect

A National Conference on Ayurvedic Management of Urdhwajatrugata Rogas (Supraclavicular disease) was organized on 16th November, 2018 titled Shalakya Prabodhini. The Conference included six guest talks from various parts of the country and live demonstration of various treatment modalities practiced for urdhwajatrugata vikaras (Supraclavicular disease). More than 300 delegates participated including Physicians, Faculties and Students from various institutes.

A CME on the Topic 'Auto-Immunity and Arthritis' was presented by Dr. Paramdeep Kaur, Regional Health care organizer, Daburon 21st February 2018 in collaboration with Dabur Pharmaceuticals.

A CME on the Topic 'CLINICAL SIGNIFICANCE OF KRIMI CHIKITSA' was delivered by Dr. Pawan Madan, Senior Ayurvedic Physician and Technical Lead, Jiva Ayurveda, on 08th August 2018 in collaboration with JIVA AYURVEDA. Post lecture session included quiz competition and prize distribution ceremony to meritorious students with a promise of bright and secured future through possible placements.

A guest lecture on "Varma Therapy" was organized on 22nd August 2018. The talk was delivered by Dr. G. Senthilvel - Research Officer (Siddha) and Drug inspector, Ministry of AYUSH, Government of India. He also opened the gate for involvement of faculties and students in Research, International conferences in India and abroad for future.

Motivational speech by Dr. Prasanna Rao, Principal of SDM college of Ayurveda & Hospital, Hassan, Karnataka was delivered on 17th November 2018 to the UG scholars who were thrilled by the interactive session. Post lunch session was an interactive session with the teaching faculty of FIMS, SGT University where discussion regarding future scope and development of Ayurveda through research was carried out.

A guest lecture was conducted on 7th December 2018 by Dr. Remya Krishnan (Associate Professor working in MAHAE govt. Ayurvedic College). She enlightened the students with the lecture over "how knowledge of Guna and karma can be utilized in selecting a dravya (medicine) for treatment and how Yukti (logics) can help a vaidya (Doctor) in managing a patient".

A national Seminar on Diabetes was conducted in Collaboration with SBEBA. Faculty Of LAW

Overview

Established in May 2014, the Faculty of Law aims at developing academically competent legal professionals. Highly qualified and experienced Faculty have not only designed its curriculum in keeping with the growing areas in the field of law, but also facilitate the academic growth of the students and groom them to compete. In addition to class room teaching and participative learning, emphasis is also laid on organising seminars, conferences and extension lectures on current legal issues, thus facilitating students to interact with nationally and internationally renowned legal luminaries. With a view to providing greater exposure and opportunities for professional learning the Faculty of Law has also established linkages and tie-ups with leading law schools in India and abroad.

As a part of practical learning, the Faculty of Law has been organising National Moot Court Competitions since its inception, and has so far organized five such competitions in which students from law schools across the country participated.

The Faculty of Law offers academic programmes for the award of the degree of B.A., LL.B (Hons.), B.B.A, LL.B (Hons.), LL.B (Hons.), and LL.M Ph.D programmes. The areas of Excellence available are Corporate Laws, SEBI Laws, IPR Laws, IT Laws, Human Rights and Criminal Laws. In pursuance of its vision of becoming a destination for attaining excellence in imparting legal education of the highest quality, The Faculty of Law has been pursuing its mission of developing itself as a centre for research and higher studies in the emerging areas in the field of law.

The infrastructure of the Faculty includes smart Classrooms and Seminar Hall, which comprises of spacious air conditioned classrooms fitted with LCD projectors and other technological equipment to facilitate better learning, Moot Court Hall, Separate Law Library maintained by Faculty of Law along with e-library facilities. The Faculty of Law imparts education through innovative teaching methodologies to facilitate interactive and participative learning.

The job prospects and future opportunities available after completing legal education are Litigation, Public Prosecutor, Judiciary, Defence Services (JAG), Legal Advisors in Private Firms, Corporate Counsel, Academics, Legal Officer in Bank, and also join Insurance Companies, Intellectual Property Law Firms, Court Clerkship, Legal Journalism, Legal Process Outsourcing, NGOs and Think Tanks, Other Govt./Private Sector jobs, and also the Civil Services.

Accolades

The Faculty of Law, SGT University have collaborated with The National Law School of India University (NLSIU), Bangalore, Karnataka and have already completed one Student Exchange programme.

Industry Connect

This year, the Faculty of Law organised its 5th Moot Court Competition on 7th, 8th and 9th February 2019, in which students from across 35 law schools of the country participated. Hon'ble Justice B.B. Prasoona, former Justice, Punjab and Haryana High Court was the chief guest at the inaugural ceremony and Shri P. K. Malhotra, Former Secy, Law and Justice and currently Secy. General, ICADR. The valedictory address was delivered by Hon'ble Mr. Justice Deepak Mishra, former Chief Justice of India.

In addition to this, Hon'ble judges of the Supreme Court of India, Hon'ble Judges from the various High Courts and Lower Courts along with senior advocates and other legal luminaries have been kind enough to preside over many of our Seminars and other educational programs thus motivating to students to pursue the study of law.

The students have been provided internships at reputed institutions like National Human Rights Commission,

National Consumer Disputes Redressal Commission, Delhi, Delhi Dispute Resolution Society (Regd.), Department of Law, Justice & Law Affairs, Prayas NGO, Delhi, Law firms, Gurgaon.

Some of the important events conducted by the faculty in the areas of emerging legal issues are Seminar on Introduction to Arbitration Law in India, Seminar on Electronic Evidence: Issues and Challenges, Conference on "Data Privacy Challenges and Solutions (Personal Data Protection Bill, 2018), among others. Further, a Workshop on Mediation was also conducted.

On 30th August 2018, SGT University and Cyber Research & Innovation Society (CRIS) jointly organized a conference on Data Privacy Challenges and Solutions which was held at ISIL and presided over by Sh. Navniti Prasad Singh, former Chief Justice of Kerala High Court. The speakers in the conference has brought out several issues which are pertinent in light of the recent Personal Data Protection Bill, 2018. The panel was very vocal in critically analyzing the said Bill and it has been pointed out by the former Chief Justice that it is the Government's duty to facilitate use of personal data and to prevent abuse of it and this bill must address it. The conference is witnessed by law students, members of the Bar & Bench, Academicians and officers from various prominent departments.

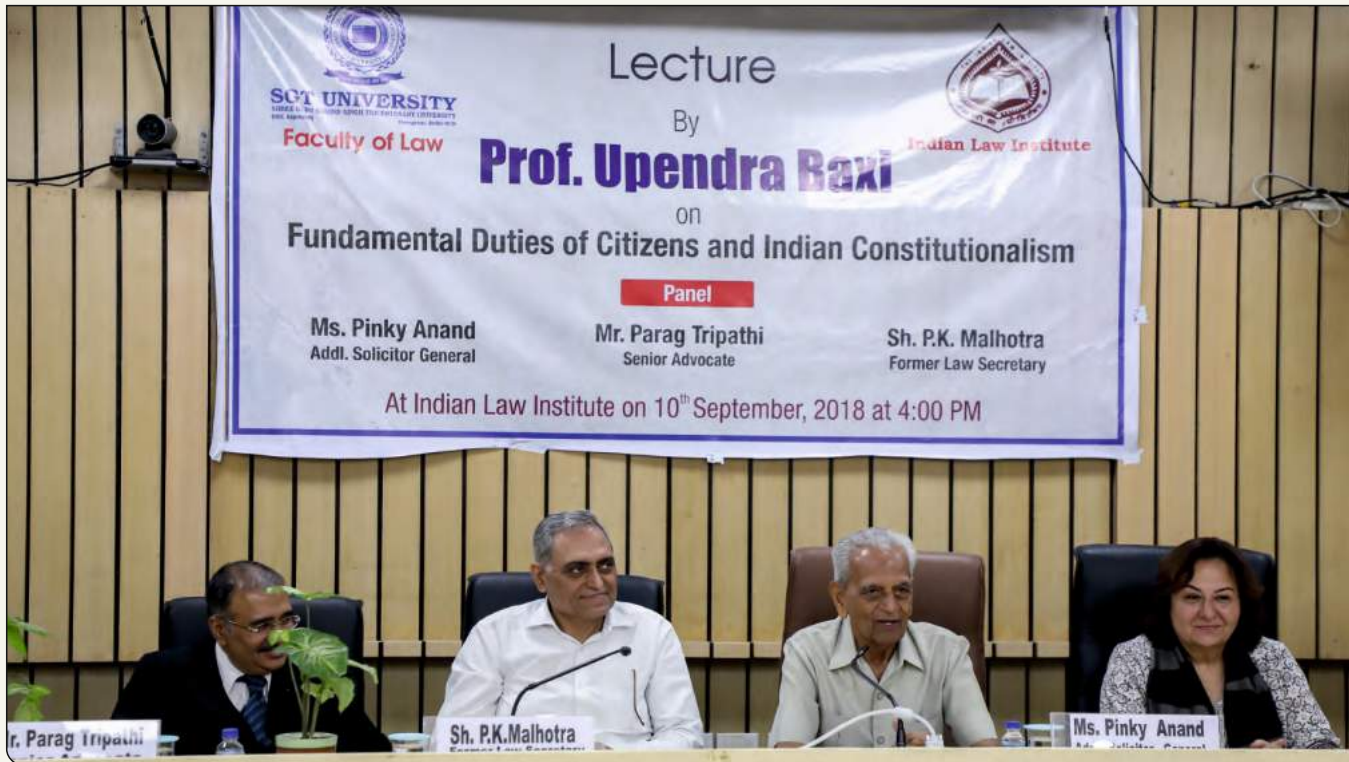

Such initiatives were graced by eminent personalities like Hon'ble Justice A. K. Sikri, Judge, Supreme Court of India, Hon'ble Justice Yatindra Singh, former chief Justice, Chhattisgarh High Court, Dr. M.P. Singh Chancellor, Central University of Haryana, Mr. P.K. Malhotra, Former law secretary (Govt of India), Mr. Manish Chibber, Noted Journalist, Ms. Veena Ralli, Sr. Advocate, Delhi High Court were invited.

The students have also been provided visits to the Supreme Court of India, Rashtrapati Bhavan, Parle Product Pvt. Ltd., Haryana, etc in an endeavour to motivate them and enable them to explore practical aspects of law.

The SGT National Moot Court Competition, 2018 was graced by eminent personalities like Hon'ble Justice Mr. R.K Agrawal (Sitting Judge Supreme Court of India), Prof. (Dr) Manoj Sinha, Director ILI and Mr. K.C Mittal, Chairman (Bar Council of Delhi) and Fr. President, Delhi High Court

Bar Association. Hon'ble Madam Justice Manj Goel, Former Judge High Court of Delhi. Hon'ble Mr. R. Venkataramani Fr. Member, Law Commission of India, Madam Savitari Pandey, Sr. Advocate Supreme Court of India and Madam Zubeda Khan, Sr. Advocate, Delhi High Court presided over the Bench.

Co-Curricular Inclusivity

Fresher students are like newly bloomed flowers in the garden. Faculty of Law welcomed their fresher students to SGT University with great enthusiasm. The programme started with lamp lightening of Goddess Saraswati by Pro Chancellor of SGT University Dr. Sham Lal Singla. The freshers entertained the audience with their extraordinary talents and amusing performances. The second year students also performed and welcomed their juniors. The talented fresher students were crowned as Mr. and Ms. Fresher, Mr. and Ms. Personality and Mr. and Ms. Performance titles based on their performances. The programme ended with the wishes and blessings by SGT University management and faculty members to the fresher students for their bright future ahead.

The event was of celebrating the Teachers' Day 2018. Far away from the pressure of studies and classes, the students of the faculty organised an eventful and colourful day. The teachers were welcomed with loud cheers and the program started after paying tributes to Dr. Sarvepelli Radhakrishnan. The program was an eventful day where the teachers and the students bonded together and performed various fun tasks like push-up competition, singing, dancing, etc. These games were followed by some words of motivation from the teachers.

Faculty Of MASS COMMUNICATION & TECHNOLOGY

Overview

The Faculty of Mass Communication and Journalism is a vibrant faculty of SGT University which imparts teaching and training in courses that are tailor-made for highly demanding and fast changing media industry. We at SGT University, sharpen the creative and technical skills of students to perfection. The faculty offers courses both at the undergraduate and post-graduate level in Journalism, whereas courses in Film are only at the undergraduate level. From 2019-20 session, the faculty will be introducing two new course viz. (a) Bachelors in Acting and (b) Bachelors in Digital Media. The structure of courses offers our students a complete industrial training with hands-on training, workshops, field trips, production projects and the best of equipment and infrastructure like fully equipped air-conditioned shooting floor for multi-camera operations, a media centre, editing suites, still & video cameras, PCR, lights, microphones – an ideal learning environment. This is the reason that at SGT University, Media teaching and training is not only theoretical; confined to the class-rooms but we encourage our students to be equally in the field for practical training on the state of the art equipment and facilities. The courses at SGT University's Faculty of Mass Communication & Media Technology cover a vast range of media verticals like print, film, television, film studies, radio, media research, content analysis, photography, advertising and public relations.

In order to provide healthy competition, interaction, companionship and leadership skills, the faculty has different activity clubs. The clubs not only help the students in having a great fun but groom their overall personality traits and soft skills such as managerial skills, teamwork, balanced outlook, bold thinking, planning, reasoning, delegation, analysis, decision making, time management, effective communication skills, motivation, problem solving and budgeting. The cultural activities held by these clubs provide opportunities to meet other students to exchange their ideas and views to promote changes on the campus and explore new interests. Through these events, every participant can explore and exhibit their abilities and potential with various competitive events such as Music, Dance, Street Play, Skits, Debates and Inter University/College/Institute Competitions.

The Faculty of Mass Communication and Media Technology comprise a judicious mix of faculty with rich academic and industrial experience which provides the students with holistic education. Students are assigned a mentor who is responsible not only for their academic growth but also for redressal of other concerns. The mentor acts as a friend, philosopher and guide to the students and helps them in every way possible. The mentor also maintains an ongoing dialogue with the students, parents and keeps them apprised about their progress throughout the semester.

Accolades

2018 has been a very busy year for the Faculty of Mass Communication and Media Technology, both for students as well as teachers. A two-day National Conference on DIGITAL MEDIA - Fact, Fiction & Fake was organized by the Faculty where all the teachers and students participated with exemplary enthusiasm.

This year 9 of our students were also chosen to represent the university in the 6 weeks' long HT Friday Jam; a cultural fest that is organized by the Hindustan Times Group every year. The students, both from Journalism and Film streams here worked with professional event managers, back stage managers, publicists and the likes. The year also saw our students propelling a 'Media Literacy Drive' not only amongst SGT students and faculty members but also taking the drive to the villages and schools of the district.

Faculty of Mass Communication and Media Technology brought up with a project called Media literacy campaign at the annual event of Synergy 2018. It was one of the important platforms for media students. They described to the audiences about the fake news which can cause of serious issues in society and as well as how to use the applications of social media accurately. Another project called as "RATING SYSTEM ANALYSIS" dealt with on-spot feedback system of the visitors which were mainly school students and their teachers. On the basis of their feedback we gave the ratings to the projects displayed in the Techfest. The feedback was collected through a carefully designed questionnaire. A Community Television Channel was set up in the University campus. The students were trained for the roles of Reporters, Anchors, Technical staff at News Desk, Input and Output editors. During the three days of the festival, the students went live on our Community television channel, presenting reports about Synergy, visitors and models prepared by different departments.

Industry Connect

The students of Faculty of Mass Communication and Media Technology Organized a visit to Sultanpur Bird Sanctuary, a popular National Park located in Gurgaon on 5th February 2018. The aim of the visit was to boost the practical cross-media (TV, Print and Photography) production skills through experiential learning.

The faculty organized a Guest Lecture by Mr. Uma Shankar Singh, Mobile Journalism Expert, NDTV on 23rd March 2018. While addressing media students he said, "Nowadays media houses focus on cost costing so mobile journalism is very relevant where the same person is reporter and camera person

and there is no need of costly video cameras.” He gave tips on how to stop fake news in media. Later he took questions from our students and explained their queries.

Senior Cinematographer and former Head of Camera Department of NDTV Mr. Ajmal Jami visited SGT University for a workshop on ‘Light and Camera’. While addressing media students Mr. Jami underlined the importance of light for camera. The workshop organized on 15th & 16th March 2018, was divided in two sessions. The important feature of both sessions was that Students learnt to operate camera in professional way in the workshop.

Faculty of Mass Communication and Media Technology organized a workshop on 'Developing leaders for media industry' at the campus on 27th & 28th March 2018. Well known personality development trainer Ms Monica Mahajan gave tips on self-confidence. This session was focused on self-introduction and positive attitude.

The Faculty of Mass Communication and Media Technology, organized a one week Faculty Development Program on Research Methodology and Data Analysis from 9th to 14th July 2018. The well-known experts of the subjects shared their knowledge and expertise with the participants.

The faculty organised a Panasonic Broadcast Cameras Workshop on August 10, 2018. It was all about Cameras and Technology at the Panasonic 4K workshop. Students interacted with experts in Broadcast and DSLR camera manufacturers. They learnt about the future of broadcast technology, lenses, pixels, bits, colors and aspect ratios.

It was a very special occasion for media students on 22nd August 2018, when they got an opportunity to interact with two media personalities- political editor of NDTV Mr. Akhilesh Sharma and editor of Zee (MP-CH and UP-UK) Mr. Dileep Tiwari. The topic of guest lecture was ‘Political Reporting for News Channels.’ Political editor of NDTV Mr. Akhilesh Sharma advised students to gain more knowledge which is quite essential in the field of media. Where on the other hand, Editor of Zee (MP-CH and UP-UK) Mr. Dileep Tiwari focused on the technique of political reporting.

The faculty organised a workshop by Mr. Uma Shankar Singh, Mobile Journalism Expert, NDTV on 24th -25th August 2018. In this workshop students got to know that Mobile journalism is an emerging form of new media storytelling where reporters use portable electronic devices with network connectivity to gather, edit and distribute news from his or her community. Such reporters,

sometimes known as mojos (for mobile journalist), are staff or freelance journalists who may use digital cameras and camcorders, laptop PCs, smart phones or tablet devices. Mobile Journalism is a new work flow for media storytelling where reporters are trained and equipped for being fully mobile and fully autonomous. A broadband wireless connection or cellular phone network is then used to transmit the story and imagery for publication.

Students of faculty of Mass Communication and Media technology visited Doordarshan News Channel premises on 31st August 2018. Students got to know the work Environment of Channel. They visited various studios and have seen how the news is read and telecasted. They viewed the process of recording of Urdu news. They got to know the connectivity between PCR and studio, working of newsroom and role of assignment desk.

The faculty organised a guest Lecture by Ms. Shalini Narayan, Former Director, Public Relations Govt. of India on 10th September 2018. She described the students about the importance of PR. She explained to students that PR is all about building relationships to advance, promote, and benefit the reputation of you yourself, your department and institution. PR is about communicating your message to gain allies, advocates, supporters, etc. in the community and the institution.

Faculty of Mass Communication and Media Technology organized an industrial visit to AIR for its students on 11th September 2018. The visit was organized with the objective of to make student aware about the setup of the AIR and the work culture followed by the officials. The visit provided an excellent opportunity of interaction and knowing more about industrial environment.

A two day National conference organised on 14th & 15th September 2018, on DIGITAL MEDIA - Fact, Fiction & Fake was inaugurated by former Director (News) of Aajtak, Mr Qamar Waheed Naqvi and Head, Communication Research of IIMC, Dr. Geeta Bamezei today. In his inaugural speech, Mr. Naqvi said that we should learn the tools of checking fake content. Ms. Geeta Bamzei told the audience that the fake news is not a new thing but technology has potential

to multiply and amplify the effect. Twenty research scholars from different parts of the country presented their research papers. Only fact based journalism is not possible. Such type of journalism can't survive, well-known senior journalist Shri Rahul Dev said. He was speaking in a two day national conference on 'Digital Media: Fact, Fiction and fake' organized by faculty. He added that only media literacy can save us from the fake content.

The faculty organised an annual event "Xpressions 2018" where in various competitions in the field of mass communication were conducted. Famous RJ Raunac graced the occasion and appreciated the work being done by SGT University in the field of Mass Communication & Media Technology.

Co-Curricular Inclusivity

Students of Mass communication and Media Technology visited a painting exhibition conducted at India Habitat Centre on 9th February 2018. Creations of 27 famous artists, including Amrita Sher Gil, V. Nageshkar, Praodosh Das Gupta, Nirode Mazumdar, Jahangir Sabavala, KK Hebbar, Syed H. Raza, Ram Kumar, Sakti Burman, Zarina Hashmi were displayed in the Visual Art Gallery of India habitat Centre. More than 100 paintings were exhibited there.

The faculty students went on a six day trip that started on 26th March 2018. First year students were part of the trip under the supervision of two faculty members. Apart from extensive field and class-room teaching, SGT University provides its students, the moments of enjoyment coupled with learning in a fun-way. For media students, this trip included group exercises like shooting a Video-Travelogue, a Photo Feature Essay while they have had either being playful in the White Himalayan waters or in the lap of snowcapped peaks or bon-fire at a leg of shaking DJ Nite at their Hotel. Students visited many places like Beas river, Beas Kunund, Jogini water fall, Hidimba Devi temple, Club house during the trip.

The 2018 HOLI MILAN SAMAROH festival, one of the biggest events organized by SGT University was conceived and presented by the Faculty of Mass Communication and Media Technology. The faculty members and the students alike along with the teachers and students of other faculties were involved in the Cultural Event of the HOLI FESTIVAL. Our students presented the entire cultural program through a comic play where an American girl comes to India in search of “MOKSH” (salvation). She encounters a film unit in India that introduce her to the concept of KRISHNA-the eternal giver of salvation.

Induction Programme of Faculty of Mass Communication and Media Technology was organized for 4 days where in a galaxy of speakers interacted with new freshmen students. Journalists always face challenges. They also face different types of pressures because this profession is different from others,” said Prime Time Anchor of Doordarshan Mr. Ashok Srivastava at the induction programme. While addressing new students of SGT University at

induction program, Vice Chancellor Mr. Balvinder Kumar said, "The world is changing very fast. Things are changing quickly. The age of artificial intelligence is coming now." He advised students to be more alert to face the changes. He motivated new students and concluded his speech with five points- develop one passion, remove fear if you have any, be tech-savvy, no fear of failure and don't compare yourself with others.

The fresh batch of students who were inducted into various programs of the faculty were welcome by their senior mates on 29th August 2018, who presented them with many colorful cultural events. A grand ice-breaking party was thrown to welcome the juniors amongst much fun and frolic.

Students and Faculty members of the Mass Communication Faculty were given the responsibility to present dance dramas and short plays to be staged during the DIWALI MELA. The dance drama "Shakti", conceived and performed by Assistant Professor Biswambher Bose was the highlight of the event. The comedy play DILWALON KI DIWALI performed by students and written, conceived and directed by Ms. Sabiha Farhat and Professor Sushil Sharma was another highlight of the cultural program.

The teachers of Mass Communication Faculty participated whole heartedly in the fun games FUNZANIA. They participated in almost all games and Associate Professor Shri S K Pandey brought home two prizes.

Social Welfare

A Media Literacy campaign was organized by the students of the Faculty of Mass Communication and Media Technology in the premises of SGT University. They took out a procession around the University with the slogan 'HUM BADLENGE MEDIA BADLEGA'. A Nukad Natak called 'JAGTE RAHO' was also performed.

Students of Mass Communication, SGT University along with experts from Department of Allied Health Sciences went to explore the situation of water in KHEDA JHANJHROLA village of Gurgaon District. Students met with Mr. Dilip who is member of panchayat committee explained how villagers are struggling with poor availability of fresh water Mr. Dilip told how villagers are using the 3'R principal – Reduce, Reuse & Re-cycle. It was a ground reporting for students of journalism and filming experience for film students.

Faculty Of MEDICINE & HEALTH SCIENCES

Overview

SGT Medical College, Hospital and Research Institute a constituent unit of SGT University started its journey in 2010. This faculty offers medical education and healthcare services in its entirety. Courses offered include MBBS, MD/MS (in all disciplines), Medical M.Sc. and Ph.D. The students here have an edge due to the excellent infrastructure, state-of-the-art labs, well stocked libraries and diverse opportunities provided for their holistic development. The dedicated and highly qualified faculty helps them in their journey from a novice undergraduate to a well-trained and competent Indian Medical Graduate (IMG). A 730 bedded hospital attached to the college provides health care facilities to every sect of the society round

the clock. The infrastructure is continuously upgraded with recent advances in the field of medicine to cater to any and every need of rural and urban population in and around Gurugram. The academic as well as skill adeptness of the faculty is continuously improvised by organizing FDP (in new Medical Education Technologies as directed by MCI), CMEs, guest lectures, seminars, conferences etc. We are also laying the foundation of CBME (Competency Based Medical Education as recommended by MCI) to create doctors who can provide holistic care with compassion and are committed to excellence.

Accolades

Dr Asha Gandhi was invited as speaker to deliver guest lecture on “Therapeutic evidence in yoga Practice” on the occasion of 3rd Annual Conference of Physiologists of Haryana (PHYSIOCON-2018) held from 27-28 January 2018 Organized by Department of Physiology SHKM GMC, Nalhar, Nuh (Haryana).

Industry Connect

A workshop on Research Methodology including use of statistical software package like SPSS, STRATA, EpiInfo etc. was organized by PhD Research Cell under the aegis of Faculty of Medicine Health Sciences on 12th & 13th January 2018 at Committee Room, SGT Medical College Building (First Floor) Block 'C'. The workshop was very helpful for all students including Ph D Scholars, MD, MS, MDS, M.Sc. & senior Faculty members who are required to conduct the research projects. The workshop was inaugurated by the Dean FMHS and was attended by 102 delegates and facilitators. SGT University provided all the logistic support for success of the event.

A CME on “Antimicrobial Resistance: The Imminent threat” was held on 11th April 2018. It was organized by Dept. of Microbiology in collaboration with NCDC and WHO.

Important scientific topic covered were Antimicrobial Resistance containment country response, global perspective and its current scenario in rural set up by eminent speakers. CME was attended by 300 people.

The Department of Pathology, under the academic and professional leadership of its Head, Dr Uma Sharma conducted a CME on “Tumour Pathology – An Update” on 16th April 2018 at SGT University & Hospital. The topics of the CME were selected to focus and enhance the knowledge of all doctors from various specialties. Eminent speakers renowned for their field of expertise from reputed institutions like Army Hospital(R&R), Dr BR Ambedkar Medical College, Rohini and Jamia Islamia University, Delhi were invited as guest speakers. Faculty members from all departments of SGT Medical College & Hospital, Faculty of other institutions, along with PGs and MBBS students attended the CME.

Sensitization Program on Technical and Operational Guidelines on RNTCP was organized on 25th April 2018.

CME on Pharmacovigilance Awareness Among Clinicians by Dr. Sangeeta Sharma, HoD, Neuropsychopharmacology, IHBAS, New Delhi on 30th April 2018.

Dogra (Director-IQAC Cell), Dr. Kamlesh Kohli (Director-Medical Sciences), accompanied by Dr. Sansar Chand Sharma (Dean, Faculty of Medicine & Health Sciences) & Dr. Prachi Saffar Aneja (Convenor, MEU). Twenty four faculty members from various departments attended the workshop with great enthusiasm.

A CME on “Vector Borne Diseases” was organized by the faculty on 7th September, 2018.

Co-Curricular Inclusivity

The Faculty of Medicine and Health Sciences organized a sumptuous fresher's welcome party "SYNAPSE 2K18" for the batch of 2018. Aptly called Freshers Party, the purpose of this event is that every "fresher" of MBBS feels like an integral part of the SGT family and readies to take on challenge of the years ahead. The 2017 Batch revived the tradition by organizing the function which they named "Synapse 2018".

The orientation program for MBBS 1st year Batch 2018 was organized on 10th September, 2018. The Dr. Sham Singla (Pro chancellor, SGT University), Dr. Kamlesh Kohli (Director-Medical Sciences, SGT University), Dr. Sansar Chand Sharma (Dean,

Faculty of Medicine & Health Sciences), HOD and faculty members and 1st year MBBS students graced the occasion.

The outgoing MBBS batch 2013 celebrated a thanks giving party "Rukhsat A Raftan" to their Faculty members of FMHS for their contribution in building their future. An outstanding short documentary was also shown and followed by cultural programme.

Social Welfare

Department of Community Medicine has been organizing "health education sessions" involving different methods like role plays/ nukkadnatak/ health talks/ awareness rally etc, on occasions of important national/international health days.

A short play and awareness rally was organized for World T. B. Day on 23rd March 2018. Health campaign on World Health Day 2018 on 07th April 2018, World Diabetes day on 14 November 2018 and world AIDS day on 01 December 2018. Early detection of health disorders and their management and prevention have been main emphasis. World Health Day is observed every year on 07 April to raise public awareness about the specific health problem as per chosen theme. The theme of World Health Day 2018- "Universal health coverage: Everyone, Everywhere" - focuses on building commitment to "Health for All". Universal health coverage is about ensuring all people can get quality health services, where & when they need them, without suffering financial hardship.

Multi-Specialty Medical Camp & School health project with Holistic Health Approach and Health Education Activities at Sadhrana Village on 7th April 2018 for local population.

SGT University had adopted Budhera village in year 2013, under the scheme "Swa Prerit Adarsh Gram Yojana". Aim was to improve the health status of adopted population through holistic approach. A school health survey was conducted in 3 different schools of Budhera village to assess the morbidity pattern of school children. A total population of 631 students was covered.

Health camps are being held every day by an inter-disciplinary team (consisting of 2 medical doctors, MBBS interns posted in department, 1 dentist, 2-3 staff from publicity department). Covering 4 districts (Rewari, Jhajjar, Gurugram, Tauru/Mewat). A total of 197 such camps have been arranged during last one year since and 18863 patients were attended.

Satellite health clinics are carried out Three times in a week at Iqbalpur (every Monday), at Kaliawas (on every Wednesday), at Makrola (on every Friday) by RHTC, Department of Community Medicine for rural population. A total of 130 such satellite clinics have been organized in last one year in these villages. Similar satellite clinics are organized in urban health centre Sector 37D, Gurgaon for urban slum and adjoining population.

A special survey was conducted among adolescent girls regarding menstruation hygiene knowledge & practices

In pursuance of the objectives of the Swachh Bharat Mission, Govt of India has launched a 'Swachh Bharat Summer Internship programme', (100 hours between 1st May to 31st July 2018). In this regard, the Department of Community Medicine, FMHS had engaged the interns posted in the Department & volunteer students

during the mentioned time period and conduct various activities as a part of this Summer Internship programme. Swachh Bharat Summer Internship Programme of SGT University, Budhera Gurugram was inaugurated by Dr Shyam Singla, Pro-Chancellor, SGT University with Director, Medical Sciences, Gurugram on 21st May 2018 Various activities were organized during the campaign.

Faculty Of NURSING

Overview

Dashmesh College of Nursing was established in the year 2012. Presently it is the constituent of SGT University as Faculty of Nursing since 2013. The College is recognized by Indian Nursing Council, New Delhi and Haryana Nurses and Nurse-Midwives Council, Panchkula, Haryana. The University is recognized by the University Grants Commission (UGC) and approved by the Govt. of India. Faculty of Nursing is imparting the Nursing education to prepare Nursing manpower.

Faculty of Nursing, SGT University; Gurugram gives opportunity to students to learn in laboratory and real natural clinical setup i.e. SGT Hospital in all specialty areas & community. It has qualified faculty, excellent infrastructure and Multispecialty Medical Teaching hospitals, with most advanced facilities which provide a wholesome experience to nursing students for enhancing their practical skills. The students also get opportunities to participate in national health programmes time to time as per national health policy. The students provide care at community health centre (CHC), Primary Health centre (PHC) and family level which is an integrated part of nursing curriculum.

SGT University in collaboration with Indian Society of Psychiatry Nurses (ISPN) organized 17th National Conference on Liaison psychiatric: Nurse's Role from 10th to 12th March 2018 and the participant were from all over India and abroad.

Faculty of Nursing is also designated as Programme study centre for Certificate course in Community Health for Nurses. It's a flagship program of Government of India (GOI) in collaboration with IGNOU as part of AYUSHMAN BHARAT run by National Health Mission (NHM), Haryana.

1st Simulation User Network (SUN) Conference was organized on 27th and 28th October 2018 at National Reference Simulation Centre (NRSC), SGT University, Gurugram by Indian Nursing Council in support with USAID, JHPIEGO, Laerdal ASEAN. The Simulation User Network (SUN) conference was created to facilitate a conversation between users at all levels in the field of health care simulation. Laerdal has been hosting SUNs for over 10 years and touched thousands of simulation users. SUN conferences are designed to address the learner needs with practical and immediate solutions for patient care.

Job Prospects for Nursing include Government or Private Hospitals; Clinics & Nursing homes & Community Setup; Orphanages & Old age homes; Military Nursing services; Public Health Nurse (PHN); Railways & Industrial Nursing; Rehabilitator in Rehabilitation Centers; Government or private schools/ colleges & training institutes; Nurse Educator, Administrator, Manager, Counselor, Researcher and Nurse Practitioner. Majority of the nurses in India go abroad like USA, UAE, UK, Canada, Gulf countries, New Zealand, Malaysia, Singapore and Australia etc.

Accolades

Prof. A.K Mamta Devi, Professor & HOD delivered a guest lecture at ISPN CONFERENCE organised on 9th March 2018.

Prof.(Mrs.) Santosh Mehta, Dean; Prof.(Mrs.) KVS Chaudhary, Addl. Dean; Mr. Sunil K.Dular; Prof. A.K Mamta Devi and other faculty members were scientifically involved in ISPN Conference at SGT University on 9th March 2018.

An Innovative project, Puppet show on Eating disorders was awarded at the mega event of Synergy 2018.

Industry Connect

Indian Society of Psychiatric Nurses (ISPN) in collaboration with SGT University organized 17th Annual Conference on "Liaison Psychiatry: Nurses Role" from 9th March 2018 - 11 March 2018. Inauguration was done by the dignitaries namely our Chief Guest Dr. T Dileep Kumar, Patron ISPN, President INC, and Ex-Nursing Advisor to Govt. of India. Guest Of Honour were Dr. S K Chaturvedi Dean, Faculty of Behavioral Sciences, NIMHANS, Dr. K. Redemma, President of ISPN and Nodal officer, National consortium for PhD nursing at St. Johns college of Nursing, Bengaluru, Dr. Radhakrishnan, Asst. Prof. of Nursing, NIMHANS along with Mr. Manmohan Singh Chawla, Managing Trustee, SGT University, Mrs. Madhupreet Kaur Chawla, Chairperson, SGT University, Dr. Daleep Singh, Pro-Vice Chancellor, SGT University, Dr. Sham Lal Singla, Pro-Chancellor, SGT University, Dr. Kamlesh Kohli, Director of Medical Sciences, SGT University as other dignitaries. Dr. Sreevani was awarded with ISPN fellowship award. Event was graced by eminent speakers who highlighted various aspects of Liaison Psychiatric Nursing and International Delegates attended the conference and shared their experiences. Over 400 participants were engaged from different states.

The Simulation User Network (SUN) conference was created to facilitate a conversation between users at all levels in the field of health care simulation. Laerdal has been hosting SUNs for over 10 years and touched thousands of simulation users. SUN conferences are designed to address your needs with practical and immediate solutions. The workshops as well as master classes offered during the conference, present a great opportunity to join peers and partners in advancing nursing training. SUN is come to India for the first time on 27th and 28th October 2018 at SGT University, Gurugram and the focus this year is "Simulation in Nursing Education."

B.Sc. Nursing 2nd year and M.Sc. Nursing students visited National Institute of Health and Family Welfare (NIHFW) on 21st March 2018. The NIHFW is an autonomous organization, under the Ministry of Health and Family Welfare, Government of India, acts as an 'apex technical institute' as well as a 'think tank' for the promotion of health and family welfare programs in the country. During the visit, Dr. Rajesh Kumar welcomed our students and gave the overview on NIHFW activities. Dr. Nanthini Subbiah introduced students regarding the nursing scenario in India/ RCH project and oriented to National Skill Lab "DAKSH". In skill lab, students were demonstrated with intravenous cannulation. Dr. Sanjay Gupta and his team oriented the students regarding NCCVMRC (National Cold Chain and Vaccine Management Resource Center), it includes vaccine storage and maintenance. Overall it was very informative and students gained knowledge about the functioning of the institute.

M.Sc. Nursing students of Faculty of Nursing visited Voluntary Health Association of India (VHAI), New Delhi under

the guidance of Prof. A.K. Mamata Devi & Mr. Sunil K. Dular, Associate Prof. on 10 April 2018. During the visit Mr. Binoy Mathew, Senior Programme Officer welcomed our students and gave an overview on VHAI activities. VHAI is a non-profit, registered society formed in the year 1970. It is a federation of 27 State Voluntary Health Associations, linking together more than 4500 health and development institutions across the country.

Medanta (The Medicity) organized a campus placement drive for the passing out batch of B.Sc. Nursing final year students of Faculty of Nursing on 4th July 2018 at SGT University. The placement department at SGT University is proud to contribute nation building by addressing the manpower needs for the industry. The selection criteria for the placement included written examination and interview conducted by Mr. Vikram from HR team Medanta. Total 21 no of students got selected by the team of experts from Medanta, Gurugram.

On 5th July 2018, BLK Super Specialty Hospital, Delhi organized a campus placement drive for the passing out batch of B.Sc. Nursing final year students of Faculty of Nursing at SGT University. The selection criteria for the placement included written examination and interview conducted by HR team. Total 29 students got selected by the team of experts from BLK Super Specialty Hospital.

Faculty of Nursing, celebrated Breast Feeding week, where a Guest lecture was organized on 7th August 2018 on the theme, "Breast Feeding-Foundation to Life" The session was inaugurated by Dr. Kamlesh Kohli, Director Health Sciences, SGT University, Prof. Mrs Santosh Mehta, Dean, Faculty of nursing, SGT University, Prof. Mrs. KVS Chaudhary, Ad. Dean, Faculty of Nursing, SGT University, Dr. Rashmi Asif, Director (Clinical Services and Training) Jhpiego, India, Mr. Eldho Rajan, Programme Officer, Jhpiego, New Delhi with the lamp lighting ceremony. The Lecture was delivered by Dr. Rashmi Asif, Director (Clinical Services and Training) Jhpiego, India emphasizing on objectives of Breast feeding theme by WABA 2018.

A visit was organized by Faculty of Nursing, for the delegates from Japan to get exposure and understanding of nursing education in India on 29th October 2018. There was a team of total 5 candidates along with one interpreter. Mrs. Yamazaki Nursing Faculty, Hiroshima International University, Mrs. Kubota, Nursing Faculty, Hiroshima International University. Mr. SN Misra, Chief Executive Officer, and Mr. Ravi Kalra from Health and Beyond Foundation, India which is an organization based on Public Health and social development. Discussion was related to student and faculty exchange to be familiar with the nursing education in Hiroshima International University. They visited the Faculty of Nursing, labs and the Simulation lab in SGT University.

SGT University, Faculty of Nursing in collaboration with IGNOU organized an Induction Programme on Bridge Course for Certificate in Community Health for Nurses on 10th November 2018.

Co-Curricular Inclusivity

The faculty organized events on the foundation day of SGT university on 24th January 2018. The programme was started with the Rangoli competition. The competition was judged by Dr. (Mrs.) Kamlesh Kohli, Director of Medical and Health Sciences, SGT University and Mrs. KVS Chaudhary, Add. Dean, Faculty of Nursing. Panel discussion was there by the M.Sc. Nursing 1st year students followed by quiz competition. Mrs. Bharti Sachdeva, Assistant professor, SGT University was the quiz master and Mrs. Shikha Sharma, Assistant Professor, SGT University was the score keeper. Various other activities were also organized to celebrate the day.

International Nurses Day 2018 was celebrated on 14th May 2018 by Faculty of Nursing, SGT University, Gurugram. Theme of the programme was – “A Voice to lead – Health is a Human Right”. On this occasion, Elocution and role-play competition were organized under the guidance of Prof. Santosh Mehta, Dean and Add. Dean Prof. K.V.S. Chaudhary. This event was coordinated by Ms. Rashmi Negi, Ms. Shweta Handa, Mr Muzaffar Makrani and Ms Manisha. Students participated in the elocution competition and presented their views on the theme. Elocution competition was judged by Dr. Sarju Devi, H.O.D. Language and Communication, Ms. Arvinder Kaur Pabla and Ms. Bharti Sachdeva, Asst. Prof. Faculty of Nursing, SGT University. Along with this role play competition was also organized in which all the batches participated. It was judged by Prof. Santosh Mehta, Dean, Add. Dean Prof. K.V.S. Chaudhary and Ms Usha Yadav, Assitant Prof. B.Sc. Nursing IIIrd year secured the first position followed by BSc Nursing IIInd year in role-play.

Faculty of Nursing, SGT University, Gurugram organized Lamp Lighting and oath taking ceremony on 17th May 2018 for 6th batch of B.Sc. Nursing and 5th batch of GNM. Prof Daisy Thomas, Registrar, Delhi Nursing Council was the Chief Guest of the Ceremony. The Lamp Lighting and Oath taking is an auspicious occasion in every Nurse's life is held in reverence to Florence Nightingale. The Founder of Modern Nursing. B.Sc. Nursing 1st year and GNM 1st year students were formally inducted in to noble profession of nursing recited the nightingale pledges dedicated themselves to the nursing profession to carry out their duties with compassion, empathy, love and devotion.

Faculty of Nursing, SGT University, Gurugram organized Lamp Lighting and oath taking ceremony on 17th May 2018 for 6th batch of B.Sc. Nursing and 5th batch of GNM. Prof Daisy Thomas, Registrar, Delhi Nursing Council was the Chief Guest of the Ceremony. The Lamp Lighting and Oath taking is an auspicious occasion in every Nurse's life is held in reverence to Florence Nightingale. The Founder of Modern Nursing. B.Sc. Nursing 1st year and GNM 1st year students were formally inducted in to noble profession of nursing recited the nightingale pledges dedicated themselves to the nursing profession to carry out their duties with compassion, empathy, love and devotion.

On the occasion of “World Breast Feeding Week” with the theme “Breast Feeding-Foundation of Life”. Faculty of Nursing, Department of Obstetrics and Gynecological Nursing and Pediatrics has organized an Intra-college quiz competition on 8-Aug-2018 with an objective to emphasize on awareness regarding Breast Feeding.

On the occasion of Induction Programme at the Faculty of Nursing the session was started by Mr. Sunil Kumar Dular, Associate Professor, about student support system, officers of University and their role in student assistance. Various other faculty members highlighted other aspects of University to the students. Later the Guest Speaker Dr. Sandhya Gupta, HOD Mental Health Nursing AIIMS enlightened the students with her motivational talk about Trends in nursing education.

Faculty of Nursing, SGT University organized a farewell party for the students of M.Sc. (Nsg) II year, B.Sc (N) IV year and Post Basic B.Sc (N) II year. Theme for the Farewell was Au-Revoir. The dignitaries addressed the students with their valuable words. Cultural programme was put up to entertain the students. Reflecting flashback of the experiences of seniors was highlighted by the video. Mr Sachin and Ms Priya Dagar from B.Sc. (N) III year were selected as Mr and Ms Farewell respectively by Prof Santosh Mehta, Dean, Faculty of Nursing and Prof K.V.S Chaudhary. Mr Sohit from B.Sc (N) III year and Ms Pooja from M.Sc. (N) II year were titled as best performer.

Faculty of Nursing celebrated Fresher's Party "Udyam 2018" to welcome first year students. Second year students welcomed the Freshers with great enthusiasm by tilak ceremony. Mr. Zameer and Ms. Anjali were declared Mr and Ms. Fresher, Mr. Deepak and Ms. Monishka were Mr. and Ms. Well dressed up and Mr. Ankit and Ms. Sipora Tudu were announced Mr. and Ms. Best performer.

Christmas is the season of joy, greetings exchanged and gift-giving. The Christmas celebrations took place in the Faculty of Nursing, SGT University on 22nd December 2018. The celebrations included cake cutting ceremony and gifts exchange by secret Santa Claus. The faculties were completely spellbound with the Christmas gratification and the day was called off with Christmas greetings.

Faculty of Nursing organized an Awareness Programme On the occasion of National Deworming Day on 10th February, 2018 at CHC, Farrukh Nagar, Gurugram. Deworming day is a day dedicated to deworm all the school going children of the country to give them healthy digestive system and create awareness about worm infestations. The programme was organized by the Community Health Nursing department, Faculty of Nursing. The students of BSc Nursing IInd year actively participated in the Awareness Programme under the Guidance of Mr Sunil K. Dular, HOD and supervision of Mr Muzaffar Ahamad Makrani, Assistant Professor and Ms Manisha, Lecturer.

On the occasion of "World Tuberculosis Day" with the theme "Wanted Leaders: For a TB Free World:" Faculty of Nursing organized a Tuberculosis day on 23rd and 24th March 2018 with the schedule of poster competition which

was held on 23rd March and extended with the role play which was conducted on 24th March 2018 at OPD, Reception, SGT Hospital with an objective of awareness, education, social stigma, myths related to Tuberculosis Disease. The students performed an excellent role play describing and explaining all the characteristics of the objectives.

Faculty of Nursing (Community Health Nursing department) organized a rally as a part of the Measles and Rubella vaccination Campaign on 31st March 2018 in collaboration with CHC, Farrukh Nagar, Gurugram to create awareness about Measles and Rubella. The Measles and Rubella (MR) vaccination Campaign aims at elimination of measles and rubella in the country by providing an additional dose of MR Vaccine, regardless of vaccination status of the children. The aim of the campaign is to cover 100% of the targeted children i.e, 9 Months to less than 15 years of children. The rally was inaugurated by Dr Ranvijay Yadav, SMO, CHC, Farrukh Nagar. The students of BSc Nursing IInd year actively participated in the rally under the guidance of Mr Muzaffar A Makrani, Assistant Professor and Ms Manisha, Lecturer, Faculty of Nursing.

On the occasion of World Health Day (7th April 2018), Faculty of Nursing, Community

Health Nursing department organized a Mass awareness programme at CHC Farrukh Nagar,

Gurugram by B.Sc. Nursing 2nd year students. This year marked the 70th anniversary of WHO and the theme for this year is "Universal Health Coverage: Everyone, Everywhere" and the slogan is "Health for all". This is to ensure that everyone and everywhere can access essential quality health services without facing financial hardship. The components of this programme were role-played, Health education, an inauguration of Measles-Rubella Campaign and Oath taking on universal health coverage. The programme focused on various national health programmes and health schemes related to communicable and non-communicable diseases, Maternal and Child Health and family welfare.

Faculty of Nursing celebrated World Hypertension Day on 17th May 2018 in CHC, Farrukh Nagar, Gurugram to raise the public awareness about hypertension, its causes, sign and symptoms, complications and preventive measures. The theme for this year is "Know your numbers with a goal of increasing high Blood Pressure (BP) awareness in all populations around the world". The programme was organized by the Community Health Nursing department, Faculty of Nursing in collaboration with CHC, Farrukhnagar. The students of BSc Nursing II year and GNM I year actively participated in programme. The various components of the programme were Health Education on different aspects of hypertension by Nursing students and MBBS interns, Yoga as a preventive measure to control BP and screening for hypertensive clients. The mass awareness programme was attended by the patients and the staff of CHC Farrukhnagar.

A visit for the students of BSc Nursing IVth year and M.Sc. Nursing Ist and IInd year was arranged to ASHARAYA: The Home for Destitute Women, Sultanpur on 15th January 2019 by the Department of Community Health Nursing of Faculty of Nursing. "Asharaya" under the Sisters of the Destitute Manav Seva Society is a home for females who are orphan, abandoned by family members or differently abled and provides dormitory accommodation, prepared meals, medical facilities and other day to day needs, free of cost. The objective of this visit was to sensitize the students towards social problems and to imbibe a sense of social responsibility so that they are not just efficient inside the class but also act responsibly outside. This visit made the students realise that one must contribute and understand his/her social responsibilities towards the society.

SGT COLLEGE OF PHARMACY

Overview

SGT College of Pharmacy, established in 2015, is running with D. Pharm, B. Pharm, B. Pharm (Practice) and Ph. D course with the goal to develop the professionally competent, well groomed patient friendly pharmacist. All courses are approved by Pharmacy Council of India (PCI). Now a day's SGTCOP is becoming a center for excellence for advanced studies and research in the field of pharmaceutical sciences. SGT College of Pharmacy will be starting Pharm. D Program (6 years regular) and Master of Pharmacy (M Pharmacy) from the session 2019-2020.

SGT College of Pharmacy has well learned, qualified and sufficient number of faculty members from prestigious institute of the country such as Delhi University, Hamdard University, Punjab University etc. All faculty members have numerous publications in the journal of national and international repute. Faculty members have a good hand in research and awarded the prizes in various conferences and seminars.

SGT College of Pharmacy has well equipped Smart class rooms, Spacious laboratories, Machine room, Central Instrumentation Facility, Herbal Garden, Museum, Library etc. as required by regulatory bodies. SGTCOP have a good platform for research as many projects have been applied regularly and funded by different Government Funding Agencies.

Students are educated by Industrial visits, Participation in various seminar and conferences of national as well as international repute. They are also introduced for extracurricular activities such as Health Camp organization, Blood donation Camp, National Pharmacy Day, Holi and Diwali Fest etc.

Various teaching methodologies like Teacher's Seminar, Group discussion, Problem Based Learning, Fish Bowl Technique, Project Based learning, Student Interactive Session etc. are adopted by the faculty to educate the students. These are latest techniques of teaching which are very beneficial for the academic and practical evaluation.

Accolades

SGT College of Pharmacy, SGT University, Gurugram was adjudged the Best Pharmacy Institute in Entire North region for organizing and participating in activities organized by STUDENT FORUM OF INDIAN PHARMACY GRADUATES' ASSOCIATION (IPGA SF).

Prof Vijay Bhalla, Principal SGT College of Pharmacy, participated and represented SGT University at 78th FIP World Congress of Pharmacy at Glasgow, Scotland, UK on 2nd September 2018

Prof. Mohd. Baidi Bahari, DVC (Student Affairs), Dean Faculty Of Pharmacy, AIMST University, Malaysia, visited SGT University campus on Monday, 24th December 2018 for interaction with University Authorities to process MoU. A MoU with AIMST University, Malaysia for student exchange in 2018 is in progress.

Two student of B. Pharm 4th Semester Jatin and Hunny Dabas presented a research outcome through power point presentation at DPSRU, New Delhi and won the certificate and Trophy.

In 2018, SGTCOP has signed a MoU with M/s Belco Pharma, Bahadurgarh and M/s Pharmasynth Formulations, Haridwar, Uttarakhand for hand on training, workshops and placements.

Industry Connect

There are several tie-ups and collaboration of SGTCOP with many pharmaceutical industries such as M/s BelcoPharma, M/s Pharmasynth Formulations and so many others for training, workshops and placements. Various educational tours such as Visit to Indian Pharmacopoeia Commission, Industrial visit were also organized by the SGT College of pharmacy for the upliftment of the students. The students of SGTCOP after their degree or diploma are currently serving in reputed industries and pharmacies of reputed hospitals such as MAX healthcare, Apollo, Rockland and Fortis.

A guest lecture on DRA and IPR was held on 15th February, 2018 at Medical auditorium which was addressed by Dr. Rahul Taneja and Mr. Pradeep Kumar. All faculty and students attended this lecture.

A workshop on Molecular Docking, Virtual Screening and Biologics Discovery on 12-13th March, 2018 at Hamdard University was attended by Ms. Soniya Yadav, Faculty of SGTCOP.

A Faculty Development Program on New Teaching Methodologies was held on three different occasions within the university campus. Ms. Tripti Arora, Ms. Divya Upadhyay, Dr. Ravi Malhotra, Ms. Sonia Yadav, Dr. Vijay Sharma and Dr. Nitin Kumar attended these events.

A Pharmacy Council of India sponsored CPE (Continuing Pharmacy Education) in collaboration with Internal Quality Assurance cell (IQAC) was held from 22-24th August, 2018. The program was initiated with the idea of PCI to develop/enhance the teaching skills of pharmacy teachers and make them efficient with newly designed syllabus and advance teaching methodologies. Faculty of 12 different colleges from various part of India participated in this event.

A guest lecture on IPR was held on August 22nd, 2018 by Mr. Sudhir Gambhir, Patent Attorney

A lecture on Training, Placement and Entrepreneurship for B. Pharm and D. Pharm final year student was organized on 23rd August, 2018. Mr. Sanjay Gupta from E-Merck delivered a lecture on "Career Orientation and Entrepreneurship" for enlightening the students with different career opportunities with his valuable and vast experience.

A workshop sponsored by Indian Pharmacy Graduate Association on CV writing and career counseling was held at Amity University, Noida on 25th August, 2018. Students of B. Pharm and D. Pharm course attended the workshop.

42 Students Volunteers of SGT College of Pharmacy and 6 faculty members participated in the 70th Indian Pharmaceutical Congress 2018 at Amity University campus, Noida from December 21st to 23rd 2018. The event was organized by Indian Pharmaceutical Congress Association (IPCA) and hosted by Indian Pharmacy Graduates' Association (IPGA).

A guest lecture on career in Pharmacy & Research was held on September 25th, 2018 by Prof. Jagdev Singh, Ex Scientist, RRL, Jammu.

SGT College of Pharmacy organized Guest Lecture by Prof. Neeraj Kumar Fuloria, Senior Associate Professor, AIMST University, Malaysia, on Wednesday, November 14th 2018 at SGT University Campus. The topic of the lecture is "Applications of Pharmaceutical Chemistry in Pharmacy".

SGT University has organized Guest Lecture on "ECO FRIENDLY PHARMACEUTICAL APPLICATIONS OF SOLUBILIZATION" by an eminent Professor, Dr R. K. Maheshwari, from Department of Pharmaceutics, S.G. S. I. T. S, Indore on October 3rd 2018.

Dr Vijay Bhalla, Principal- SGT College of Pharmacy, SGT University, Gurugram interacted with the Pharmacists and highlighted the role of Pharmacists patient Counseling & Patient Safety at Sir Ganga Ram Hospital.

Shri Mukesh Sinha, Advisor cum Director Technical, Win Medicare private Limited addressed the students and discussed about various career options before the Pharmacy professionals.

Pharmacist Day was celebrated with various activities and guest talk by renowned speakers.

Co-Curricular Inclusivity

Numerous academic, sports, cultural and extracurricular activities were held in the department in session 2018-19.

An Excursion trip of students of B. Pharm and D. Pharm was taken to Manali from 25-29th March, 2018.

A Farewell party for the students of D. Pharm 2nd Year was organized on 19th May, 2018 at TV studio, Dental College. All students and faculty members participated in the event.

An induction Program for the newly admitted students of B. Pharm and D. Pharm was held during 1-4th August, 2018 at SGT College of Pharmacy. Students were introduced with the Department of SGT college of Pharmacy and various available facilities.

Social Welfare

Students of SGT College of Pharmacy conducted a community drive (an outreach activity) to create awareness among society about the profession of Pharmacy. The students interacted with around 30 people of all age group. They discussed with them about the role & responsibilities of Pharmacists. The student informed them about the importance of bills & expiry dates on medicines. They also informed them about the difference between generic and branded medicines.

Students of SGT College of Pharmacy also conducted school drive to create awareness among the students about the profession of Pharmacy. They told the students about the meaning, role and importance of pharmacy profession. The students discuss about the scope of pharmacy. They told about the various branches of the pharmacy and their application to the general society. As a part of Pharmacist Day celebration SGT College of Pharmacy organized a preliminary health camp in the campus. The objective of the camp was to promote health and prevent illness. A total of 90 persons (aged between 18 to 57 years) were screened in the health camp. Faculty member and Lab technicians of SGT College of Pharmacy volunteered to contribute toward achieving the objective.

Faculty Of PHYSICAL SCIENCES

Overview

The Faculty of Physical Sciences brings together experts in Physics, chemistry, Mathematics, Forensic Science and Environmental studies to deliver teaching and research through five departments namely, Department of Physics, Department of Chemistry, Department of Mathematics, Department of Forensic Sciences and Department of Environmental studies. In the academic year 2014-15 the faculty started its academic activity with undergraduate course B.Sc. (Non-medical). In the subsequent year, one undergraduate course B.Sc. (Hons) Forensic Science and six postgraduate courses M.Sc (Physics), M.Sc (Chemistry), M.Sc. (Applied Mathematics), M.Sc. (Forensic Sciences) M.Sc. (Environmental Studies) and M.Sc. (Nano-science & Nano-technology) were started.

At present, the faculty has 27 full-time faculty members consisting of four Professors, five Associate Professors and eighteen Assistant Professors. It is due to the dedicated efforts of the faculty members, valuable guidance of the distinguished personalities, timely support of University authorities and un-quenching curiosity and enthusiasm of students that the faculty is progressing rapidly in its academic pursuits and frontline research. With this enthusiasm, the faculty introduced Doctor of Philosophy (Ph.D.) in Physics, Chemistry, Mathematics, Forensic Science and Environmental Studies from the academic session 2017-18.

Most faculty members in Faculty of Physical Sciences are doctorate from reputed Institutions and highly graded Indian & Foreign Universities. More than half of the faculty members have good number of years of international exposure in various Universities and Research and Development Organizations. Therefore under the guidance of these august faculty members, the students of Faculty of Physical Sciences will be better oriented to understand the recent trends in Research and Development.

Students of Physical Sciences successfully completed internships in various reputed industries like TCS, Wipro, and Reliance and several other MNCs and R&D Labs and other collaborating Institutions. Students of Chemistry took part in Internships at Department of Chemistry, University of Delhi North Campus. Enterprisenhip training of students of physical sciences at Central Forensic Science Laboratory, Hyderabad. Apart from that Faculty of Physical Science will provide unique opportunities for undergraduate students to intern at corporations, research organizations, and social impact groups (NGO's) or local schools. Faculty of Physical Sciences will send students to various partner organizations where students can take part in experimental learning as well as involve in some meaningful way to their particular organization placement. We create internships internally with our industry academia interface in Delhi NCR and Gurgaon.

Accolades

Dr. Amit Sharma and Dr. Sheetal Deshwal from Department of Mathematics, successfully defended and received Ph.D degrees from prestigious IIT Roorkee.

Academic exchanges with Manav Rachna Incubation & Innovation Center - Research and Practice to build publications, projects in Computing Science, Research Cluster of Computing, Vigyaan Bhavan, Department of Science and Technology AI in Start-up ecosystem were initiated.

Invited Talk on "Role of CB Interventions in Environment-Psychology interface" in International Conference on Cognitive Behavioural Interventions – India 2018 (ICCBI 2018) from 27th to 29th September 2018

Faculty Members were invited panelist in Panel discussion on Environmental Sustainability through Science-based Tools and Approaches Getting Started with Life Cycle Assessment on 16 February 2018 by TERI School of Advanced Studies, New Delhi-110070, India.

Students under guidance of faculty members, won prize for completing and publishing their research work.

Industry Connect

Students of Physical Sciences successfully completed internships in various reputed industries like TCS, Wipro, and Reliance and several other MNCs and R&D Labs and other collaborating Institutions. Entrepreneurship training / Visit for students of physical sciences has been organized at various reputed Laboratories and Institutions such as Central Forensic Science Laboratory, Hyderabad, DRDO, NPL, and Crystal Pharma.

An industrial visit to "Key Research & Development Centre", was organized by the Department of Chemistry on Saturday, 21st April, 2018. Thirty five students (Post graduate & undergraduate) and two faculties visited to Key Research & Development Centre to understand the latest technologies and developments in the field of research.

An Educational visit to Solid State Physics Laboratory (SSPL), Defense Research & Development Organization (DRDO), Timarpur, Delhi, was organized by the Department of Physics, Faculty of Physical Sciences, SGT University on Tuesday, 24th April, 2018 with the consideration to give exposure to our students about research and development activities in the world-renowned research laboratory in solid state Physics & Physics of Materials. Thirty-two students (Postgraduate & undergraduate) along with coordinator Dr R. C. Sharma, Professor, Department of Physics and Dr Sunanda, Assistant Professor, Department of Physics, visited SSPL to understand the latest research and technological advancement in the field of semiconductor physics.

A one-week training program was organized by the Faculty of Physical Sciences, SGT University. 23 students from M.Sc. and B.Sc. Forensic Sciences had attended an internship/training program at Directorate of Forensic Science, Forensics Headquarters, Shimla Hills, Junga (H.P.) conducted from 22nd Oct 2018 to 27th Oct 2018. The students were very inquisitive to witness the existing knowledge of the subject matter. The incipient learners of Forensics brimmed with astonishment as they came to learn about the various aspects of the functioning of the laboratory. The

training program included an interdisciplinary lecture series by the Assistant Directors of various divisions of Forensics, who highlighted the concepts, experimental approaches and the applications of current research. The lecture topics covered research in all the scientific disciplines. A hands-on training was provided and an overview of the working and basic principles of all the equipment/instruments used in different divisions were given which are not available at the university level.

Faculty of Physical Sciences organised an academic trip to Aryabhata Research Institute of Observational Science (ARIES), Nainital, Uttarakhand, and Jim Corbett National Park, India from 22nd March to 25th March 2018. At ARIES Nainital, Students of physical Sciences got a fantastic opportunity to see the planetarium and telescope. They enjoyed viewing and learning about the different planets. They also came to know various interesting facts about the Moon, Sun, and Earth and their formation during the cosmic collisions. Apart from ARIES, students of Physical Sciences visited Jim Corbett Museum, Jim Corbett falls and Jim Corbett National Park. At Jim Corbett museum, students came to know about the history of Jim Corbett, his noble cause to save this endangered species and the stories of his bravery in killing the man eaters. Then the students proceeded for Jim Corbett National Park where they enjoyed watching nature and wildlife. The students were delighted with the open Jeep Safari drive through the forest. Thirty three members of Faculty of Physical Sciences have been involved in this trip, thirty students (B.Sc. Non-Medical, B.Sc. Honours, Maths, M.Sc. Physics and M.Sc. Chemistry). Three faculty members (Dr Tanima Bajaj, Dr Mukesh Kumar and Mrs. Namita) as co-ordinators, accompanied the students in this memorable trip.

A Guest Lecture was organized by Department of Physics, Faculty of Physical Sciences, SGT University Gurugram on Monday, 23rd April, 2018 with the consideration to innovate our students about latest research and development activities in Semiconductor Physics. To deliver the talk Dr. Sunil Sharma, Scientist D, from the world renowned research laboratory Solid State Physics Laboratory (SSPL), Defense Research & Development Organization (DRDO), Delhi has been invited.

On 27th April 2018, a Guest Lecture was organized by Department of Chemistry, Faculty of Physical Sciences, SGT University located at Gurugram Delhi NCR. An eminent speaker "Prof. R.K. Sharma" from Department of Chemistry, University of Delhi who is the co-ordinator of Green Chemistry Network Centre (a networking centre established under the recommendation of world leaders of Green Chemistry headed by Prof. Paul Anastas, Father of Green Chemistry) and also the Honorary Secretary of Royal Society of Chemistry, London, North India Section came and delivered a talk on very important topic "Green Chemistry: Designing Chemistry for Human Health & Environment."

A guest lecture on translational research was organized by the faculty for students of Physical Sciences.

Co-Curricular Inclusivity

Students of Faculty of Physical Sciences organized a farewell party 'Hasta La Vista' for the outgoing batch 2018 on 2nd May 2018. The junior students gave titles to their seniors which perfectly suited their personalities. Different Tags were awarded to different students based upon three rounds; Ramp Walk, on the spot task and question-answer round.

Abhyarambh as the name says is a Grand new Beginning. Our students, both Seniors and Juniors justified every moment of it. The day was full of energetic dances, ramp walks with attitude, melodious singing, engaging anchoring acts, all supported by loud cheering from audience. With so much talent on display, it was the question-answer round that was the real clincher. The judges had a tough time choosing between Beauty and Brains.

Students & Faculty members participated in Holi Fest & Diwali Fest

Social Welfare

On the Occasion of International Nature Day, 28 July 2018, an awareness program was organized by faculty of physical sciences for school children at M. D. Sr. Secondary School, Mankrola, Gurgaon. The objectives of the program is to create an environmental conservation awareness among school children and to cultivate positive emotions and responsibilities in environmental protection through hands on activities and educational training among the young generation.

The program is designed to provide an early exposure for school students to know more about environmental issues. Through the program the Students learned about water contamination, water purification methods, sanitation and hygiene, resource management, waste management and personal hygiene.

Faculty Of PHYSIOTHERAPY

Overview

Physiotherapy is one of the popular courses in modern medicine worldwide. It is health caring profession, which views human movements as central to the health and well being of individuals. The core skills used by Physiotherapy include manual therapy, therapeutics exercise and the application of electro therapeutic modalities. Faculty of physiotherapy, a constituent of Shree Guru Gobind Singh Tricentenary University was established in the year 2013. It has been set up to prepare students for Bachelor's and Master's degree in Physiotherapy with an aim to develop solid foundations of research and evidence based practice to ensure that the students are well prepared to meet the challenges of the dynamic and constantly changing health care scenario. Faculty of Physiotherapy imparts undergraduate (BPT), Postgraduate (MPT) with specializations in orthopedics, cardiology, neurology, sports, community rehab and obstetrics and gynaecology as well as Ph.D programs in Physiotherapy.

Faculty of Physiotherapy provides an Ideal combination of Professional & Academic excellence. The Vision of Faculty is to provide quality education to the youth and to produce Competent, Skilled and Dedicated Physiotherapists who are good clinicians, excellent team workers, lifelong learners and excellent professionals who can work in a variety of health care delivery systems. Our core strengths are unique style of teaching, strong advisory board, innovative and job oriented course curricula and emphasis on research and innovation. Demand of physiotherapist in the country as well as abroad is immense. They can work in government and private hospitals, rehab centers, critical care units, health institutions, MNC's, geriatric care home, Sports teams and can have their own practice as well.

Accolades

All faculty members were academically involved throughout the year as scientific session chairpersons and also delivered talks/ key note addresses at various National & International Physiotherapy Scientific Forums.

Dr Joginder Yadav was awarded Physio Rattan Award by Furgaon Physiotherapy Conference-CON-2 in March 2018

Dr Sonia was awarded Academic Excellence Award by Physio Harcon-2 in September 2018

Dr. Shivangi bagged 3rd Prize for her Paper Presentation at International Physical Therapy Conference at AIIMS, New Delhi in December 2018

Dr Sheetal was awarded Excellence Award Medanta at Conference On Critical Care In ICU held at Medanta in July 2018 She was also awarded, Academic Excellence Award by Physio Conference By Indian Association Of Physiotherapy, Delhi March 2018. She received Significant contribution Award (Academics) by Gurgaon Physiotherapy Conference-GCON in March 2018.

Industry Connect

Faculty of Physiotherapy conducted a fitness contest for students of Physiotherapy on the occasion of Founder's Day of SGT University on 24th January 2018.

Special Olympics Bharat has organized National Preparatory Camp of the Indian Delegation of probable athletes for the 2019 World Summer Games at Scottish High International School, sector 57, Gurgaon. Screening of athletes and other players belonging to swimming, cycling, table-tennis, football, handball, basketball and volleyball happened from 25th to 26th March 2018. Staff and 27 Students of BPT participated in the event.

Faculty of Physiotherapy organised a Talk on Translational Research into Practice on 7th May 2018. Dr Karthikey anvisited the faculty from University of Kent, UK.

A 1 day hands on work shop on DRY Needling was organised by Faculty of Physiotherapy. Dr Kopal, Vice Principal Santosh College of Physiotherapy was the resource person for it.

Faculty of Physiotherapy organised a guest talk on the occasion of World Physiotherapy Day ie 8th September. The guest speaker Dr Jyoti, HOD Physiotherapy, Sir Ganga Ram Hospital, wonderfully explained in her talk about how ergonomics can add value to any organisation and improve productivity. A poster competition was also organised with the theme “Movement for Life” for BPT and MPT students. Winners were given certificates by Dr Jyoti.

A week long Induction programme was organised for the new batch of BPT and MPT in August 2018. A guest lecture on “Scope of Physiotherapy” by Dr. V P Gupta, Chief physiotherapist in Cardiothoracic Vascular Surgery Department, AIIMS New Delhi was organised. He encouraged students and inculcated in them the effectiveness of comprehensive education and enlightened them about learning the basics of all the medical subjects as it lays down the foundation for all the clinical diagnosis to be worked on.

A guest talk was organised by the department on the topic “Pre participation evaluation in sports” by Dr Akshat Pandey, Sports Physiotherapist, National Boxing Academy Sports Authority of India”.

Co-Curricular Inclusivity

Mr. Abhishek from BPT 4th year student brought laurels to the department by bagging 2nd prize in long jump and volley ball in PULSE, A Sports event organized by AIIMS Delhi

Students of BPT 4th year-Ayushi, Reetika, Kunika, Perna, Pulkita won 3rd prize in group dance competition in Physiotherapy conference (PHYSIO HARCON) organised in September 2018

Students of BPT 4th year bid farewell to the outgoing batch from Faculty of Physiotherapy, on 12th May 2018. It was enthralling to see teachers and students coming together to celebrate the success and wishing the very best of luck to bright young minds entering into the professional world.

It was all fun for students of Faculty of Physiotherapy as they celebrated fresher's party “Nadaan Parindey” on 28th September 2018 to welcome their juniors. Dancing, cheering and blowing whistles for their friends, they celebrated Fresher's Day party.

A physiotherapist team of 22 students accompanied by faculties attended Airtel Delhi Half Marathon on 21st October 2018 held at Jawaharlal Nehru Auditorium, New Delhi. The chief guest at the event was renowned Jamaican-American former athlete Sanya Richards-Ross. The team was stationed at Volini Recovery Zone area where it efficiently handled brief warm up sessions, injury prevention and management of the Marathon runners who participated in marathons in various categories. The team was congratulated for its excellent services during the marathon.

Special Olympics Bharat has organized National Preparatory Camp of the Indian Delegation of probable athletes for the 2019 World Summer Games at Scottish High International School, sector 57, Gurugram. Screening of

athletes and other players belonging to swimming, cycling, table-tennis, football, handball, basketball and volleyball happened from 25th to 26th March 2018. An expected 500 male and female participants participated in this camp to be a contender for the 2019 World Summer games to be held at Abu Dhabi from 14th to 21st March 2019. Faculty and students screened these players for flexibility, strength, functional reach, cardiac function and balance. They were given appropriate consultation and relevant exercise prescription was given by sports and orthopedic physiotherapists of SGT University.

Faculty of Physiotherapy was requested to provide Physiotherapy consultancy to Delhi Lawn Tennis Association for Fenesta Lawn Tennis National Championship, October 2018 at R.K. Khanna Stadium, Delhi for 2 weeks. Dr. Sajjan Pal along with P.G. Sports students was assigned the job of providing Physiotherapy consultancy during the matches. This provided a good exposure to P.G. Sports students in providing on-field and off-field Physiotherapy. The Delhi Lawn Tennis Association was extremely happy with Physiotherapy provided during the tournament.

Faculty and students of Faculty of physiotherapy of SGT University participated as Physiotherapy consultant in Recovery Zone in Millennium City Marathon - 4th Edition on 2nd Dec 2018 held at DLF Cyber city, Gurugram. All the SGT team members appreciated and were felicitated with the participation certificates by the organizers of the Recovery Zone in the Marathon.

Social Welfare

Faculty of Physiotherapy is a part of Budhera project where the village Budhera has been adopted by the SGT University to serve the people of the village. A team of Physiotherapists which includes the Faculty, intern and final year students regularly visits the village where they evaluate, diagnose and treat the patients in need of Physiotherapy and educate them about ergonomics. The primary objective of this exercise is to offer a helping hand to the villagers of Budhera and is expected that within a short span of time SGT University would be able to improve the quality of life in the village.

A health camp was organized by Minda Group's NGO "Samarth Jyoti" in the village Naharpur on 13th December 18 in which SGT Hospital participated enormously. In the camp, faculty of Physiotherapy along with different faculties of the SGT hospital visited the village. Dr. Mohit Gulati from Physiotherapy enlightened the people about the physiotherapy and its role in day to day life. The patients were taught ergonomics and basic physiotherapy exercises for home treatment according to their condition.

In association with Indian Association of Physiotherapy, Gurugram Branch, Faculty of Physiotherapy SGT University organised a mega Physiotherapy camp at Sideshwar Mandir Gurugram on 8th September 2018. It was inaugurated by CMO Civil Hospital Dr Gulshan Arora. Students and staff assessed and treated the patients and emphasized the importance of exercises to maintain a healthy and active lifestyle.

Faculty of Physiotherapy, SGT University, Gurgaon organised a health camp at Community Health Centre in Farukh Nagar on the occasion of oncoming World Physiotherapy Day on 6th September. Dr Neeru, CMO of CHC Farukh Nagar inaugurated the camp followed by a Nukkad Natak on "Ergonomic for prevention of Musculo-Skeletal Disorders" by Masters of Physiotherapy students. Nukkad Natak focused upon sensitive health issues like sprain management at home; importance of exercises in relieving neck and back pain; teaching correct method of lifting weights and correct handling of person in case of road traffic accidents to prevent spinal cord injury. There were Asha workers and villagers who attended the Nukkad Natak and raised concerns regarding various health issues which was sorted out by Dr Mohit Gulati, Physiotherapist from SGT University.

A door to door survey was done by students and faculty of Physiotherapy at village Mankrola on 6th August 2018 where they screened females in different age groups suffering from problem of Urinary Incontinence. They were demonstrated pelvic floor exercises as well as given advice about identifying risk factors that can lead to this problem. They shall be regularly followed up by the team of Physiotherapists. They were issued a card and can visit Physiotherapy OPD of SGT Hospital too.
