REPORT 2023-24

SUSTAINABLE DEVELOPMENT GOALS

8 DECENT WORK AND ECONOMIC GROWTH

By offering skill development courses and internships, SGT University ensures that students are equipped with the skills needed for the job market. The university's strong placement cell connects students with reputable organizations, resulting in a high employment rate among graduates. Programs in entrepreneurship encourage students to launch their startups, fostering innovation and economic growth. SGT collaborates with industries to design curricula aligned with market needs, ensuring graduates are job ready. Through research projects and collaborations, the university supports local businesses, contributing to sustainable economic development in the region, in alignment with SDG 8 for inclusive economic growth.

Brief Report of the programme:

The Internal Quality Assurance Cell (IQAC), SGT University in association with environmental committee had organized a one day training on “DISASTER MANGEMENT AND FIRE MOCK DRILL” on may 17th, 2024 from 10:00 AM onwards at TV Studio 3rd floor B block, SGT University. The event was graced by Prof (Dr.) Sumat Prakash Aggarwal, Pro vice Chancellor, SGTU, Prof (Dr.) Nishith, Director IQAC, Mr. Jaspal Kumar, fire department Gurugram district, Dr. Archana Chaudhary, Chairperson, Environmental Committee SGTU and other official heads of SGTU. The participants were Employees from various department of the university (HR, student section, maintenance, security, transport administration). The event started with a practical training and hands on session disaster management and fire mock drill, followed by welcoming of the guest in TV studio.

After hands on and training session being demonstrated by the fire safety officers, it was followed by the addressing of the session by the Mr Jaspal, fire department Gurugram district. He spoke on the various measures and methods to be taken in the time of crisis like fire outbreak. The session began with the mock drill by the fire department personnels who also trained the university staff about the preparedness and actions to be taken in case of fire emergency outbreak in the premises. Later the event was followed by the addressing of the session by the PVC Prof (Dr.) Sumat Prakash Aggarwal. The event concluded with the felicitation of resource persons with Memento and certificate. The program was highly acknowledged and appreciated by the participants and the guests of the event.

Outcome of the Programme:

Participants of the event got to understand the importance of disaster management and actions to be taken in the event of fire.
