Description of the Event:

Centre for Languages and Communication organized an Interdepartmental Colloquium on the theme 'Integrating Communication. Building Competence.' on 8th September, 2018. The event was designed to bring together all the faculties of SGT University and initiate a discussion on ways to improve communication amongst the faculties and how it can go a long way towards facilitating organizational growth. Representatives of different faculties participated with lots of enthusiasm. Dr. TD Dogra, Dr. SC Mohapatra and other dignitaries did the lamp lighting to mark the auspicious beginnings of the event. Mr. Ravi Bundela spoke about intricacies of language in the discipline of Law and need of the hour for simplified language usage. Dr. Priya from Faculty of Physiotherapy, talked about the essence of communication to establish empathy and rapport with the patients for appropriate treatment. Dr. Ravi and Dr. Neelam from Faculty of Pharmacy stressed the need of appropriate vocabulary from a pharmacist's point of view. Dr. Panchal from Faculty of Management Hotel and Tourism spoke about the gaps in communication and how it can hamper customer service. Mr. Vivek from Faculty of Hotel and Tourism Management talked about how language changes when the type of hotel segment is altered. Dr. Vinita from Faculty of Agricultural Sciences stressed the need of using the local language and dialect to connect with the target audience. Ms. Neha Sehrawat and Mr. AsadHabib talked about the digital aspect of language and the impact it has on how the people at workplace are communicating. Dr. Sarju Devi, HOD Centre for Languages and Communication gave vote of thanks to the panelists, presenters and organizers for making the event a success. Three best presenters were honored with a certificate and sapling. The event concluded with distribution of certificates to the participants.

Faculty of Mass Communication & Media Technology

Name of the Faculty: Faculty of Mass Communication and Media Technology

Name of the Event: Communication Skills (Analytical Skill Development)

Date: 10th July 2018

Time: 10 am

Venue: A Block, Shooting floor

Objective: Guiding students regarding career opportunities in Mass Communication sector.

Description of the Event:

Learning is a lifelong process and willingness to be a lifelong learner defines our growth intellectually and career wise too. IQAC, SGT University has always encouraged that intradepartmental learning and sharing should be undertaken as knowledge shared is knowledge gained.

Keeping this motto in mind, a one day seminar was organized by Centre for Languages and Communication on the theme '**Shared Learning**'. All the members of the team presented on their chosen topics. The presentations were followed by engaging discussions that enhanced understanding of the concepts shared.

HOD, Dr. Sarju Devi, presented on the topic 'Let's Communicate!!' and through this she shared her journey into the field of Linguistics. Dr. Umesh Chandra talked on about 'Methods in ELT'. Dr. Abhilasha Singh showed how our lives are affected and reflected in literature through the topic 'Literature as a Reflection of Life'. Ms. Amita talked about 'Future Perspectives of Language' and shed some light on how languages will evolve in future. Ms. Sonia talked about 'Next Generation Learning'. Ms. Arvinder Kaur Pabla, coordinator and organizer of the event, shared her perspectives on two methods of 'ESL Techniques' through comparative study and evaluation. All the presentations were followed by engaging discussions. The event culminated with distribution of appreciation letters to the participants. Team headed for lunch after the event.

“MARUTI SUZUKI”

Type of event: Industrial Visit

Date: 8/09/2018

Time: 9:00 A.M. – 4:00 P.M

VENUE: MARUTI SUZUKI, Gurgaon

Organizers: Mechanical Engineering Department

Objective : To enlighten students Industry exposure gives the students the real insight of the working of industry

Audience: Mechanical Students along with 1 faculty members

Brief Report Students of Mechanical Engineering visited Maruti Suzuki plant, Gurugram on 07th February 2018. The Gurugram Plant produces the Alto 800, WagonR, Ertiga, S-Cross, Vitara Brezza, Ignis and Eeco. First the students visited the body shop in which they experienced the fully automatic assembly line. After that they visited the quality department and got the key concepts of quality measurement. This Industrial visit enhanced the students learning processes.

Learning Outcome: Students learned the working of manufacturing plant

“Panasonic India Pvt. Ltd.”

Type of event: Industrial Visit

Date: 07/03/2019

Time: 10:00 A.M. - 04:00 P.M.

Venue: Jhajjar, Haryana

Organizers: Faculty of Engineering & Technology

Objective: Practical exposure of the students on manufacturing of Air Conditioners and various operations like soldering, brazing, extrusion etc.

About the Speaker/Guest: Mr. Amrit Yoga (Sr. Manager)

Audience: ECE 6th, EEE 4th & ME 6th Semester students.

Brief Report:

Faculty of Engineering and Technology organized an Industrial visit to Panasonic, Jhajjar on 7th March, 2019. Mr. Pankaj Jain, Mr. Rambir Joon and Mr. Shivender Singh accompanied the students of ECE 6th, EEE 4th, CSE 4th and Mechanical 6th semester students. The visit included a briefing session of half an hour taken by Mr. Amrit Yoga and Mr. Aman Kandri from Panasonic. The briefing was followed by visiting the manufacturing units of Electronics Appliance, Transformer and Welding. It was very fruitful for the students as it was totally based on exposure to practical work done there.

Panasonic offers a wide range of products and services, including air conditioners, refrigerators, washing machines, compressors, lighting, televisions, personal computers, mobile phones, audio equipment, cameras, broadcasting equipment, projectors etc. Students visited manufacturing unit where soldering and brazing operations are used for joining the metals. Students learnt about the

sheet metal operations and how extrusion is carried out practically. They gained the practical exposure and working culture of the industry.

Type of event: Workshop

Date: 07/01/2019

Time: 10:00 A.M- 01:00 P.M.

Venue: E-Block Room No.-Law Seminar Hall

Organizers: Computer Science And Engineering Department

Objective : To provide a platform for the engineering students by both theoretical as well as practical session about the upcoming technology Natural language processing and machine learning

About the Speaker/Guest: Dr. (Prof) Amal Saha

Audience: Computer Engineering Faculty and students.

Brief Report:

A Workshop was conducted on 7th January, 2019 on NLP and Question Answer Automation by Dr Amal Saha, professor, Department of Computer Science & Engineering. The objective of the workshop was to introduce the subject of Computational Linguistics or Natural Language Processing (NLP) and its subdomain Question Answering or Machine Comprehension.

The workshop was organized to motivate the students to understand the importance of machine learning and NLP, so that the students of the university can take up projects in these emerging technology. It was a hands-on experience session as Mr.Saha used parser from the Stanford University called Coren NLP, and demonstrated it live. Also there was a demo on machine comprehension of text with framework from Allen NLP illustrating the practical implementation of machine learning more impact fully. The workshop was a very interactive & interesting session for the students giving them a creative experience. For shortcoming this gap workshop will act as a bridge between the industries requirement and student knowledge by spreading theoretical concept as well as practical “Hand-On Experience”.

Report of the Webinar/ Event / FDP Program:

a) Introduction:

The 1st round of 2 Days Workshop – cum – Zonal Championship organized by E – Cell, IIT Bombay and co-organized by Department of Civil Engineering, Faculty of Engineering and Technology, SGT University, on 2D Drafting and Planning commenced on January 30, 2020.

b) Objective of the webinar/ Event / FDP: This workshop witnessed the participants from 2nd, 3rd and 4th Year Students from the discipline of Civil Engineering from SGTU and other different participating universities

c) Brief content of lecture-It is focused on the basic different tools of Autodesk AutoCAD software on 2D platforms such as Theory of Architecture Drawing including the concept of Coordinate System, Geometry and 2D Drafting. Also, it covered the Basic Drawing and Modify Tools, which are essential in making and understanding any Civil Engineering Drawing.

Report of Event:

a) Introduction:

On the occasion of World Nature Conservation Day , an awareness camp was successfully conducted by Department of Civil Engineering in the BOHRA KALAAN VILLAGE, PATAUDI

b) Objective of the Event:

In this camp, the students of Civil Engineering actively participated and made the villagers aware about the importance of conservation of natural resources and explained role of water conservation for sustainable development, wildlife conservation for balance in ecosystem, plants conservation for fresh air, importance of fossil fuels and their conservation for future energy needs.

c) Brief content of lecture-

In this drive, school students were made aware about nature conservation and how they can contribute in conservation of nature. After that students went to many village houses for testing TDS (total dissolve solids) of their drinking water, making the villagers aware them about the role of TDS in the water

ORGANIZERS: Faculty Of Nursing

OBJECTIVE OF THE PROGRAMME: To improving on nursing curriculum he adds many critical inputs the nursing faculty and students

AUDIENCE: Dean, HOD and other Faculty members

Total participants : 102

BRIEF REPORT OF THE PROGRAMME:

Faculty of Nursing SGT University had a staggering interaction session with Mr. Peter R. Holley, FNP (Family Nurse Practitioner)-C from the United States of America. Postgraduate nursing students from 1st-year presented their research proposal and have received numerous valuable inputs from Mr. Peter Holley. A discussion was carried out on “Legislations and nursing practice” with Mr. Peter Holley & Postgraduate nursing students. Mr. Peter has also thrown light on the concept of “Leadership in Nursing” and interacted with the B.Sc. nursing Interns students. There was an interactive session between Mr. Peter & Nursing faculty members where views and opinions were exchanged.

Type of event: Training

Date: 25-26 Feb 2019

Time: 09:00 A.M.-04:00 P.M.

Venue: NITTTR, Chandigarh

Organizers: Association of Engineers and Technocrats

Objective : To enhance the vision of students with respect to modern Automobile Engineering is advancing at rapid rate and a number of features are being added in modern automobiles

About the Speaker/Guest: Mr.Rahul

Audience: All Mechanical Engineering Students

Brief Report:

Mechanical Engineering (FET) organized Short Term Course on Recent Trends in Automobile Technology in association with NITTTR, Chandigarh from 25th Feb, 2019 to 01st March,2019. Modern Automobile Engineering is advancing at rapid rate and a number of features are being added in modern automobiles. The advances pertain to mechanical, thermal, Electronics, Electrical as well as software. The course has been planned to give exposure to the participants of the newer developments in this field.

Course Contents (Day wise):

Day 1 (25/02/2019): Next generation Automotive Mobility Engineering and RCCI Engines

Day 2 (26/02/2019): Advanced Engines technologies for Diesel Engines and Advanced Engine Technologies for Gasoline engines

Day 3 (27/02/2019): Manufacturing Trends in Automotive Industries and Autonomous Vehicles

Day 4 (28/02/2019): Automotive transmission Optimization and Automotive Sensors

Day 5 (01/03/2019): Emission Control Technology for SI Engines and Alternative Fuels for Engines.

Learning Outcome: Students learned about Next generation Automotive Mobility Engineering and RCCI Engines, Advanced Engines technologies for Diesel Engines and Advanced Engine Technologies for Gasoline engines and etc.
