- Internal Examiner for M.D.S Final Post Graduate University Examination for 2 consecutive years
- Internal Examiner for M.D.S First year Post Graduate University Examination for 1 years
- External Examiner for B.D.S University examinations to various Universities

#### **E. Brief Personal Statement**

If I could summarize my personality in one word, it would be SURGERY. My career choice has been made based on a calling and not a need. I chose to adopt Oral & Maxillofacial Surgery as my profession because that's what inspires me to achieve greatness and strive towards improvement in all aspects of my life. I feel incomplete if I'm not operating, for me surgery is bigger than any religion or meditation.

I took my Bachelors Degree in Dentistry from Dental Wing Maulana Azad Medical College, New Delhi in the year 2002. Later I qualified the All India PG Entrance Examination in January 2004 and went on to take my Post Graduate degree from Govt Dental College, Trivandrum, Kerala where I was exposed to one of the best and conducive environments for learning in my speciality.

After finishing my Masters, I went on to join a teaching program in Head & Neck Oncology & Reconstructive Surgery at the prestigious Regional Cancer Centre, Trivandrum for a period of 1 year.

Ever since I have been practicing Oral Oncology as a small contribution to the severe Oral Cancer burden in our country. Our unit of Oral & Maxillofacial Surgery at SGT University is one of the very few units that give exposure to aspiring surgery residents in the challenging and competitive field of Head & Neck Surgery.
